Central Washington University
College in the High School

Interlocal Agreement
2026-2027 Academic Year

Parties
This Interlocal Agreement (hereinafter "Agreement") has been developed between Central Washington University ("CWU") and Bethel School District ("School District") to govern their relationship in administering the College in the High School Program for the 2026-2027 academic year. It is intended to define the conditions under which the School District's students (hereinafter "student") may enroll in CWU courses, and to establish operational rules for enrollment in courses offered at high school sites.

Purpose
The College in the High School Program operated by CWU is intended to provide access for advanced study for qualified high school students in a manner that minimizes enrollment barriers. This Agreement refers to the College in the High School Program at high school locations where students enroll in CWU courses at high school locations. In accordance with RCW 28A.600.287, students will receive college credit from CWU upon successful completion of a College in the High School course.

A. Funding and Fees
This Section A applies to College in the High School student enrollments funding and fees.

1. RCW 28A.600.287, as currently enacted or hereafter amended, defines the College in the High School program for the School District, CWU, and the student.

2. The parties to this Agreement shall maintain documentation supporting College in the High School student enrollment.

3. CWU will provide the Office of Financial Management the required data to collect state appropriations for the College in the High School program.

4. If School District uses CWU Testing Services, the testing fee of $15 per exam taken by each student is automatically billed to the School District on a monthly basis. See Section F for more

information about testing.

5. In the space below, the School District is to indicate who is to receive all testing invoice correspondence. It is important that this person or persons review and verify all invoice correspondences sent from CWU and remit payment to CWU in a timely manner. Payment is due within 60 days of School District's receipt of each CWU invoice. CWU reserves the right to assess interest on past-due amounts, at the rate of 1% per month, in accordance with applicable law.

C. Credits

1. In accordance with RCW 28A.600.287(6), School District must grant high school credit to a student enrolled in a program course if the student successfully completes the course. 2. In accordance with RCW 28A.600.287(7), CWU must grant college credit to a student enrolled in a program course if the student successfully completes the course. Evidence of successful completion of each program course must be included in the student's college transcript.

3. The School District shall establish on a course-by-course basis the amount of high school required or elective credit, or combination thereof, that shall be awarded for each CWU course successfully completed by the student based upon the conversion rate set forth in WAC 180-51-050; one high school credit (Carnegie Unit) is the equivalent of five university quarter credits of course work that is generally designated 101 level or above by CWU.

4. Pursuant to WAC 392-725-200(3), within five School District business days of a student's request for confirmation of credit, the School District superintendent or other designated School District representative shall confirm in writing the amount of high school required or elective credit, or combination thereof, which shall be awarded upon successful completion of the courses.

5. Upon confirmation by CWU of a student's successful completion of College in the High School Program courses, the School District shall record on the student's secondary school records and transcript the high school credit previously confirmed under WAC 392-725-200 together with a notation that the courses were taken at an institution of higher education.

1. The School District and CWU shall independently have and exercise jurisdiction over academic and disciplinary matters involving a student's enrollment and participation in courses, and the receipt of services and benefits from the School District or CWU.

2. Student conduct will be governed by the high school's policies and expectations as it pertains to the student's physical actions and presence in the classroom and in the school during the College in the High School course offered at the high school class period. The CWU academic integrity policy and course syllabus will govern the student's academic performance, expectations, and standards. Please refer to: https://www.cwu.edu/student-life/student-support/student-rights/

F. Testing

Docusign Envelope ID: 03148912-86B2-8A86-805F-B32B7D4FB832

1. School District has the option of utilizing CWU Testing Services to satisfy placement requirements into College in the High School program courses.

2. CWU will waive all Accuplacer Next-Generation testing fees for School District except for the English exam. The English exam is not included in this waiver because CWU has a free self-directed placement that is used to meet the course prerequisite for English 101. CWU will invoice School District monthly for testing services at the rate of $15 per English exam taken.

