*Together, we can prepare
today's students
for tomorrow's careers.*

**PARTNER
WITH US TO
BUILD
TOMORROW'S
WORKFORCE**

Madison County Schools Career & Technical Education (CTE) is preparing students with technical knowledge, employability skills, and industry certifications needed to succeed in today's workforce. We invite businesses and industry leaders to partner with us in developing the next generation of skilled professionals.

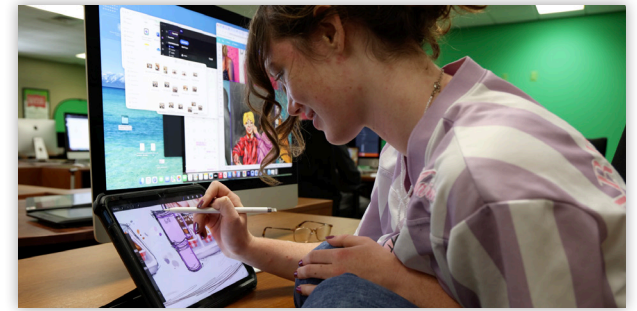

PROGRAMS SEEKING INDUSTRY PARTNERS

- Automotive Collision Repair
- Automotive Service Technology
- Construction & Carpentry
- Electrical
- Engineering & Robotics
- Health Science
- Information Technology
- Multimedia
- Welding

HOW YOU CAN MAKE A DIFFERENCE

- Serve as a guest speaker or crew mentor.
- Host student field trips, job shadowing, or industry tours.
- Donate equipment, tools, materials, or technology.
- Sponsor student recognition programs and classroom incentives.
- Offer internships, apprenticeships, clinical experiences, or employment opportunities.
- Host instructor externships to keep teachers current with industry practices.
- Participate in career fairs and advisory committee meetings.
- Help recruit future CTE students.
- Share your expertise in other meaningful ways that strengthens our programs.

CTE INVESTMENT OPPORTUNITIES

Your financial support helps fund equipment upgrades, industry certifications, student organizations, leadership development, competitions, scholarships and work-based learning experiences.
