Lake Washington School District (LWSD) is located between Lake Washington and the Cascade Mountains. The district is east of Seattle and covers 76 square miles.

LWSD is the public school district for the cities of Kirkland, Redmond, and about half of Sammamish. On the north end of the district, some Bothell and Woodinville residents also attend our schools. The district map shows school locations.

MISSION

Each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society.

JUANITA HIGH SCHOOL

VISION AND BELIEFS

VISION

Students, staff, parents, and community working together will provide our students the opportunity to learn to use their minds well and develop the skills, knowledge, and attitudes needed to become life-long learners, responsible citizens, informed decision-makers, and competitive workers in our global economy.

BELIEFS

The purpose of school is to be academic in nature and to prepare students for a society which is changing, highly technological and interdependent. Students should meet high expectations within the scope of their individual abilities and unique learning needs. The quality of work produced depends upon the student's level of engagement and the quality of work expected and provided.

An encouraging and nurturing learning environment is essential for growth; students thrive when given personal attention. Students and staff need time for planning, reflecting and working together. Partnerships between school, family and community are essential. Final responsibility rests with the individual student for behavior and performance.

JUANITA HIGH SCHOOL BEHAVIOR POLICY

"No-Go List" Description

The Juanita High School No-Go List is a structured intervention designed to support student success by addressing ongoing attendance concerns, behavior issues, and violations of school expectations. The purpose of the No-Go List is not punitive, but rather to provide accountability and encourage positive changes in student behavior and engagement.

Students placed on the No-Go List may temporarily lose the privilege of attending or participating in selected extracurricular activities, school events, dances, assemblies, athletic contests as spectators, field trips, or other non-academic activities. Placement on the list may occur when a student demonstrates a pattern of excessive absences, chronic tardiness, disruptive behavior, defiance, fighting, substance-related violations, or other conduct that negatively impacts the learning environment.

Students and families will be notified when a student is placed on the No-Go List and will receive information regarding the specific concerns and the steps required for removal. Removal from the list is based on demonstrated improvement, which may include meeting attendance goals, maintaining positive behavior, completing assigned interventions, participating in restorative practices, Community Service, and complying with school expectations for a designated period of time.

The No-Go List serves as an intervention that reinforces the connection between responsible citizenship, regular school attendance, positive behavior, and participation in the school community. Juanita High School is committed to helping students regain eligibility through support, communication, and opportunities for growth.

JUANITA HIGH SCHOOL ATTENDANCE POLICY

Regular, responsible attendance and active participation in each class are critical parts of the learning process and keys to academic success. The following policies and procedures are designed to help students develop and practice responsible attendance habits and increase their potential for academic success.

Students are responsible for daily attendance in all classes. As stated in the attendance policy, absences are for: illnesses, family emergencies, and medical/dental appointments that cannot be scheduled outside the school day and other emergencies. It is expected that students obtain parental permission before any absence. In the event of a pre-arranged, extended absence (more than two days), students should notify their teachers as soon as possible so that arrangements can be made for schoolwork missed during the absence by completing the Pre-Arranged Absence Form 5 days prior to the absence.

Parents/guardians are responsible for encouraging and reinforcing the value of daily attendance with their students. Parents/guardians should monitor and be aware of their student's attendance and assist them in maintaining any documentation relevant to their absences.

Reporting an Absence - All absences should be reported by a phone call to the attendance office (425-936-1607) during school hours or through a message left on the Attendance Office voice mailbox during non-school hours (same phone number) or via e-mail (jhsattendance@lwsd.org). Parents are responsible for notifying Juanita High School of their student's absences within 48 hours of the beginning of the absence (the day of the absence plus one day). Absences cannot be excused after the 48 hours. Notifications should include the student's name, the parent/guardian calling, the date(s) of the absence(s) and the reason for the absence from JHS (see following list for legitimate reasons):

- a. Illness
- b. Family emergency
- c. Medical or dental appointments which cannot be scheduled outside the school day
- d. Other emergency situations

In the event of extended absences for medical reasons, written confirmation from a physician may be required.