G. CWU Responsibilities for College in the High School Program

CWU will:

1. Offer authorized and approved CWU courses at high school locations, taught by School District teachers who have gone through the CWU application process and been approved by the appropriate CWU faculty liaison, CWU department chair, and CWU college dean or associate dean.

2. Determine final teacher appointment and eligibility for each course. Approved School District's teachers and courses are identified in Attachment A.

3. Provide access to the online registration system according to the established deadlines for participating students to enroll in university credit options. Appropriate placement testing scores may be required. (Please see registrar catalog (https://www.cwu.edu/academics/academic-resources/course-catalog.php) for official requirements for all courses) Students will be admitted as non-degree seeking, non-matriculated students.

4. Provide clear documentation of academic expectations for students enrolled in each approved course offered at the high school location. The documentation will provide guidelines, as delineated by the course syllabus, for College in the High School students taking college courses.

5. Coordinate team/individual meetings with School District teacher to ensure adherence to syllabi and expected rate of student progress. Meetings will be coordinated, at CWU or the high school campus, as necessary.

6. Depending on program/accreditation requirements, conduct observation of each School District teacher during their first term teaching for new teachers and thereafter at least once every other year and provide feedback on the effectiveness of the classroom experience to the School District teacher and the designated high school official.

7. Provide recommendations to remedy any inadequate performance issues to the designated School District official within 60 days of classroom observation.

8. Remove from the program any instructors who have failed to comply with College in the High School policies or procedures. Noncompliance issues will be handled in consultation with the School District.

9. Arrange to have each CWU approved instructor evaluated using the CWU Student Evaluation of Instruction (SEOI).

Docusign Envelope ID: 03148912-86B2-8A86-805F-B32B7D4FB832

10. Solicit input from CWU approved instructors as appropriate, for development of course final exam.

11. Provide each student the opportunity to visit the CWU campus upon mutual agreement between the School District and CWU.

12. Provide each eligible student with a CWU student ID card if requested.

13. Conduct ongoing research in accordance with WAC 392-725-160 for the benefit of the program and its participants.

14. Provide access to an advisor who can talk about the benefits and implications of taking college courses.

15. In conjunction with the high school, provide students enrolled in CWU classes with suitable access to learning resources and student support services.

16. Inform School Districts of required materials including, but not limited to, textbooks for each college in the high school course. School District will be responsible for purchasing and replacing any required textbooks. See attachment for list of required textbooks if applicable.

17. Pay $200.00 to each School District's attendee if they attended for the entirety of the required Summer Institute training. An attendee is eligible to receive $200.00 for attending more than one Summer Institute only if they are an approved instructor for more than one discipline within the College in the High School program. Attendees must follow the direction provided to them by CWU in order to receive payment.

18. Send a one-time administrative reimbursement to the School District at the end of the academic year, based on the following:

a) CWU recognizes that some of the duties connected to this program can require more or less work depending on the number of students (i.e. the registration process, grading, etc.). The administrative reimbursement is broken down by class size to reflect that additional work. Because additional periods of the same course do not require any extra team meetings or training time the additional reimbursement is meant to reflect further work done by teachers, administrators, support staff, etc. (i.e. the registration process, grading, etc.).

b) The administrative reimbursement will be paid in the amount of $35 per student, up to a maximum of 20 students per class period. CWU will collect the class period data provided by the high schools from the online registration system, Canusia, to determine the reimbursement.

c) School District must be current with all invoice payments to CWU and, when prompted by CWU, provide the Washington State Invoice Voucher form A-19. The administrative reimbursement cannot be processed if this item is not provided to CWU and/or the School District is not current with payment(s). In the space below, the School District is to indicate who is to receive all administrative reimbursement correspondence from CWU:

H. School District Responsibilities for College in the High School Program

School District will:

1. Supervise and evaluate School District teachers per the School District collective bargaining agreement.

2. Ensure each CWU approved School District teacher completes or provides the following for each approved course. Instructors found to be in non-compliance with this section will be removed from the program.

