CODE OF CONDUCT

In light of Mountain View School's philosophy and objectives, the Lakeland Joint School District's Code of Conduct shall be fair, consistent, nondiscriminatory, and protective of student rights and responsibilities. The code will be distributed to students and parents through each building's student handbook, which may be set forth in synopsis form.

In order to meet the varied needs of elementary and secondary schools within the Lakeland Joint School District No. 272, the Board of Trustees recognizes the need for individual schools and teachers to formulate and enforce additional rules and regulations that will supplement the Board's policies. School and classroom disciplinary rules shall have the force of policy when appropriately applied.

While on school property or under the supervision of school authorities, students shall be subject to the direction of school officials and shall at all times be subject to the rules, regulations, and policies of the district, along with the rules of individual schools and classrooms. Student handbooks may contain a synopsis of school district rules, regulations, and policies. Such policies, verbatim, have been reduced to writing and made available at the building principal's office and the district administration office for review by students and/or parents.
