Across all literacy practices, we want to ensure
access and opportunities for every learner every day.

Section 1A: Literacy Vision and Mission Statement

1. What is the school/system's focus and mindset around literacy?
2. What is the primary, overarching goal and expected or intended outcomes for the school(s) around literacy?
3. Are the vision and mission statements inclusive of all leaders, teachers, students, and families?

Literacy Vision

We believe that literacy is a fundamental need for both student development and the ability to understand, think critically, and respond to information.

Literacy Mission Statement

East Ouachita Middle School will work with all stakeholders to not only provide reading, writing, and speaking/listening skills to all students through a variety of strategies and initiatives, but to also provide teachers and leaders tools and knowledge necessary to grow students in the 21st century.

Section 1B: Literacy Goals

1. What are the overall literacy goals?
2. What are the student -focused leading and lagging goals, including individual subgroups?
3. What teacher -focused goals lead to students meeting their goals?
4. What are the program -focused goals for creating structures that help students and teachers succeed?

Section 1B: Literacy Goals

5. How is the plan to measure these goals?

Goal 1 (Student-Focused)	A. Build necessary foundational skills, content knowledge, and writing skills to successfully read and respond to grade -level, complex texts. B. Provide a minimum of ten weeks of targeted HDT.
Goal 2 (Teacher-Focused)	A. Provide ongoing support to allow equal access to grade-level, HQIM for all students. B. Professional development for: a. Support teachers in the Student Work Analysis Protocol to drive instruction. b. Standards based instruction and assessment.
Goal 3 (Program -Focused)	A. Curriculum Based Assessments (CKLA, Guidebook, etc.) B. District Common Assessments C. LEAP 2025

Section 2: Explicit Instruction, Intervention and Extension

Louisiana's Tiered Pathways for Literacy Support (TPLS) Framework guides implementation of healthy Tier I core instruction and extension, as well as effective Tier II and Tier III interventions. While acceleration, intervention, and special education services are essential, they cannot replace coherent literacy instruction using high -quality instructional materials (HQIM). Healthy Tier I instruction for all students is the best prevention measure against overloading the intervention system. This section is designed to support Tiers I, II, and III instruction.

Tier I	1. Are Tier I instruction and small -group support consistently delivered by a classroom teacher trained in the effective implementation of approved HQIM? a. Strong Tier I instruction should result in at least 80% student mastery in overall class assessment data. 2. Are curriculum -based assessments from HQIM used consistently to evaluate the effectiveness of Tier I core instruction? 3. Is the Instructional Leadership Team (ILT) trained in the implementation and evaluation of the HQIM? 4. Is there a regular walkthrough schedule to determine support around Tier I? 5. Is the ILT responding to data to support a healthy Tier I?
--------	--

Section 2: Explicit Instruction, Intervention and Extension

	- Are teachers and leaders effectively trained in unit and lesson preparation (K-2 Skills Unit , K-2 Skill Lesson , K-2 Knowledge Unit , K-2 Knowledge Lesson , 3-12 Unit Preparation , 3-12 Lesson Preparation) - What data and resources are being used to support extension ?
Amount of time spent on daily literacy skills instruction and how it is used	6-8: Average time is 90 minutes for core instruction.
English Language Arts textbooks and instructional materials used	ELA Guidebooks (3-12)
Tier II	- Is the Tier II intervention being provided by a classroom teacher/tutor or other extensively trained literacy educator using approved HQIM? - Are curriculum -based measures and assessments from HQIM consistently used with integrity to reflect the effectiveness of the Tier II intervention? - Does the skill of the intervention and the progress monitoring tool align with the identified needs of the student based on current literacy assessment data? - Do student schedules ensure they are not pulled from Tier I core instruction to receive Tier II intervention? - Has progress monitoring of Tier II intervention occurred bi -weekly or weekly, depending on the needs of the student as indicated by assessment data?
Tier II plan, including the amount of time	Minimum of 90 minutes per week.
List of available interventions and their descriptions	Teacher Led Small Group: Lexia Power Up (6-9)
Tier III	- Is the Tier III intervention being provided by a literacy staff member who possesses deep conceptual knowledge and specialized skills in reading instruction and has been fully trained in the adopted Tier III curriculum? - Are curriculum-based measures and assessments from HQIM consistently used with integrity to reflect the effectiveness of the Tier III intervention?