JUANITA HIGH SCHOOL ATTENDANCE POLICY

Tardy Policy/Unexcused Absences

Students are expected to have less than 5 tardies in a week and no excused absences (ditching a class) If students accrue 5 or more tardies in a week then students will be assigned to a tiered tardy deterrent system that could include completing a feedback form, detention, parent/guardian meetings, and/or loss of privileges.

Tardies/Unexcused Absence	Action
5-9 Tardies/1 Unexcused	1 Lunch Detention
10-14 Tardies/3 Unexcused	2 Lunch Detentions, Parent Message
15+ Tardies/5 Unexcused	3 Lunch Detentions, Parent Message, Meeting with the Dean

Any unserved lunch detentions after 5 days will result in student being placed on the "No-Go List" and possible In-School Suspension

JUANITA HIGH SCHOOL CELLPHONES & PERSONAL ELECTRONIC DEVICES POLICY

To ensure a focused and productive classroom atmosphere, the staff and administration at Juanita High School require that student cell phones be away and out of sight for the duration of each class period. This includes the use of other Personal Electronic Devices (PEDs) during class time, including ear buds, headphones, and handheld video games.

Policy Overview

No Cell Phone Use During Class Time: Students are prohibited from using cell phones during class time. This includes all forms of communication, social media, games, and any other non-academic activities.

Storage of Cell Phones

Designated Classroom Storage: If a student does not have a backpack or cannot store their phone securely, each classroom will have a designated area for students to place their phones at the beginning of the class. Phones can be retrieved at the end of the class period.

Additional Guidelines

No Phones During Hallway or Restroom Breaks: Students are not permitted to take their phones when leaving classrooms to use the restroom. Students using their phones in hallways or restrooms during class periods will face disciplinary consequences.

Permitted Use Times: Students may use their cell phones before and after school, during passing periods, and during their assigned lunch period.

Emergency Contact: Families are respectfully requested to refrain from contacting students via cell phone during class time. If you need to contact your student during the school day, please contact the Juanita High School Main Office at (425) 936-1600.

Medical Exemptions: Students with documented medical needs, such as using an app to monitor blood sugar, are permitted to use their phones as needed.

JUANITA HIGH SCHOOL CELLPHONES & PERSONAL ELECTRONIC DEVICES POLICY

Enforcement and Consequences

Cell Phone Policy Violation: The teacher will ask the student to store their phone immediately in classroom provided storage for the remainder of the period. Phones can be retrieved at the end of the class period.

Non-Compliance: If a student does not follow their teacher's directions, it is considered "willful disobedience." This will result in the confiscation of their cell phone/electronic device by the administration for the rest of the day and contact home.

Repeated Violations: Continued violations will result in escalated consequences, including detention, loss of privileges, or other disciplinary actions as deemed appropriate by the administration.

**JUANITA HIGH SCHOOL IS NOT RESPONSIBLE FOR LOST OR STOLEN

DEVICES. STUDENTS BRING THESE ITEMS AT THEIR OWN RISK.**

JUANITA HIGH SCHOOL GENERAL PROCEDURES

Parent Communication

Messages to Students During the School Day: If a student needs to be contacted during the day, please call the front office. Gifts will not be delivered to students. Balloons and flowers are not appropriate items in the classroom, as they can cause a disruption to the educational process.

Staff Voicemail: You may reach a teacher's voicemail by calling 425-936-1600 and asking to be connected to their voicemail.

Students may see their counselors during school hours and before/after school by appointment. Students and parents also may call the counselor for a telephone conference, or to schedule an appointment. Counselors utilize voicemail and e-mail. Counseling assignments are according to a student's last name. Please check with the counseling office secretary for specific information.

