Mission Statement

Jesuit High School, in its mission as a Catholic, Jesuit, college preparatory school, labors to form men engaged in the world who are dedicated to serving God by being open to growth, intellectually competent, religious, loving, and just.

Vision & Values

JESUIT EDUCATION:

1. assists in the total formation of each student;
2. includes a religious dimension that permeates the entire education;
3. insists on respect for the Roman Catholic faith particularly, and for other religions generally;
4. promotes individual care and concern for each student;
5. emphasizes active learning on the part of each student;
6. encourages lifelong openness to growth;
7. affirms that this created world is good;
8. encourages a realistic knowledge, love, and acceptance of self;
9. provides a realistic knowledge of the world in which we live;
10. proposes Christ as the model of human life;
11. celebrates faith in personal and community prayer, worship, and service;
12. serves the faith that does justice, with a particular concern for the poor;
13. seeks to form "men for others;"
14. is an apostolic instrument, in service of the Church as it serves human society;
15. prepares students for active participation in the Church and the local community;
16. values the pursuit of excellence;
17. employs various means and methods to achieve its purpose most effectively;
18. assists in the professional training and ongoing formation of faculty and staff;
19. depends on a spirit of community among:
    - faculty, staff, and administrators
    - the Jesuit community
    - governing board
    - parents
    - students
    - alumni
    - benefactors

Profile of the Graduate of a Jesuit High School at Graduation

OPEN TO GROWTH. The Jesuit High School student at the time of graduation has matured as a person – emotionally, intellectually, physically, socially, religiously – to a level that reflects some intentional responsibility for one's growth (as opposed to a passive, drifting, *laissez-faire* attitude about growth). The graduate is at least beginning to reach out in his development, seeking opportunities to stretch his mind, imagination, feelings, and religious consciousness.

INTELLECTUALLY COMPETENT. By graduation, the Jesuit High School student will exhibit a mastery of those academic requirements for an advanced form of education. While these requirements are broken down into departmental subject matter areas, the student will have developed many intellectual skills and understandings that cut across and go beyond academic requirements for college entrance. The student moreover is beginning to see the need for intellectual integrity in his personal quest for religious truth and in his response to issues of social justice.

RELIGIOUS. By graduation, the Jesuit High School student will have a basic knowledge of the major doctrines and practices of the Catholic Church. The graduate will also have examined his own religious feelings and beliefs with a view to choosing a fundamental orientation toward God and establishing a relationship with a religious tradition and/or community. What is said here, respectful of the conscience and religious background of the individual, also applies to the non-Catholic graduate of a Jesuit High School. The level of theological understanding of the Jesuit High School graduate will naturally be limited by the student's level of religious and human development.

LOVING. By the time of graduation, the Jesuit High School student is well on the way to establishing his own identity. The graduate is also on the threshold of being able to move beyond self-interest or self-centeredness in relationships with significant others. In other words, he is beginning to be able to risk some deeper levels of relationship in which one can disclose self and accept the mystery of another person and cherish that person. Nonetheless, the graduate's attempt at loving, while clearly beyond childhood, may not yet reflect the confidence and freedom of a mature person.

COMMITTED TO DOING JUSTICE. The Jesuit High School student at graduation has achieved considerable knowledge of the many needs of local and wider communities and is preparing for the day when he will take a place in these communities as a competent, concerned and responsible member. The graduate has begun to acquire the skills and motivation necessary to live as a man for others. Although this attribute will come to fruition in mature adulthood, some predispositions will have begun to manifest themselves earlier.

Campus Visitors and Security

During school hours, parents, guardians, volunteers, alumni, contractors, vendors, and other visitors must enter through the Himes Avenue gate, check in at either Hyer Hall or Gonzmart Hall, present a valid government-issued photo ID when requested, and obtain a visitor badge. Visitor badges must be visibly worn while on campus and returned upon departure. Parents bringing items for their sons should follow this procedure. These items will be left with the School Secretary in Gonzmart Hall, who will notify the student.

School buildings, classrooms, athletic facilities, locker rooms, administrative offices, and other restricted areas may only be accessed by authorized individuals. Unauthorized access to campus facilities or failure to comply with visitor procedures may result in removal from campus and, when appropriate, referral to law enforcement.

Use of Jesuit High School athletic facilities, fields, courts, weight rooms, and other campus spaces is reserved primarily for students, faculty, staff, and approved school-sponsored activities. Alumni may be authorized to use certain facilities outside normal school hours when students are not present and no camps, practices, competitions, or other school activities are taking place. Such access is subject to prior approval, facility availability, and the operational needs of the school. Regardless of the purpose of their visit, alumni and other authorized users are considered visitors and must comply with all visitor management procedures, including signing in and displaying a valid visitor badge while on campus. Unauthorized use of school facilities or third-party activities conducted without prior approval from the school are prohibited.

Financial Information

Jesuit High School is a private Catholic school with a limited endowment. The school is not subsidized by the Roman Catholic Diocese of St. Petersburg. Consequently, it is almost entirely dependent for its continued operation on revenue from tuition and the generosity of its benefactors.

TUITION

The tuition for the 2026-27 school year is $23,920. Jesuit High School partners with FACTS (www.online.factsmgt.com) for tuition and fee collection. All families are required to establish an account with FACTS. There are three payment options available at FACTS:

Option #1 - pay the full amount, less a $150 discount, by July 2026.

Option #2 - pay semiannually in July and November 2026.

Option #3 – pay over 10 months, beginning July 2026 and ending in April 2027.
Families who pay in full and receive Jesuit financial assistance will not receive a $150 discount.

In cases of student withdrawal, notification should be addressed in writing to the Principal by completing the school's withdrawal form, which is available from the principal's office. If written notice of withdrawal is received by Jesuit High School prior to the start of classes, the loss of the registration fee and processing fee (if applicable) will be the penalty. After the start of classes, a pro-rated amount of tuition based on the date of withdrawal plus a $500 withdrawal fee will be the penalty. Tuition is earned on the first of each month, August – May. All fees will be due as billed. Any withdrawn student will be required to pay the iPad fee in full or return the iPad to the school. Any iPad paid in full will be the property of the student. Tuition assistance will be adjusted accordingly. Tuition payments and registration fees for the 2027-28 school year will be refunded for any student not given the option of re-enrolling for that year. Academic records will be released only for students who have met all financial obligations. **All communication regarding amounts due will be facilitated by FACTS through email or via the FACTS account online.**

CONTINUOUS ENROLLMENT

All families at Jesuit High School are required to complete the Continuous Enrollment Contract. With continuous enrollment, a student's enrollment contract will remain in effect from the initial enrollment contract until (1) he graduates from Jesuit, (2) the contract is non-renewed for an upcoming school year, or (3) other reasons as cited in this Handbook. Registration fees for the 2027-28 school year will be billed through FACTS in mid-February 2027 and due on March 19, 2027 (the enrollment deadline). A communication regarding the revised schedule of tuition and fees for the 2027-28 school year will be provided in mid-February.

