PARENT/GUARDIAN CONSENT TO RELEASE ELIGIBILITY INFORMATION FOR FREE AND REDUCED PRICE MEALS OR FREE MILK

Date: August 26, 2026

Dear Parent/Guardian:

If your child is eligible for federal free and reduced-price meal benefits or free milk, he/she also may be eligible for other benefits. To receive these benefits, you must provide written consent to permit school officials to give your name, address, and an indication that your household is eligible for federal free and reduced-price meals or free milk, to representatives of certain programs. **Failure to sign a consent statement that will allow disclosure of this information will not affect your child's eligibility or participation in the school meals or milk programs.**

Some of the programs that may request names and eligibility information to be used to provide benefits, and for which parent/guardian consent is required, include: federal health insurance programs such as Medicaid or Children's Health Insurance program (CHIP), other federal programs, State programs, local health and education programs and other local activities. For example, the disclosure of children's eligibility for free and reduced-price meals or free milk to determine eligibility for free textbooks, free band instruments, holiday baskets, school supplies, etc., or reduced fees for summer school or driver education programs, would require written consent by the child's parent/guardian.

If you wish to provide consent to release information contained in your child's federal free and reduced-price application, to receive other benefits, please complete the following consent statement.

Please call Laura Moreno at 914-238-7200 x10007 if you have questions.

Sincerely,

Joshua Culwell-Block

MEAL SERVICES TO CHILDREN WITH DISABILITIES

Dear Parent/Guardian:

The National School Lunch Program (NSLP) and School Breakfast Program (SBP) aim to provide all participating children, regardless of background, with the nutritious meals they need to be healthy. This includes ensuring children with disabilities have an equal opportunity to participate in and benefit from the NSLP and SBP.

Federal regulations require schools and institutions to serve meals at no extra charge to those children whose disability restricts their diet in such a way that they cannot fully participate in the food service program without some modification to the foods offered or the scheduled menu. If you believe your child needs substitutions because of a disability, please get in touch with us for further information. You must request meal modifications from the school and provide the school with a medical statement from a State licensed healthcare professional or a Registered Dietitian. This medical statement must contain but is not limited to the following:

- Information about the child's physical or mental impairment that is sufficient to allow the school to understand how it restricts the child's diet,
- An explanation of what must be done to accommodate the child's special dietary need,
- The food or foods to be omitted and recommended alternatives, in the case of a modified meal

If you have questions regarding the need for meal modifications, please contact (914) 238-7200 x 10007 for further information.