Late Arrival/Early Dismissal Policy

Late arrival and early dismissal are options for students, if they have the necessary credits planned for graduation and have not waived any classes. Late arrival and early dismissal apply only at the beginning and the end of the school day. Juanita is a closed campus, and no students will be permitted open periods in the middle of their class schedules. Students who have late arrival/early dismissal must arrive no more than 10 minutes before class and leave campus not more than 10 minutes after class. Students who cannot do this due to athletics, transportation, etc., will not be considered a candidate for early dismissal.

JUANITA HIGH SCHOOL GENERAL PROCEDURES

School-sanctioned activities, field trips, athletic contests, and other interscholastic events are an extension of the regular school program. All school rules and policies will therefore apply and will be enforced while students are participating in any such activity. Students not in attendance at assemblies will be subject to disciplinary action as outlined in the discipline policy. Students needing waivers can see their case manager, a counselor, or their administrator.

JUANITA HIGH SCHOOL EXTRA CURRICULAR ATHLETICS, ACTIVITIES, & ORGANIZATIONS

Juanita ASB (Associated Student Body)

Student activities are financed through student funds. The greatest source of funding is derived from the purchase of the Associated Student Body (ASB) card. ASB card fee information can be found on the JHS website. The ASB card provides entry to all home events. It permits the purchase of tickets to away KingCo events at a reduced price. The ASB card owner becomes a member of the Juanita Associated Student Body. Important: All students participating in any club or sport sanctioned by the ASB must purchase an activity card to be eligible to participate in those activities. The card may be purchased from the Bookkeeper's Office at any time during the year.

There are many ways to get involved. For more information, please contact the Activities Coordinator.

ASB Class Cabinet

Each class (Freshmen, Sophomores, Juniors, and Seniors) has a cabinet of members that are responsible for organizing class fund-raisers. Members must be dedicated and willing to voice their opinions about class decisions. Applications may be obtained from Cabinet advisors.

ASB Officers

ASB officers are president, vice-president, secretary, treasurer, public relations, spirit commissioners, class representatives and director of technology. Elections are held in the spring. Freshmen class representative elections will take place in the fall.

ASB Activities and Clubs

Activities are a basic part of high school life. In a school the size of Juanita there are activities of many kinds, and new ones get added from year to year. Students who would like to become involved in any of the activities should contact the advisor of the activity.

JUANITA HIGH SCHOOL **EXTRA CURRICULAR ATHLETICS,** **ACTIVITIES, & ORGANIZATIONS**

ATHLETICS: Initial Eligibility

Eligibility Process: All student athletes must complete the eligibility process at the school athletic office for each sport in which they wish to participate. All forms in the Sports Eligibility Packet must be filled out completely. Missing information/signatures will result in a student not being cleared. A clearance card will be issued only when all requirements have been met. NO ATHLETE is allowed to participate until the coach has received an athlete's clearance card. Academic eligibility will be verified by the Athletic office. For more information call the JHS Athletic hotline at 936-1668 or Andelka Pongo at 936-1673.

ATHLETICS: Sports Participation Fee

Prior to turning out for a sport, all students must purchase an ASB card and pay the athletic participation fee; however, sports fees will not be a barrier to participation for qualified students who are unable to afford the fee. Financial assistance is available and is based on financial need. Parents of students who are unable to afford the fee should contact the coach or athletic director at their school. Full refunds of fees will be made to students who are cut by the coaching staff.

ATHLETICS: Academic Progress

Academic progress by the student athletes will be evaluated at the beginning of each sport season, i.e.—Fall, Winter, Spring. In cases where a student is declared ineligible,

WIAA/LWSD due process will be followed. (The WIAA Handbook is available at the Athletic Director's Office.) Responsibility for determining the academic eligibility of athletes shall rest with the Athletic Director. Students deemed to be ineligible will be allowed to practice but not participate in contests until eligibility status is restored.

If a student wishes to appeal the decision, they must notify the Athletic Director in writing within three days. The appeal shall be confined to the record, except in cases of alleged irregularities in procedure, not shown in the record.