a) Provide a professional and prepared classroom environment. Classes that require laboratory work must meet state safety requirements pursuant to Chapter 246-366 WAC.
b) Submit course syllabus to CWU for approval for each class each term the class is offered
c) Provide each enrolled CWU student with the approved CWU syllabus at the start of the term.
d) Attend individual/team meetings as designated or requested by CWU.
e) Attend yearly summer institute training session in accordance with CWU policy.
    i. New teachers, both brand new to teaching and new to a discipline, who have gone through the CWU application process and have been approved by CWU must attend a Summer Institute training prior to their first time offering a CWU course.
    ii. CWU approved returning teachers who successfully complete the initial training are

subsequently required to attend a summer institute training at least every three years (i.e.. if a teacher attends in 2026, at minimum, they will have to attend in summer 2029 to remain eligible to teach CWU classes). Approved CWU teachers are encouraged to attend the summer institute annually.

iii. Teachers approved in multiple disciplines must be in compliance with the required training for each specific discipline in order to offer CWU courses in the respective disciplines.

f) Allow CWU to conduct classroom observation, either in person or online/remote, at least every other year for each approved course.
g) Coordinate completion of Student Evaluation of Instruction (SEOI) in accordance with the CWU student evaluation process and within CWU's established deadlines.
h) Provide input to CWU faculty on the development of the course final.
i) Ensure students complete course requirements and learning outcomes as indicated in the course syllabi.
j) Assign grades for CWU students who are enrolled in approved courses in accordance with the university established deadlines.
k) Check their class rosters in both their MyCWU and CIHS web portals to verify enrollment and notify CWU of any discrepancies.
l) Notify parents of required parent consent via school's internal notification system

3. In the event an approved instructor is unable to continue teaching their CWU course for a period of 10 consecutive instructional days (an instructional day is defined as a day in which classes are officially being held at the school and count toward the state mandated 180 days of instruction as prescribed in RCW 28A.150.220), the School District must notify CWU. If the instructor is unable to continue, only an approved instructor, who has gone through the CWU application process, attended the required training, and been approved by CWU, may continue teaching the course. If the original approved instructor is unable to continue teaching their CWU course, after missing 10 consecutive instructional days, and no other School District teacher has been approved to offer that CWU course, the course will be cancelled, all students will be dropped from their CWU class, and any charges assessed will be reversed.

4. Respond to recommendations regarding inadequate performance as identified by CWU in accordance with the School District collective bargaining agreement.

5. For mixed enrollment classes, maintain documentation that differentiates instruction and class requirements between high school class and approved CWU course.

6. Ensure that any course materials required by CWU including, but not limited to, textbooks for each College in the High School course, are purchased, maintained, and replaced as necessary, either by the students or the School District.

7. Remit payment within 60 days of receipt of invoice or invoice date, whichever is later, to:

Central Washington University
Cashiers Office
400 E University Way
Ellensburg, WA 98926-7490

Docusign Envelope ID: 03148912-86B2-8A86-805F-B32B7D4FB832

8. In conjunction with CWU, provide students enrolled in CWU classes with instruction and materials for activating and accessing their MyCWU account, learning resources, and student support services.

9. Student teachers can be involved with a CWU course under the direct supervision of an approved and trained CWU College in the High School teacher. Student teachers may co-teach, act in a support role and teach under the direct supervision of the CWU approved teacher. Here, direct supervision means the CWU teacher is always in the room when the student teacher is teaching or supporting the class. In courses involving a student teacher, the CWU teacher remains the primary instructor for the course and is responsible for teaching the CWU curriculum, evaluating students, and assigning all CWU grades. If/when a student teacher is teaching, the CWU teacher must ensure they are teaching the CWU curriculum in the correct manner and following the CWU syllabus. The student teacher will not administer or grade any CWU assessments. Student teachers will not be able to establish a MyCWU or access MyCWU-protected information or resources. Teachers with a student teacher assisting in their CWU course should notify their faculty liaison. Additionally, when scheduling the class observation, teachers should schedule the visit for when they are teaching as opposed to the student teacher as the class observation needs to be of the course's primary and CWU approved instructor. Student teachers are not permitted to teach without the CWU approved instructor present in the classroom.

