

1 Woodland Entrance

 Indicates Safe Drop-Off/Pick-Up Zone

 60 Min. Parking

Drop-Off/Pick-Up Procedures

CHANGES for 26-27:

- The barrier between the Woodland parking lot and the Early Education Center parking lot is being removed to improve flow around the parking lot. This is noted on the map provided.
- The pick-up lane area has been moved forward, as shown on the map.
- All student afternoon pick-up will occur via vehicle in the Woodland Parking Lot. Exceptions include a meeting with a teacher or school staff member, or an appointment in the office. If that is the case, your child may wait for you in the school.
- The Woodland parking lot will be blocked off during afternoon pickup to maintain a continuous flow of traffic.

Morning Drop-off Procedures

- No drop-off before 7:20 am. Supervision is not provided.
- Pull into the student drop-off lane.
- Please pull forward to allow other vehicles access and keep the line moving.
- Students may enter the main door: Door 1

Afternoon Pick-up Procedures

CHANGE for 26-27: All student pick-up will occur via vehicle in the Woodland Parking Lot. Exceptions include a meeting with a teacher or school staff member, or an appointment in the office. If that is the case, your child may wait for you in the school.

- Pick-up begins at 2:20 pm. Parking is not permitted for extended time as this is a fire lane.
- Pull forward as far as you can in the student pick-up lane.
- Please stay in your vehicle - staff will assist students in finding your vehicle. Students will enter the vehicle door closest to the curb, if possible.
- Proceed with Caution: Crosswalk areas must remain open to allow visitors to access the Woodland or Early Education entrances. Continue at low speed as you exit. Note: There is also a yield sign as you proceed toward the exit.
