Learn More

The OCHS Work-Based Learning and Internship programs bring hands-on work experiences to students ready to connect their in-school coursework with out-of-school work opportunities. Work-Based Learning offers practical, hands-on experiences in the workplace, while the Internship program is for students ready to set career goals and receive close mentorship in their desired career field.

Why Choose This Program?

- ★ Hands-On Learning
- ★ Resume Building
- ★ Unique Experience
- ★ Meet Professionals
- ★ Build Job-Ready Skills
- ★ Have Fun!
