Family Engagement Plan 2026 – 2027 School Year

Highland Oaks Middle will ensure effective involvement of families and will support a partnership among the school, families, and the community to improve student academic achievement. To ensure that the needs of all stakeholders are met, the Family Engagement Plan was jointly developed through the collaboration of teachers, parents, administrators, and members from the community. The school will provide quality education for all students by providing a safe and nurturing environment that enables every student to attain academic proficiency in all subjects and to become productive citizens. Highland Oaks Middle will encourage a strong home-school partnership that ensures a safe, challenging, and inspiring environment where all stakeholders will work and learn together. To promote student success, our parents will work with the school by acting as advisors, resource people, and coordinators in the following ways:

1. Become school advocates and offer support.
2. Utilize their talents and / or resources to enhance the instructional programs at our school.
3. Serve on various Memphis Shelby County Schools Parent Advisory Boards.
4. Become active members of the Highland Oaks Middle School PTA.
5. Respond to questionnaires, surveys, and memos expressing thoughts, suggestions, and concerns.
6. Attend school events and serve as advisors to various organizations.
