**2026-2027 STUDENT PARKING PERMIT APPLICATION**

New London High School Multi-Magnet Campus
20 Chester Street, New London, CT 06320

Students must submit a completed application, a copy of the student's valid driver's license, a copy of the vehicle's registration, proof of insurance, and $20.00 to receive a parking permit. The permit is required so that the school knows who is parked on their property so that in case of an emergency the Administration can contact the owner of these vehicles.

Please note:

- Only juniors and seniors may apply for a parking permit and will be issued on a first come first served basis.
- Students who park on campus without an official permit or who do not park in the designated student area, will be subject to progressive discipline.
- Parking passes are non-transferable and transferring a pass is a violation of school rules. Violation of school rules may result in disciplinary action including revocation of the parking privilege. If your parking privilege is revoked due to any disciplinary actions, fees are not refunded.
- Students must park their vehicles upon arrival at school. Loitering of any kind is not allowed.
- Students are not allowed to return to their cars during the day without permission from the Administration.
- No person other than the registered driver who has submitted the proper paperwork and has an approved parking permit may operate a vehicle on school grounds.
- Parking passes must be adhered to the windshield of the vehicle in the lower left corner.

The Board of Education assumes no responsibility for damage to or theft of a vehicle or any item stored in or on a vehicle parked on school property. The speed limit for all school roadways, whether posted or not, is **15 MPH**. Students must follow all posted traffic patterns. No item, the possession of which is illegal or in violation of school regulations or which endangers the health, safety or welfare of persons, shall be stored in or on a vehicle parked on school property. If the administration believes that a vehicle on school property is being used in a manner which may be injurious or illegal, it shall refer the matter to the police.
