

Saint Peter School News

September 2026

Dear Parents,

First of all, I want to thank you all for sharing your children with us. We know that when you choose a school for your children that it is a very important choice, and we are grateful that you have chosen St. Peter School. Your children are assuredly loved and nurtured in our school, and we love seeing them each and every day.

Secondly, I want to personally thank you for your support as I have transitioned into this role and Sister Anna has begun her journey to Peru. She will be deeply missed, but please be reassured that I plan to uphold the values and principles she made a part of our school community. Saint Peter School will move forward in joy rooted in the foundation set by Sister Anna and so many other IHM Sisters who have blessed us with their presence.