FINANCIAL ASSISTANCE

The school has a financial assistance program that affords limited support to the student body. Allocation of available funds is based on need. Applications are made online through FACTS.

Qualifying for and retaining this assistance is contingent upon three criteria: (1) a demonstrated need for assistance; (2) a satisfactory academic record without deficiencies; and (3) continued good conduct. If a student is placed on Academic Probation or Disciplinary Probation and has received a financial grant, the grant may be terminated at the discretion of the President. **Tuition assistance grants are made on a year-to-year basis; a new application must be filled out annually at a time announced by the Finance Office.** Grants will be applied to tuition according to the payment plan selected at FACTS.

Third Party Scholarship Programs*:
Step Up For Students Scholarship Program (SUFS) and The AAA Scholarship Program: Jesuit High School is a participating school with the SUFS program and the AAA Scholarship Program. SUFS and AAA facilitate the Florida Tax Credit Scholarship and the Family Empowerment Scholarship for Educational Opportunities. These scholarships provide assistance for students in grades K-12 who are Florida residents. **Jesuit requires all students who receive Jesuit financial assistance to also apply for a Florida Tax Credit** Scholarship. Jesuit High School will inform parents as important dates from SUFS and AAA are released; however, **parents are required to adhere to current SUFS or AAA guidelines and monitor communications and/or websites for information regarding deadlines**. **Additionally, parents are required to approve funding invoices as they become available.** For more information please visit, www.stepupforstudents.org or www.aaascholarship.org.

Advanced FACTS Credit: Jesuit High School will apply an Advanced FACTS Credit with the first billing of the 2026-27 school year. This credit will be adjusted when the final amounts of the 2026-27 state scholarships are published. The Advanced FACTS Credit may also be adjusted to align with any differences in actual scholarship payments. Parents are responsible for any additional balance that may exist.

**Third party scholarship awards and Jesuit financial assistance awards can work together. However, the Jesuit financial assistance application will be adjusted by reducing the amount of tuition due by the amount of the third-party scholarship awarded.*

FEES (NON-REFUNDABLE)
Registration: A $500 fee is required at the time of registration each year. This fee is non-refundable. This fee is credited toward tuition. (If for any reason a student will not be able to attend Jesuit, the school would appreciate notification before June 15. This enables the school to plan properly for the coming year and also offers students in its waiting pool an opportunity for admission.)

Processing Fee: There is a one-time new student fee of $200. This fee is nonrefundable and is due at the time of enrollment.

iPad Fee: A $515 iPad fee will apply to all new students. This fee is charged in the first year of enrollment and will be billed according to the payment plan selected in FACTS.

*AP Exam Fee: A fee of $90 will apply to each AP course; the AP Seminar course will carry a fee of $138. These fees are subject to change based on the current College Board fee schedule.

*Parents' Club Fee: A $35 fee per household is required for Parents' Club materials.

*Athletic Fee: Depending on the sport, Jesuit may charge a fee that helps subsidize the cost of team related activities. This fee is charged at the beginning of the applicable sport's regular season to each player on the roster supplied by the Athletics Department. The fee can vary from sport to sport and depends in large part on the number of competitions.

*iPad Maintenance Fee: iPad maintenance fees will be charged in accordance with the 1:1 Program Agreement and Responsible Use Policy.

*Parking Tag Fee: A $20 parking tag fee will apply to eligible students who request through the Discipline Office.

*Retreat Cancellation Fee: If a student must cancel attending within 72 hours of a retreat for which he has previously been registered, a Retreat Cancellation Fee will be charged as follows: $50 – Sophomore Retreat, $100 – Junior Retreat, and $150 – Senior Retreat.

***Asterisked fees are considered incidental fees at FACTS. Incidental fees are billed separate from the payment plan and are due within 20 days of the date charged. The $35 Parent Club fee will be invoiced in August 2026. Combined AP exam fees will be invoiced in November 2026. Also, all subsequent incidental fees will be charged to the FACTS account throughout the year as incurred. Email notifications of these attempts will be made at least 10 days in advance. All families have been enrolled for auto payment of incidental fees, and have the opportunity to opt out through their FACTS account. If opted out of auto payment of incidental fees, families must pay by accessing their FACTS account or through the incidental fee email notification.**

GRADE LEVEL MATERIALS FEE
Course materials (textbooks and digital materials) will be acquired and distributed to all students by Jesuit. Each grade level will have a set fee listed below that will cover these related costs. This fee will be billed according to the payment plan selected in FACTS. This fee **does not** cover AP exam fees, Athletic fees, or the Parent Club fee.

Freshman: $665
Sophomore: $540
Junior: $540
Senior $670

FINANCIAL OBLIGATIONS

Jesuit High School relies on the goodwill and cooperation of parents to meet all financial obligations. If a problem occurs and a delinquent balance exists, students may be notified by the Principal that they are not permitted to take semester exams until the delinquent condition is cleared. Also, outstanding financial obligations to the school can render a student ineligible for athletics and other student activities. Exam exemptions for seniors will be withdrawn if there is a delinquent balance. Those with delinquent balances must clear their accounts before the beginning of each new semester. Transcripts, diplomas, and report cards will not be issued until all financial obligations have been satisfied. Parents will be notified by email and in writing of restrictions ahead of semester exams. This notice will be sent to all parents regardless of which parent may be financially responsible in cases of students with two households.

Students will not be considered registered for a new school year until prior financial obligations have been met. If a family experiences a serious financial problem that may affect their ability to meet their financial obligation to the school, they should contact the school's finance office immediately to discuss the correct course of action.

PARENTS' ANNUAL GIVING (PAG)

While tuition contributes to the education of Jesuit's students, it does not fully cover the true cost of the opportunities that define the Jesuit experience – from academics and faith formation to athletics, arts, and extracurricular clubs and activities. Because Jesuit receives no funding from the Diocese of St. Petersburg or the Society of Jesus, we ask that all parents to please make Jesuit their family's top charitable priority.

Since all of Jesuit's families benefit from the Step-Up for Students Scholarship through the State of Florida, we ask you to please consider make a tax-deductible gift or pledge at a level that is meaningful and appropriate for your circumstances. Pledges may be fulfilled any time before June 30, the end of Jesuit's fiscal year.

Families who make a gift of $2,500 or more qualify for membership in Jesuit's President's Circle and are invited to attend special events each year.

If you are interested in joining Jesuit's Loyal Tiger Club by setting up a recurring monthly gift, please visit www.jesuittampa.org/giving/ways-to-give/loyal-tigers-club

Please contact Holly Thomas, Annual Fund Director at (813) 877-5344 ext. 716 or hthomas@jesuittampa.org if you have any questions or would like assistance making your gift.

