

USAD Academic Pentathlon

2026–2027 Competition Year

Curriculum Orders for **California** Schools

Participating counties / regions: Fresno, Imperial, Los Angeles, Madera, Merced, Orange, Stanislaus, Tulare, and the online independent charter school competition.

Each school must purchase a site license for the Academic Pentathlon curriculum. All curriculum is electronic (PDF format). **The U.S. Academic Pentathlon Curriculum must be purchased through the online store.** Coaches will set up an account in the USAD store and once paid, they can download the curriculum materials from the store site to share with students.

1. Visit www.usad.org and click "Store".
2. Create an account. (Click "Sign In" and then click "Create Account")
3. Once you have an account, click "Browse Materials" and then click the "Pentathlon" tab.
4. Add the "Pentathlon Curriculum Package" to your cart.
 - a. If ordering in the summertime, look for "Pre-Order Next Season's Materials" at the top left.
5. Add any additional "optional" items to your cart. See chart below.
6. Do NOT purchase the "Participation licenses." Competition coordinators purchase licenses.
7. Click the "Cart" button in the lower right corner.
8. Click "Generate quote" to print a quote/invoice.
9. Give the invoice to the school/district to purchase the curriculum.
10. Districts then have two options:
 - a. Provide the teacher with an electronic copy of the purchase order, so the coach can upload it to their cart to complete their purchase
 - b. Set up a district account and pay for the curriculum with a credit card. Then, district staff must assign the curriculum to each coach who should already be listed under their district. If the coach isn't listed, click "Invite Coach" to enter their name/email and send invite to access the curriculum.
11. Once the curriculum is paid for with a credit card or the PO has been uploaded, the coach can log in to their store account to download the curriculum. Curriculum is typically available within 1-2 business days after payment.