10. Please indicate what term system is/are your high school(s) using (i.e., when do you put official grades on a student's high school transcripts?). Schools operating on a modified calendar must notify CWU and request any adjustments at the beginning of the academic year.

High School Name(s)	Term Type (Semester, Trimester)
Bethel High School	Trimester
Bethel Virtual Academy	Trimester
Graham Kapowsin High School	Trimester
Challenger Iligh School	Semester
Spanaway Lake High School	Trimester

11. Assist with student registration online in accordance with due dates and deadlines
    a) This includes but is not limited to identifying reviewers for the high school(s). A reviewer reviews each registration and approves or denies a student registration based on several factors including meeting the prerequisite, signed up for the correct class, etc. The reviewer also provides data necessary to process enrollments including class period, test scores, test score sheets, high school GPA range, grade level, and, if needed, a high school transcript or a different college's transcript.

b) It is recommended to have at least one reviewer for every 250 students participating in the College in the High School program. Please plan accordingly at the high school level.

12. Ensure the school district personnel listed in section J.5. regularly review enrollment information provided in Canusia for accuracy. If there are issues with enrollment information, the school is responsible for contacting and working with CWU to resolve any purported issues.

13. Provide any data required by RCW 28A.600.287 to CWU, such as but not limited to: free and reduced lunch recipients and award of high school credit.

14. Pursuant to RCW 28A.600.287, a high school that offers a college in the high school program must include the following information about program courses in a notification to parents and guardians of students in grades eight through twelve, including by email and in beginning of the year packets, and in the high school catalogue or equivalent:

a) There is no fee for public high school students to enroll in a program course for high school credit or for students to enroll in a program course for both high school and college credit.
b) A notification that enrolling in a program course for college credit automatically starts an official college transcript with the institution of higher education offering the program course regardless of student performance in the program course, and that college credit earned upon successful completion of a program course may count only as elective credit if transferred to another institution of higher education.

15. Coordinate with internal information technology or similar department that works with emails to ensure CWU emails for registration and other important communications are not blocked at the student, teacher, and administration levels. This can be done by adding @cwu.edu, @cihs.cwu.edu and @docusign.net to the School Districts approved domains.

I. Term

This Agreement shall commence upon full execution and continue through June 30, 2027. In accordance with WAC 392-725-050, the term of this Agreement shall be limited to one school year.

2. CWU and School District shall comply with all laws, ordinances, RCWs, WACs, and regulations of governmental bodies applicable to the program as well as applicable local policies and procedures. If any part of this Agreement conflicts with current RCWs and WACs, the RCWs and WACs will govern the Agreement.

3. To the extent permitted by law, CWU shall provide access to all CWU documentation as it pertains to this Agreement, to School District, its officers, agents and employees, and to any other agent or official of the federal, state, or local governmental authorities, at all reasonable times, for

Docusign Envelope ID: 03148912-86B2-8A86-805F-B32B7D4FB832

4. The parties acknowledge that regular ongoing communication is vital to the success of the collaborative nature of this Agreement. It is understood that team meetings will be held, as needed, between School District and CWU staff to communicate issues regarding delivery of services under this Agreement.

5. Primary Point(s) of Contact. The Primary Point(s) of Contact are usually the principal, vice-principal, counselor or someone at the district. Each party hereby designates the following to be their Primary Point(s) of Contact under this Agreement and their responsibilities are as follows:

c) Assist with registering students and ensure that all registrations are completed by posted deadlines.
d) Serve as the contact if there are any issues with instructors, registrations, payments, administrative reimbursements, etc.
e) If your school uses CWU testing services, coordinate with the testing department.
f) Work with the CWU Primary Point of Contact on issues

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Central Washington University (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

ii. send us an email to Virginia.Tomlinson@cwu.edu and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..