On behalf of our students, thank you in advance for your participation and support of Jesuit's mission.

Academic Policies

ADMISSION

Jesuit accepts applicants on the basis of an entrance examination, previous academic performance (grades and standardized test scores), the recommendation of teachers, and the promise of the student's future development in the areas of Jesuit's mission as a Catholic, Jesuit college preparatory school (open to growth, intellectually competent, religious, loving, and just). Admission to Jesuit High School is contingent on the successful completion of middle school in accord with Jesuit's expectations and standards, and at a level and manner consistent with the basis for the original offer of admission. **A final, official transcript from a student's previous school is required before a student can be enrolled in classes**.

Normally, Jesuit High School accepts qualified students only into freshman year. Each year, as space permits, the applications of a select number of sophomore transfers are considered. In general, junior and senior transfers are not accepted. However, individual decisions are made for all applicants, with special preference given to students transferring from another Jesuit high school.

Incoming students are required to present a statement from their physician that they have received the immunizations required by the State of Florida on DH Form 680 and that their eyes and ears have been recently examined. **Students must also have a doctor's statement that they are in general good health and are free of contagious diseases (DH Form 3040).** These forms are only available from your doctor's office.

LEARNING DIFFERENCES

Jesuit High School only employs traditional classroom teachers. Because of this, only limited responses can be made for those students who have documentation that demonstrates learning differences. Before minor adjustments will be made, learning differences must be disclosed to the school and documentation must be provided to the Counseling Center. Documentation must follow the guidelines specified by the rules of the Florida State Board of Education as required by law (6A.6.03018). These follow the specifications required by national testing agencies. Specific details will be provided upon request. Since Jesuit is a college preparatory school, no modification of course requirements will be made (6A.6.0312). Please note that even after receiving the proper documentation, the process of providing the agreed upon adjustments may take several weeks to put into effect. Special adjustments for semester exams can be implemented only if proper documentation is received several weeks before scheduled exams.

DIPLOMAS

Since Jesuit High School is accredited by Cognia, its diploma receives unconditional recognition at all colleges and universities that belong to this association or similar regional associations. **The Jesuit diploma is an honor, and the school will not publicly confer it upon any student whose conduct is unsatisfactory or contrary to the ethical standards of Jesuit High School.** A student is not considered officially graduated until all graduation requirements are completed, including the Community Service requirement. **Students will not be allowed to participate in commencement exercises unless all graduation requirements have been successfully completed.**

The school will not recommend for college a student who withdraws from Jesuit before the satisfactory completion of his senior year. No student graduating from Jesuit High School will be recommended for college unless he has an eight semester GPA of at least 2.0. A senior who leaves the school of his own accord, or who is required to leave for academic or disciplinary reasons, will not receive a Jesuit High School diploma.

Participation in commencement exercises is a requirement to receive a Jesuit diploma. In order to graduate on stage, all graduating seniors are required to participate in Baccalaureate Mass rehearsal, Baccalaureate Mass, and graduation rehearsal.

GRADING SYSTEM

Alphabetical grades (A-F) are reported twice per academic year on report cards as follows:

Grading Scale		Regular	Honors	Advanced Placement/Multivariable Calculus
90-100	A	4.0	4.5	5.0
80-89	B	3.0	3.5	4.0
70-79	C	2.0	2.5	3.0
60-69	D	1.0	1.0	1.0
< 60	F	0.0	0.0	0.0

Semester grades are recorded on the permanent transcript. Students enrolled in honors courses will have their GPA in those subjects increased by 0.5, provided the semester grade is C or higher. Students enrolled in Advanced Placement courses or Multivariable Calculus through AVLI* will have their GPA in those subjects increased by 1.0, provided the semester grade is C or higher.

With the exceptions of AP Computer Science A–AVLI*, C++ Programming–AVLI*, JavaScript Programming–AVLI*, Understanding Artificial Intelligence–AVLI*, Computer Game Development–AVLI*, Geometry Honors–AVLI*, Pre-Calculus Honors–AVLI*, and Multivariable Calculus–AVLI*, only courses taken at Jesuit High School are counted toward a student's GPA.

* Arrupe Virtual Learning Institute

ACADEMIC HONORS

Honor Roll

Citations are awarded at the end of each of the two semesters (based on the semester average) according to the following criteria:

	Semester GPA	Minimum Grade
Principal's Honor Roll	4.0 or greater	A
Honor Roll	3.0 or greater	B

Graduation

1. The valedictorian of the graduating class is the senior who has achieved the highest cumulative grade point average over his four years at Jesuit High School Tampa. The salutatorian of the graduating class is the senior who has achieved the second-highest cumulative grade point average over his four years at Jesuit High School Tampa. They must reflect high standards of character, leadership, and service in addition to scholarship.

   Since college preparatory, honors, and advanced placement courses have different weighting, a student's choice of courses can affect his overall grade point average and, therefore, honors at graduation. Taking more than the required number of courses can also affect this selection. Only courses taken at Jesuit High School Tampa and approved Arrupe Virtual Learning Institute courses will be included in this calculation.

   In the case of a tie, those tied with the highest cumulative grade point average will be co-valedictorians, and there will be no salutatorian. The valedictory speaker will be determined by the highest total numerical semester grades over the course of senior year. A tie for salutatorian will be handled in the same manner described above.

2. Seniors who have an eight-semester cumulative average of 4.10 or greater graduate *summa cum laude.*

3. Seniors who have an eight-semester cumulative average between 3.80 and 4.09 graduate *magna cum laude.*

4. Seniors who have an eight-semester cumulative average between 3.50 and 3.79 graduate *cum laude.*

ACADEMIC PROBATION

1. Students must maintain a minimum semester average of 2.0.

2. Any student who fails to achieve an overall semester average of 2.0 will be placed on Academic Probation for the following semester. Students on Academic Probation may not hold office or run for office in any student organization, and they will not be eligible to participate in any extracurricular activity, including practice sessions and conditioning. In the middle of the semester, a student on Academic Probation may request reinstatement of his extracurricular participation (please see General Policy on Eligibility). Note that any act of academic dishonesty while a student is on Academic Probation may result in immediate dismissal from Jesuit.

3. A student may be placed on Academic Probation only once during his enrollment at Jesuit. If a student who has previously been placed on Academic Probation would merit a second such probation, he will be subject to dismissal from Jesuit.

COURSE FAILURE - ACADEMIC DISMISSAL

A student must achieve a passing grade in each subject in each semester. A semester grade of D or better is considered passing.

