Niccole Petersen, Principal

Dear Arnold Families,

I am excited to invite you to join our School Site Council! The School Site Council is a group of parents, teachers, and staff who work together to improve our school by discussing important topics like school safety, academic programs, and budget priorities. Your input is invaluable in helping us make decisions that support our students' success.

If you are interested in participating, please complete the nomination form linked below and submit it via email npetersen@cypsd.org. Upon receipt of your nomination form, you will receive confirmation of your submission. A ballot will be created to finalize the members of the School Site Council.
