Dear Parents and Guardians:

Fort Bend ISD has students and families that speak many different languages. In an effort to ensure that all of our families are able to be informed of the amazing things that are happening on our campus and throughout the district, we have multiple ways for you to be able to translate the information into your native language.

- Our Parent Newsletter is written in Smore which has a translation feature embedded in the newsletter
- The district web site can be translated into many languages
- All communication is available in English and Spanish
- Front office staff and bilingual teachers are available to help with translations and telephone calls.
- Translators are offered for ARD's if needed

If we have not met your need for translation, please reach out to the campus so that we can accommodate your needs.

Thank you,

Brandi Brooks