A first semester failure (F) in a course can be remedied if the student achieves a second semester average of C or better in that course. All first semester failures not remedied in this manner must be made up in summer school. Up to two second semester failures can be remediated in summer school. A student who fails three or more second semester classes will be asked to withdraw from Jesuit. Underclassmen who must make up more than one full credit in summer school will not be allowed to return to Jesuit High School. This one full credit can be distributed in the following ways:

1. a one semester failure in two different courses, or
2. a failing grade both semesters in the same one credit course.

Students who do not remedy a semester failure in summer school or who fail summer school will be asked to withdraw from Jesuit.

Upon successful completion of summer school, a student's semester average for the course will be recalculated according to the following formula: 67% semester average +33% summer school final average.

Changes to semester averages as a result of summer school will not change a student's academic probation status.

Seniors who fail a course in the second semester or who do not make up first semester failures through their second semester

performance will not be allowed to participate in Baccalaureate Mass and Graduation and will not receive a diploma until they have made up their failures in summer school.

Any student who is asked to withdraw or who voluntarily withdraws from the school for academic or disciplinary reason will not be allowed to reapply for admission, nor can he receive a Jesuit diploma. Other requests for readmission will be handled on an individual basis.

GENERAL POLICY ON ELIGIBILITY
School administration reserves the right to declare a student ineligible for participation in any extracurricular activity at any time.

Students must meet four criteria to be eligible:
1. They must maintain a cumulative GPA of 2.0 or higher at the end of each semester. Second semester eligibility begins the second week of the semester (FHSAA regulation).
2. They must not have outstanding financial obligations to the school (FHSAA regulation).
3. They must maintain a semester GPA of 2.0 or higher.
4. They must not be on Academic Probation.

Only courses taken at Jesuit High School or approved AVLI courses are counted towards a student's grade point average. A student who does not meet the eligibility requirements stated above will be ineligible for the following semester. In particular cases, an exception may be made by the Principal for those students who meet the first criterion (2.0 cumulative GPA) and the second criterion (no outstanding financial obligations) but not the third and fourth criteria. In such a case, a student may request reinstatement of his eligibility in the middle of the semester. The student should address this request to the Principal in writing.

A student with an unexcused absence from one or more classes during the school day will not be allowed to attend or to participate in any extracurricular activity on that day; this includes practice and conditioning sessions. Students who arrive after 9:00 a.m. without permission from administration will not be permitted to attend or to participate in any extracurricular activity that day, including practice and conditioning sessions.

Students on Disciplinary Notice/Probation or Academic Probation may not hold office or run for office in any student organization.

EXAMINATIONS
Semester examinations take place in December and May. The weight of these exams is determined by each academic department and is used as a significant part of the semester average.

The days of semester exams are made known well in advance of the examination period. Families should avoid making travel plans that conflict with the examination period. Under extraordinary situations, a student may be given permission to take semester exams at a later time. Students who do not adhere to this policy may forfeit the opportunity to take semester examinations, which will result in a grade of zero.

Dates for taking missed exams will be coordinated by the Assistant Principal for Academics. Missed exams will be taken in the same order as found in the original exam schedule.

EXAM EXEMPTIONS
In the first semester, a senior is required to have an A average in a class to earn the privilege of being exempt from the semester exam in that class; in the second semester, a B average is required to earn the same privilege. Since an exemption is a privilege, teachers using a numeric grading system for their classes will establish the exact numerical average needed to earn the required grade for an exemption. Teachers may also require examinations for students who earn the required average but who have failed to complete assignments in the semester. Some teachers may require that all seniors take the exam for their course.

Administration can deny exemptions due to disciplinary reasons or poor attendance. **Any senior who accumulates eight (8) or more absences from a class in one semester will forfeit his exemption for the semester exam in that subject**. This policy applies to foreseen absences, college visits, appointments, and absences due to illness. Exceptions to this policy include participation in school-sponsored activities and absences due to hospitalization or other extraordinary circumstances. Students who have committed major disciplinary infractions and/or have been placed on disciplinary notice or disciplinary probation may forfeit their examination exemptions. Any senior with outstanding financial obligations will forfeit all exemptions. On exam days, students must follow the same attendance procedures as regular school days. Unless approved by the Dean of Discipline, an absence from an exam will result in a grade of zero for the exam.

The Dean of Discipline reserves the right to review attendance consequences in cases involving prolonged illness, hospitalization, or other extraordinary circumstances.

ACADEMIC DISHONESTY

Academic dishonesty in any form, such as plagiarizing an assignment, copying homework, cheating, unauthorized use of Artificial Intelligence (A.I.), or violating testing procedures on an exam, test, or quiz, is morally wrong and constitutes a serious offense at Jesuit. Teachers report students who are academically dishonest to the Dean of Discipline. Once it is determined that academic dishonesty has occurred, any work or assessment, regardless of the extent of the student's involvement, will receive a grade of zero. A record of the incident will be retained for the remainder of the student's Jesuit education. In addition, a student guilty of a first offense on a major assessment (test/essay/project) or a pattern of academic dishonesty on minor assignments will be placed on Disciplinary Notice for one semester or its equivalent. A student guilty of a second major act of academic dishonesty at any time during the remainder of his Jesuit education will receive a zero on the assessment and will be placed on Disciplinary Probation for one semester or its equivalent. A third offense during a student's Jesuit education will result in dismissal from Jesuit High School.

Any act of academic dishonesty while a student is on Academic or Disciplinary Probation may result in immediate dismissal from Jesuit.

Academic Dishonesty includes the following:

Cheating Cheating is improperly taking or giving any information that is used to determine credit. It includes but is not limited to: copying an assessment from another student or providing another student with the assessment to be copied; using or having on one's person answers to any assessment prior to or during the assessment or providing these answers to another student; using an assessment written by or purchased from another person; writing an assessment for or selling an assessment to another person.

Plagiarism The *Random House Dictionary of the English Language* defines plagiarism as "the appropriation or imitation of the language, ideas, and thoughts of another author, and representation of them as one's original work." Plagiarism includes, but is not limited to, quoting someone's work without *proper* citation, following the outline of someone's work without *proper* citation, or restating someone's work without *proper* citation. Any instance of reusing one's own previously submitted work without proper citation or a teacher's permission is considered self-plagiarism. Since plagiarism involves ideas and thoughts, work will be considered academic dishonesty even if it is not identical to the original. If any portion of it is plagiarized, it is considered plagiarized in its entirety.

Artificial Intelligence Any unauthorized work (in whole or in part) created, written, or developed by artificial intelligence (A.I.) is considered academic dishonesty.

Violation of Testing Procedures A violation of testing procedures, while not necessarily cheating, is considered academic dishonesty. During any assessment, students are only to be looking at their own work and silence is to be in effect. Students are expected to remove all materials except those specifically related to the assessment from their desk and person.

