Home of the Tigers

Welcome to the 2026 - 2027 School Year!

Dear Schumacher Tiger Families,

As we prepare to welcome our Tigers back into the building, I want you to know just how excited our staff is to begin another incredible year of learning, growth, and celebration with each and every one of you. This school year is especially meaningful to me as I begin my 6th year at Schumacher and my 13th year serving Akron Public Schools. It has truly been a privilege to watch our students grow, our staff continue to excel, and our school community become stronger each year. I couldn't be more proud to call Schumacher home.

Our theme this year is "**Soaring to New Heights!**" 🚀

At Schumacher, we know that every child has unique gifts and unlimited potential. This year, we are challenging our students—and ourselves—to dream bigger, work harder, and soar higher than ever before. We will celebrate successes, embrace challenges, and encourage every Tiger to become the very best version of themselves.

As we begin this new year, I want to share something that is at the heart of everything we do:

It truly takes a village to help a child succeed.

Your partnership matters. Whether it's making sure your child comes to school every day, communicating with teachers, helping with homework, celebrating accomplishments, or encouraging perseverance through challenges, you play an essential role in your child's success. Together, we can accomplish amazing things.

This year, we are asking for **all hands on deck**. Our goal is to create a school where every student feels safe, supported, challenged, and inspired to reach their fullest potential.

At Schumacher, we will continue to hold every Tiger to **high expectations** because we believe every Tiger is capable of achieving great things. That means we will focus on excellence in four key areas:

- 📚 **Academics** – We will challenge students to think critically, work hard, and grow every day.
- ❤️ **Behavior** – We will teach and reinforce respect, responsibility, safety, and Tiger Pride.
- 🌟 **Social-Emotional Growth** – We will help students build confidence, resilience, and positive relationships.
- 📅 **Attendance** – Every day matters! Being at school on time and ready to learn is one of the greatest predictors of student success.

Our staff is committed to providing engaging instruction, meaningful relationships, and countless opportunities for students to shine. We believe in every child who walks through our doors, and we know that when school and home work together, there is no limit to what our students can accomplish. Thank you for trusting us with your children and for being such an important part of our Schumacher family. I am grateful for your continued partnership and excited to see what we can achieve together this year.

Let's make the 2026–2027 school year our best one yet as we **Soar to New Heights—together!**

With Tiger Pride,

Principal Morgan, Schumacher CLC
