IMPORTANT NOTE:
Afternoon Snow Emergency Days – Bus routes will operate as scheduled, depending on the inclement weather and Boston's cleanup efforts.

1. If the City of Boston issues a snow emergency but Concord **does not delay** schools in the morning, buses will pick up students only from Franklin Park. Afternoon bus stops will also drop students at Franklin Park.

2. If the City of Boston does not issue a snow emergency but Concord experiences inclement weather, the school's morning delayed opening will result in students being picked up from their **regular bus stops** in Boston. The afternoon will also follow the regular bus stops in Boston.

3. The Superintendent will notify all administrators, school-based faculty, and staff if there will be a snow day, delayed start, or early dismissal. The METCO Director and the METCO Bus Monitors will communicate such notices to all METCO families.

    a. METCO snow communication chain: Superintendent (Email and voice message) – METCO Director (text via Connect Ed.) – METCO Staff/Bus Monitor (via text)