Wrist watches, smart watches, Fitbits, cell phones, headphones/AirPods, and/or any other electronic equipment must not be on a student's person during any assessment; these items must be placed in the student's backpack during any assessment. Only Jesuit-issued iPads or actual calculators may be used on assessments where they are allowed/required. Cell phones and other electronic equipment may not be used in place of a calculator or clock. At times, students may be asked to place these away from their desk in a location specified by the instructor.

Any take-home assessment is to be the sole effort of the student. Additional procedures may be specified by the instructor.

Lying Students who lie about their involvement concerning academic dishonesty may be subject to additional disciplinary sanctions. Lying includes but is not limited to dishonesty about one's involvement in academic dishonesty; false accusations; or fabrication/falsification of information or citations.

Academic Integrity It is each student's responsibility to protect his academic integrity. This means he should not "loan" another student his work with the assumption that the other will not copy it or attempt to pass it off as his own. A student who does not protect his academic integrity using reasonable means will be considered to have been academically dishonest. It is assumed that all work assigned by any Jesuit teacher, unless specifically stated otherwise, is the unique work of the student. Work is assigned and graded as a means of assessing the student's understanding of the material. Teachers assess a student's understanding and mastery of material by evaluating how closely the student's work models a perfect answer, explanation, solution, analysis, etc. An assessment will accurately ascertain the student's understanding of the material only if it is the student's own effort. For this reason, the student must accomplish all assessments by himself.

Note: In the section above, **"**assessment" refers to any work, homework, quiz, test, project, paper, etc., that is graded for credit.

CONCUSSION PROTOCOL: RETURN TO LEARN
Once a medical care provider diagnoses a concussion, the following steps will be taken to ensure the student's learning needs are met throughout his recovery.

1. The student obtains documentation, including academic accommodations, from the medical care provider.
2. Documentation is turned into the school nurse.
3. The school nurse notifies administration as well as the student's counselor and teachers to provide them with all academic accommodations.
4. The school nurse provides the school mental health counselor (MHC) with all medical and academic accommodations. The MHC coordinates the student's accommodations for all standardized testing and semester exams.
5. The student returns to school with documented accommodations and gradually increases his workload under the supervision of medical care provider. The student must meet every 2-3 weeks with the health care provider until cleared; documentation/updates must be provided to the school nurse after each visit.

A student in concussion protocol may not return to full athletic participation, i.e., full contact, until he fully resumes participation in academics, classwork, and testing.

Reports/Conferences/Records

REPORTS
Parents receive report cards twice per year. Three times each semester, progress reports are posted in Blackbaud; these give general evaluations of a student's performance in his courses. Parents should check report cards and progress reports for information regarding eligibility and attendance.

BLACKBAUD / CANVAS
Blackbaud is a web-based platform that allows students and parents access to bimonthly term averages, semester exam grades, semester averages, cumulative grade point average, semester grade point average, attendance, discipline records, student account information, course requests, student schedules, and other useful information through a secure password-protected account. Blackbaud may be accessed using the Quicklinks tab at www.jesuittampa.org. Canvas is a web-based learning management system that provides student and parent access to a course calendar, current grades, and daily instructional materials including notes, assignments, and review sheets.

ACADEMIC CONFERENCES
Formal conferences between parents and teachers are held two times during the academic year. The dates of these conferences for the 2026-2027 school year appear in the Parent-Student calendar. A brief time is set aside for parents to discuss their son's progress with teachers. Parents receive notice of these conferences by email. If parents anticipate that they will need an appointment longer than ten minutes, they should schedule time with the teacher for a later date.

STUDENT RECORD POLICY
A student's permanent record may be inspected by the student or his parent/guardian. Information considered to be inaccurate, inappropriate, or misleading may be challenged.

Transcripts include only the following information:
1. Personal information about the student (birth date, date of entry to Jesuit High School, graduation or withdrawal date, Social Security Number, etc.) as required by post-secondary institutions.
2. Final semester grades and cumulative summaries.

Since College Board and ACT offer score choice, and more colleges and universities are requiring scores to be sent directly from College Board and ACT, the Jesuit transcript will not include test scores. Students and parents must arrange to have scores sent directly to the schools when a student submits his application.

Transcripts are forwarded to colleges, universities, other high schools, or other agencies *only* at the request of a student or parent/guardian. Submitting an application to school personnel for completion from a college, university, other high school, or any other agency implies permission to forward a transcript if one is requested in the form.

PROMOTIONAL MATERIAL AND PICTURES
At times Jesuit will use pictures of school activities that include students in promotional materials or on the school's website. Parents should contact the Principal if they do not want their son's image used.

Course Selection

In January, students receive information concerning course selection through their counseling classes. Teachers make course recommendations for their students based on first semester averages. Counselors meet individually with students throughout February and March to place each student into classes using teacher recommendations and the published criteria found in the Curriculum Guide (pp. 9-11) located in Canvas. Recommendations and placements are visible to parents and students in Blackbaud under course requests. The deadline for students to appeal any placement decision is April 15. Forms for appeals are located in the Counseling Center. Department heads, in conjunction with the student's counselor and teacher, make the final decision. Final course placements are visible to parents and students in Blackbaud the first week of June.

Since Jesuit is a relatively small school with a limited number of teachers, courses ***may not*** be offered if enrollment is below 12. If this occurs, students are notified in April so that a replacement course may be selected. Also, due to scheduling constraints, sometimes it is not possible to schedule a student's chosen elective. In this case, the student will be notified by email in June and given his second or third elective choice.

Because the staffing of classes must occur during the first weeks of summer, course selection changes may not be possible after the second Monday in June; t**his includes dropping a class if this causes the class enrollment to drop below 12.** The only guaranteed changes made to schedules after the second Monday in June are those due to clerical error or those made by mutual agreement of the student, his family, and the school due to placement error. A student should talk to his counselor prior to this deadline if he is unsure about an overload course or a particular course level. Honors and AP classes are significantly more challenging both in content and the quantity of work. **Once the school year begins, earning a grade of C in these challenging courses will not be a legitimate reason for a schedule change.**

Under no circumstances will requests for specific teachers or counselors be accepted.

Please note that the nationally administered AP exams are a course requirement for all AP classes at Jesuit except AP classes taken for college credit through Saint Louis University.

Some students are enrolled in courses out-of-sequence because they have earned the credit for the course by examination, or they have transferred into Jesuit from another school and have already received high school credit for the course. Regardless of the reason for courses being taken out-of-sequence, a student must be enrolled in the number of Jesuit courses that will earn the required credits for his grade level (see pages 18-19). If requirements have been satisfied, students will choose from elective choices.

High school and university-level courses taken at other educational institutions may be included on the Jesuit transcript. Parents should put such requests in writing along with the course documentation. These courses will not count towards the total number of credits required at each grade level nor will the grade be included in the calculation of the GPA. Courses offered at Jesuit may not be taken at other educational institutions for inclusion on the Jesuit transcript without prior approval of the Principal. This includes prerequisite and co-requisite courses. Florida Virtual School Classes cannot be used as replacement or prerequisite for any Jesuit courses.

