2026-27 TUITION AND FEE SCHEDULE

Tuition is payable in accordance with the terms outlined in the enrollment contract. The tuition deposit is nonrefundable and will be fully credited toward tuition. Refunds of tuition or cancellation of unpaid charges will not be made upon absence, withdrawal, or dismissal. Tuition Refund Plan (TRP) is a program made available to parents to insure a pro-rata refund of tuition in the event of withdrawal. More information on this program is provided by the Business Office.

Lovett utilizes FACTS Management (FACTS), a tuition management company, to provide billing information to families. New families will receive an email invitation from FACTS to set up an account and select a payment plan and payment due dates. Current families will continue with their existing payment plan. Payment plans offered for 2026-27 include:

- Payment in full by July 1, 2026
- Payment of 1/2 balance in July 2026 and 1/2 balance in November 2026.
- Payment of balance over 9 months from May 2026 - January 2027.

Tuition includes lunch and Lovett Parent Association membership. All other charges will be itemized when billed. Past-due accounts are subject to an interest charge of 1.5 percent per month (18% APR), and there is a \$30 fee charged for all returned payments.

FINANCIAL AID

Approximately \$8 million in financial aid is granted to students from all grade levels. Admitted students are eligible for financial aid based on their family's demonstrated need. Families currently receiving aid must submit an application each year. Families applying for financial aid for the first time should visit our website (www.lovett.org) to learn about the requirements.

The financial aid application deadline for the 2027-28 academic year is December 1, 2026. Please contact financial.aid@lovett.org for more information.