Section 2: Explicit Instruction, Intervention and Extension

	3. Does the skill of the intervention and the progress monitoring tool align with the identified needs of the student based on current literacy assessment data? 4. Do student schedules ensure they are not pulled from Tier I core instruction to receive Tier III intervention? 5. Is progress monitoring of Tier III interventions occurring at least on a weekly basis to track student progress and adjust interventions as needed?
Tier III plan, including the amount of time	Minimum of 90 minutes per week.
List of available interventions and their descriptions	High Dosage Tutoring - Lexia

Evidence: Student exit tickets, daily formative assessments, and walkthrough data -A measurable increase in performance from section diagnostics to culminating writing tasks, with at least a 10% increase in students meeting or exceeding proficiency. Potential Professional Learning Planning

Month/Date <i>(When can PL be scheduled throughout the school year?)</i>	Topics <i>(What topics are most needed and should be covered and/or prioritized?)</i>	Attendees <i>(Who would benefit most from this PL? Consider also who can redeliver to other teachers/faculty.)</i>

Section 3B: Professional Learning: Instructional Leadership Teams (ILT) and Teacher Collaboration (TC)

1. What is the ILT/TC long-range plan to support literacy?
2. Is the ILT/TC long-range plan chunked into cycles that lead to the success of yearly goals?
3. How/when is the effectiveness of cycles monitored?
4. Is HQIM embedded in the cycles and long-range plans?
5. How do the LER indicators support HQIM implementation during cycles in ILT and TC?
6. Are ILT members trained to support literacy?

Section 3B: Professional Learning: Instructional Leadership Teams (ILT) and Teacher Collaboration (TC)

Potential Cycle Topic	Goal for Cycle	How is the success of the cycle monitored?
Developing and Implementing a Long - Range Literacy Plan	The ILT/TC long range plan should identify priority literacy goals, the specific instructional practices and HQIM resources that will be used to achieve those goals, professional learning and coaching supports, and the evidence that will be used to monitor progress	Cycle effectiveness should be monitored throughout the cycle rather than only at the end of the year. The ILT/TC should establish checkpoints to review implementation evidence, student work and/or assessment data, observation or walkthrough data, and coaching feedback. At the end of each cycle, the team should analyze the evidence, determine whether the intended outcome was achieved, identify barriers or gaps, and make adjustments to the next cycle. This creates a continuous improvement process of plan → implement → monitor → adjust.
Using LER Indicators to Strengthen HQIM Implementation	Use LER indicators as a common framework for ILT and TC teams to monitor the quality and consistency of HQIM implementation. Teams will examine whether instruction reflects the intended design of the adopted curriculum, maintains grade-level rigor, and provides students with meaningful opportunities to engage with grade-level standards and tasks.	ILT and TC teams review evidence from learning walks, lesson plans, collaborative planning, student work, and assessments. Teams identify strengths, implementation gaps, and specific next steps, then revisit

Section 3B: Professional Learning: Instructional Leadership Teams (ILT) and Teacher Collaboration (TC)

		those areas during subsequent cycles.
Building ILT Capacity to Support Literacy	Provide ILT members with ongoing professional learning focused on evidence -based literacy practices, HQIM implementation, grade -level standards, student literacy data, and effective instructional feedback. ILT members will develop the knowledge and skills needed to support teachers and lead literacy improvement at their schools. (Literacy Mentors and Literacy TC Facilitators, Literacy Coaches, Master Teachers, Dyslexia Specialists, and Literacy Intervention Specialists.	Monitor participation in literacy professional learning, ILT agendas and meeting artifacts, learning walks, coaching/feedback conversations, and evidence of literacy - focused action steps. District leaders and school administrators can also gather feedback from ILT members regarding their confidence and readiness to support literacy instruction.

Section 4: Family Engagement Around Literacy

1. To improve family engagement around literacy, what is the plan to:
 - a. include families in focus groups and other discussions with teachers, students, and leaders around:
 - i. school literacy priorities and programs aligned to the [school's mission](#) ?

 - b. using communication and methods that accommodate all families?
 - c. providing ongoing support and communication to families regarding the progress of their child's IASP?
 - d. providing family -friendly professional learning regarding literacy knowledge and grade - level student expectations?
2. How can community partners:
 - a. engage families and strengthen the connections between school and community?
 - b. invest in sustained literacy efforts in the school and community that extend beyond the school day?
 - c. expand access to literacy resources?
3. What [resources](#) and [tools](#) are shared with families and community partners to enhance literacy?