Mission and Formation

The Office of Mission and Formation coordinates all-school liturgies, daily convocations, and the ongoing spiritual formation of the student body. It also oversees peer ministry, Mission Corps, altar serving, OCIA, summer immersion trips, and community service.

RETREATS

The annual retreat program is at the heart of a student's spiritual formation. On retreats, students take an honest look at their lives, better understand where they stand before God, and find motivation for further growth in the interior life.

The standard retreat program for freshmen is a day of reflection with the entire class on campus. Sophomores attend an all-day retreat off campus in smaller groups. Juniors attend a two-night *Kairos* retreat and have an opportunity to attend an additional silent retreat by invitation. Seniors have the option to attend a father/son retreat or a silent retreat. It is mandatory for a student to make a retreat each year. If a student cancels or no-shows a retreat for which he has previously been registered within 72 hours of the retreat's start, a Retreat Cancellation Fee will be charged as follows: $50 – Sophomore Retreat, $100 – Junior Retreat, and $150 – Senior Retreat.

COMMUNITY SERVICE

Jesuit's Community Service Program aims to integrate the value of serving others into the process of learning, with the ultimate objective of giving "greater glory to God." The school expects each student, through his involvement with the Community Service Program, to continually grow during his four years as a "man for others," i.e., a mature Christian person who works with others for the good of others in imitation of Christ.

Each student is required to complete a specified minimum number of service hours based on his grade level. Freshmen are required to complete ten (10) hours, sophomores twenty (20) hours, juniors forty (40) hours, and seniors eighty (80) hours.

Service hours must be completed in projects that serve the following categories: the poor, hungry, or homeless; the sick or injured; the physically challenged; the elderly; the academically challenged; military veterans or veterans affairs; or projects involving the revitalization or beautification of nature. All service hours or projects must be done in person. Service opportunities are regularly posted on the MobileServe bulletin board and are announced during morning convocation throughout the year.

Students can only receive 20 hours per week of volunteering any Jesuit summer camp. Students will not receive hours for: travel; raising money (i.e., 1 hour per $10 raised); altar serving/serving at Sunday church services.

If a senior has not completed and reported his 80 hours by the deadline, he will neither participate in commencement exercises nor receive his diploma; a senior will not be allowed to graduate until all graduation requirements have been successfully completed. If an underclassman has not completed and reported his required hours by the assigned date, he will not be allowed to return as a student to Jesuit High School. Reporting community service hours is the responsibility of each student.

Students must input service hours directly into MobileServe, a web-based platform that can be accessed using the Quicklinks tab at www.jesuittampa.org. Service hours cannot be verified by parents or other students. The Director of Community Service must approve all completed service hours.

Questions about whether a service project meets the service requirement should be emailed to the community service director prior to participation in the project.

Deadlines for reporting community service hours during the school year are as follows: seniors – April 26; underclassmen – May 10. Any questions or concerns should be directed to the Director of Community Service, Mr. Noah Menendez (nmenendez@jesuittampa.org).

Student Services

COUNSELING CENTER

Eight counselors provide students with academic and personal counseling, three of whom provide specialized assistance in the college admissions process at the junior and senior levels. Counselors assist each student in arriving at intelligent and responsible decisions regarding personal and academic matters, and college and career choices. Counselors also meet with students in classroom sessions throughout the year covering topics suitable for each grade level. Topics include:

Freshman year Introduction to school life, good study habits, and college planning; personal adjustment to high school; and drug and alcohol education.

Sophomore year Personal problems, with special emphasis on social media and alcohol and other drugs; human sexuality; a review of good study habits; personal interests in relation to careers and preparation for the PSAT and college planning.

Junior year Review of good study habits; social media; personality in relation to careers; PSAT, SAT, and ACT preparation; the college planning process; selection factors and admissions; college majors/careers, researching colleges, and preliminaries of the application process.

Senior year College choices; college applications and forms; interview techniques; college life; and college placement.

MENTAL HEALTH COUNSELOR
Jesuit currently offers a licensed mental health counselor as a resource for its students. The rules of confidentiality for the Mental Health Counselor are different from those of teachers. In order to build trust with students, the Mental Health Counselor keeps information learned during counseling confidential, with some possible exceptions. The Mental Health Counselor makes the student aware of these limits to confidentiality. Unless an exception exists, information learned during counseling is not disclosed to other staff members, parents, or students unless permission is granted.

MAIA LEARNING
Every student and family are provided with a Maia Learning account, which is used for college preparation, research and applications, and document submission. The platform offers students access to statistical information on college admission selectivity, application types and deadlines, financial aid, college and scholarship searches, careers, and more. A direct link to Maia Learning is available at www.jesuittampa.org under Quicklinks.

FLORIDA BRIGHT FUTURES SCHOLARSHIP PROGRAM
The Florida Department of Education offers two scholarships for high school graduates who will attend a public or private college or university in the state of Florida: The Florida Academic Scholars Award and the Florida Medallion Scholars Award.

Eligibility criteria for the two programs are described below:

Florida Academic Scholars Award
There are two ways to qualify for a Florida Academic Scholars Award:

1. Be a scholar or finalist in either the National Merit Scholarship Program or the National Achievement Scholarship Program; or be a scholar in the National Hispanic Recognition Program; **OR**
2. Attain a minimum unrounded, weighted cumulative GPA of 3.5 or higher in the 16 credits identified by the program as college preparatory courses; **AND**
    - Attain a score of 1330 on the SAT or 29 on the ACT; **OR**
    - Earn the AP Capstone Diploma, which requires students to:
        - Score 3 or higher on AP Seminar & AP Research; **AND**
        - Score 3 or higher on four additional AP exams of their choice; **AND**
    - Complete 100 hours of community service.

Florida Medallion Scholars Award
To qualify for a Florida Medallion Scholars Award a student must meet the following criteria:

1. Achieve a minimum unrounded, weighted cumulative 3.0 GPA in the 16 credits identified by the Florida Board of Regents
2. Attain a score of 1190 on the SAT or 24 on the ACT; **AND**
3. Complete 75 hours of community service

The 16 credits required for both scholarships are:

English (4 credits)	Social Sciences (3 credits)	Natural Sciences (3 credits)
Math (4 credits)	Foreign Language (2 credits)	

The required high school GPA for both programs is calculated after the eighth semester. It is calculated based on the sixteen credits used for the program.

To arrive at the required **weighted** GPA, honors and AP courses, along with our pre-calculus course, receive an additional .50 added to the semester grade in the course. Honors language courses **do not** receive additional weighting for this program. Up to three additional credits in the five areas listed above can be added to the sixteen required credits to improve the GPA for this program. AP Art can be used as one of these additional courses. The honors course in art is not used by the Florida Bright Futures Program.

