Statewide Testing Refusal Form 2026-2027

The New Jersey Department of Education, pursuant to state law and regulations, requires all students to take state assessments as scheduled. The Sayreville Board of Education must therefore require all students to take statewide assessments and cannot grant permission to a parent to opt-out of required statewide testing. In the case that a parent/guardian is refusing their child's participation in statewide testing, the form below must be completed and submitted to the principal at least 10 days in advance of the start of testing. Attendance in school on testing days is required. A copy of this refusal will be kept in the student's academic folder.
