Parent Agreement

Name of Student: _____

I/we support our daughter's decision to apply to participate as one of 12 (6/6) students in Cor Jesu Academy / Chaminade's educational exchange with the Institution Sainte Therese in Rambouillet, France.

We understand that if chosen our daughter will spend 13 days visiting our partner school in Rambouillet and staying with a school host family May/June 2027, and that our family would serve as a homestay host for a Sainte Therese student in the fall of 2027 – dates forthcoming. When students from each school are with their host families, the cost for feeding them dinner and entertaining them in the evenings will fall to the host family. By day, each school will plan programming for the visiting students.

We understand that if selected as a host family and student participant we are responsible for providing necessary documents (Health Form, US Passport, Consent to Travel) and payments per the schedule set by the Global Education office. Payments will cover airfare, admissions fees, in-country transportation costs and food (except when with the host family). We also understand that our daughter will need to bring spending money for souvenirs, free day activities, and other incidental costs.

After she is notified of acceptance to the program on September 15th, she will reserve her spot with a deposit of \$500 is due by October 1. (Checks made payable to Cor Jesu Academy). Please return this signed agreement to Ms. Jennifer Ahrens with her application. You may pay the remaining fee in monthly installments finishing before April 1st.

We will meet several times before we depart to go over the itinerary, travel safety, and host family information. A parent meeting will be held in April to discuss logistics for both our trip to France as well as the Institution Sainte Therese visit to the US in October 2027. This meeting must be attended by at least one parent/guardian.