Florida Financial Aid Application
The Florida Bright Futures Program requires each student to complete an online Florida Financial Aid Application in order for Jesuit to submit a transcript to the program. This application serves as the transcript release form required by the program and also serves as a search for other state of Florida merit and need based funds.

All seniors will be given the opportunity to complete this form during one of their counseling classes.

Information provided above regarding the Florida Bright Futures Program and the Florida Financial Aid Application is the latest information available at printing. The Counseling Center will notify affected students of any subsequent changes to these programs.

For the most up-to-date information, go to https://www.floridastudentfinancialaidsg.org/SAPBFMAIN/SAPBFMAIN.

Health Matters

Students who become ill during the school day should report to the School Nurse in Gonzmart Hall. No student is permitted to leave school due to illness unless a parent/guardian is notified by the School Nurse and Secretary. It is the policy of the school to notify faculty of medical problems noted on health records. Parents who do not wish such information to be distributed should notify the student's counselor.

Often it is necessary for students to take medication. Whenever possible, medication schedules should be arranged so all medication is given at home. If medication must be taken at school, the following guidelines must be followed:

1. Only prescription medication will be administered.
2. Medication must be delivered to school in the container in which it was purchased/dispensed; it is to be delivered to the school by the parent or another responsible adult; a form authorizing the school to administer the medication will be filled out in Blackbaud and signed by the parent to be kept on file; the School Nurse in Gonzmart Hall is the person to whom the medication is delivered.
3. If the medication requires equipment for administering (cup, spoon, dropper), the parent is responsible for supplying the articles, labeled with the student's name.
4. When medication is discontinued or at the end of a semester, medication not taken home by the parent will be destroyed.

Students in need of medical school support due to injury, serious illness, surgery, or medical condition should contact the school nurse. The school's concussion protocol (p.16) will be implemented whenever a student is a diagnosed with a concussion.

Attendance Policies

Good attendance is paramount to academic success at Jesuit. Because of the challenging academic environment that the college preparatory curriculum offers, failure to regularly attend classes can adversely impact a student's progress and grades. A good habit of regular attendance prepares a student for academic success and responsible behavior in college and for life.

Students may not accumulate eight (8) or more absences per class each semester. Absences due to school-sponsored activities will not count toward this attendance threshold. All other absences, including illness, foreseen absences, and college visits, will count toward the attendance threshold. **Consecutive absences of three (3) or more school days are not permitted except in cases of prolonged illness**. Such absences must be verified by a doctor's note upon the student's return to school; failure to provide a doctor's note will result in a student not being permitted to make up missed classwork or homework.

When a student accumulates five (5) absences in a class during a semester, his parents will be notified, and the student will be required to meet with the Dean of Discipline to discuss attendance concerns.

Freshmen, sophomores, and juniors who accumulate eight (8) or more absences in a class during a semester may be placed on Disciplinary Notice and must pass the semester exam to receive credit for the course. Failure to pass the semester exam will result in required in-person remedial attendance for one week during the summer, from June 7-11, 2027.

Seniors who accumulate eight (8) or more absences in a class during a semester may be placed on Disciplinary Notice and must pass the semester exam regardless of the semester grade earned in the course. Failure to pass the semester exam will result in required remedial attendance from May 10-14, 2027 and may jeopardize eligibility for Graduation.

The Dean of Discipline reserves the right to review attendance consequences in cases involving prolonged illness, hospitalization, or other extraordinary circumstances.

UNFORESEEN ABSENCE

The school requires regular and punctual attendance. Parents must report any unforeseen absence by emailing attendance@jesuittampa.org or calling the School Secretary at (813) 877-5344, ext. 506, between 7:30 a.m. and 9:00 a.m. on the day of the absence. Students whose parents fail to notify the school of an unforeseen absence will be deemed truant. A doctor's note is required beginning on the third consecutive day of an absence, for absences that may be related to a chronic illness, and when a student establishes a pattern of illness related absences. In these instances, failure to provide a doctor's note will result in the student not being permitted to make up missed classwork or homework.

FORESEEN ABSENCE

Foreseen absences are planned absences due to a special family event or participation in a special religious, educational (e.g. college visits), civic, cultural, or athletic event. Foreseen absences require notifying the Dean of Discipline in advance and **may not consist of three or more consecutive school days**. The administration asks parents to carefully consider the academic impact of removing their son from school for any extended period of time, including vacations, family trips, and non-school-sponsored events. Absences of this kind are **strongly discouraged**. Students are responsible for communicating with their teachers, arranging for make-up tests and quizzes, and completing all missed work in accordance with each teacher's class policy.

Foreseen absences require the following procedure:

1. **At least two days prior** to a foreseen absence, a parent must notify the school by emailing the School Secretary and Dean of Discipline (attendance@jesuittampa.org) and providing the reason for the absence. Once the Dean of Discipline responds, the student should report to the School Secretary to receive a form to be filled out indicating the purpose and dates of absence(s).
2. The student must submit the form to each of his teachers. On the form each teacher will indicate the student's current grade and give comments, recommendations, and assignments for the student to complete during the absence.
3. The completed form is then returned to the School Secretary for records. Failure to submit the form may result in a Penance Hall. If the student is in academic difficulty or has excessive absences, or if a teacher feels the absence will poorly affect the student's grade, the Dean of Discipline will contact the parents and recommend the student not be absent.

ABSENCES FOR APPOINTMENTS

Appointments, such as those with doctors, dentists, or physical therapists, should be scheduled outside of school hours. If it is not possible to schedule an appointment outside of school hours, the day before the appointment or before 8:00 a.m. the day of the appointment, a parent should email the School Secretary and Dean of Discipline (attendance@jesuittampa.org) requesting an off-campus permit stating the time and duration of the appointment. Upon return from the appointment, a doctor's note or written verification of the appointment must be submitted to the School Secretary to admit the student to class. In these cases, students must sign in and out with the School Secretary.

TRUANCY

A student who is absent without written or verbal notification from parents within 24 hours of the absence will be deemed truant. Any student who leaves school without permission from the Discipline Office or who leaves class without the permission of the teacher will be deemed truant. In either case, truancy will result in a Saturday PH.

MAKEUP WORK

An absence does not excuse a student from his obligation to complete classwork, homework, assessments, or other assignments. Students are responsible for communicating with their teachers, arranging for make-up tests and quizzes, and completing all missed work in accordance with each teacher's class policy.

TARDINESS/MISSED CLASSES/LEAVING CAMPUS

Students are expected to be seated in homeroom or in their place for convocation when the bell rings at 8:00 a.m.; otherwise, their homeroom teacher will mark them late to school. A student who is late to school must report directly to the Discipline Office to sign in and obtain a pass to be admitted to convocation, homeroom, or class.

