

JUMPING INTO FALL 2026 WITH WINCHESTER PARKS AND RECREATION

Back to school means new friends, new experiences, and NEW programs at Winchester Parks and Rec! We've got classes designed just for elementary school kids, including group music lessons, science fun, STEM Minecraft, swim lessons, and competitive swim training. For more details on sessions, visit us online at winchesterva.gov/parks.

HOW TO REGISTER

Go to winchesterva.gov/parks to explore programs and activities offered in your local Parks divisions. On our website, click "Register Online" to sign up through CommunityPass, or visit the Rec Center to register in person.

UPCOMING EVENTS

28 August 2026

NEIGHBORHOOD NIGHTS
at Harvest Ridge Park

29 August 2026

NATURE WALK
at Abrams Creek Wetlands Preserve

16 October 2026

SPOOKY FUN HALLOWEEN
at Jim Barnett Park

MUSIC CLASSES

Discover the joy of music this fall! From singing and dancing to instruments and rhythm, there's something for every young musician. Group piano and ukulele, too!

STEM CLINICS

Exercise your mind with these fun STEM classes! Build, code, and create with Minecraft Education. Learn about space, plants, animals, and the body in Science Fun.

SWIM LESSONS

Swimming is not just for summer! Swim lessons for all ages are offered year-round. We also have Competitive Swim Training (CST) for kids bridging to swim teams.