Students who arrive after 9:00 a.m., miss School Mass, or miss two or more class periods will not be permitted to attend or participate in any extracurricular activity that day, including practice and conditioning sessions, games, performances, etc. Students who arrive to school late due to sleeping in or "not feeling well" will be issued an unexcused tardy. Students who miss half a class period will be considered absent for that class period.

A student will receive a Penance Hall each time that he is late to school (convocation/homeroom) or a class. When a student accumulates seven (7) unexcused tardies in a semester, he will receive a Saturday Penance Hall. Furthermore, each time that a student receives a multiple of seven (7) unexcused tardies thereafter he will receive a Saturday PH and may be placed on Disciplinary Notice.

Students have a serious obligation to report to all scheduled classes at the appointed time and place. A student who is not in the classroom when the bell rings is considered late and will be marked tardy. Students who fail to attend a class must report to the Dean of Discipline.

If a teacher does not arrive at the classroom at the start of a period, the class should remain quietly in the hallway while one student reports the teacher's absence to the School Secretary. Students who leave before they are dismissed will be considered to have skipped class.

Students are not permitted to leave campus at any time during the school day without receiving permission from the Dean of Discipline. The regular school day is from 7:56 a.m. through 3:23 p.m. Special orders and early dismissals will be announced in advance. However, seniors with seventh and eighth periods free may leave school at the end of their last scheduled class unless there is an activity scheduled after eighth period (e.g., intramurals, pep rally, etc.). Seniors must sign out with the School Secretary before leaving; seniors who utilize this privilege and sign out are still eligible for extracurricular activities.

On days for whole-school events (e.g., Fun Day, Mission Drive Day), early sign-out is not ordinarily permitted. On days with orders for intramurals, pep rallies, school assemblies, etc., students may not be signed out after the start of eighth period.

Students should wait for their rides to pick them up under the covered sidewalks adjacent to Loyola Lane. Student pickup is not permitted in the Gonzmart Hall lot or Truist Bank lot. Parents should make every effort to pick up their sons no later than 4:00 p.m.

REFUSAL OF CREDIT

The school reserves the right to refuse credit to a student who misses fifteen (15) or more school days during a semester for reasons

other than participation in school-sponsored activities and absences due to hospitalization or other extraordinary circumstances. This policy applies to foreseen absences, college visits, appointments, and absences due to illness. A senior who misses fifteen (15) or more school days during the semester for any reason other than school sponsored activities or absences due to hospitalization or other extraordinary circumstances may not receive credit and/or lose the privilege of participating in Baccalaureate Mass and Graduation.

WEATHER EMERGENCIES
In the event of a hurricane or other severe weather in the Tampa Bay area, Jesuit will communicate updates on school closure and reopening in a timely manner to parents, students, faculty, and staff.

Please listen to the local news for announcements and check Jesuit social media or www.jesuittampa.org for information related to the closing of school.

Discipline Policies

PHILOSOPHY
The spirit of a school is determined to a large measure by its students. Jesuit High School relies on its students to foster its spirit and advance the objectives stated in this handbook. The regulations and sanctions set forth in this handbook have been designed to ensure the safety of students and staff, to create an environment conducive to learning, and to foster growth in students toward self-discipline and maturity. Students and their parents can help advance the spirit of cooperation the school desires by carefully studying these regulations and sanctions. When students comply with these regulations, they do their part to enhance the sense of community within Jesuit High School.

Students will be placed on disciplinary notice or probation when their conduct warrants more careful observation. This may occur for a variety of reasons including, but not limited to, an accumulation of minor violations.

The number of Penance Halls (PHs) and the category of offense are listed in Blackbaud and on each progress report and report card. Parents should review the specifics of each offense with their sons to get a clearer understanding of their behavior at school. Please contact the Dean of Discipline if there are any questions.

These regulations are not comprehensive. They presuppose goodwill and good judgment. The school considers a student's registration an agreement on the part of a student and his parents that he has read the school regulations and will comply with them.

PERSONAL APPEARANCE/DRESS CODE

DURING THE ENTIRE SCHOOL YEAR
Students are expected to be well-groomed and neatly dressed in accordance with good taste. Since fashions and styles rapidly change, the school reserves the right to determine whether a student's dress and appearance satisfy the school's policy. The dress code is in effect the moment students arrive on campus to the moment they leave campus. Any questions or concerns regarding these guidelines should be referred to the Dean of Discipline.

FIRST AND FOURTH NINE WEEKS
From the start of school to mid-semester Fall and mid-semester Spring to the end of the school year, a student may wear either a collared polo shirt or collared dress shirt with buttons down the entire front. Shirts must fit properly and comply with the shirt guidelines outlined below. Ties are not required during this time.

SECOND AND THIRD NINE WEEKS
From mid-semester Fall to mid-semester Spring, a student must wear a neat dress shirt that fits properly and is of the type with which a tie can be worn. The shirt must have buttons down the entire front and a collar. Freshmen, sophomores, and juniors must wear ties during these eighteen weeks. Ties should be clearly visible and worn properly with the top button of the shirt buttoned. Shirts with button-down collars must have all collar buttons buttoned.

HAIR AND SHAVING
The following dress code will be applicable to every Jesuit student at all school events. These activities include, but are not limited to, summer camps, service projects, etc. In the interest of good grooming, a student's hair must be neat, clean, properly combed, and of moderate height, length, and style. Hair may not touch the collar, eyebrows, or ears; the use of hair products to circumvent the length requirement is prohibited. Dyeing or bleaching hair is prohibited. Perms, shaving of the head, mullets, mohawks of any kind, locs, lines cut into hair, ponytails, buns, braids, cornrows, or other haircuts deemed faddish or offensive will not be allowed. Wigs are not permitted. Hair may not be cut shorter than a #1 clipper guard. A student's face is to be clean-shaven. Sideburns may not reach below the bottom of the ear.

SHIRTS
A student's shirt must be completely tucked in throughout the school day. Shirts with images or sketches, Hawaiian shirts, guayaberas, fishing shirts, and other casual shirts are not acceptable. Shirts may not display any writing, logos (e.g. colleges, pro

sports teams, or organizations), designs, or insignia other than those of Jesuit High School or the manufacturer's trademark. Shirts with button-down collars must have all collar buttons buttoned.

OUTER GARMENTS & HOODIES
Outer garments (jackets, quarter-zips, sweatshirts, and sweaters) must be Jesuit-issued or solid-colored. Outer garments may not display any writing, logos (e.g. colleges, pro sports teams, or organizations), designs, or insignia other than those of Jesuit High School or the manufacturer's trademark. Military fatigues, camouflage, flannel shirts, and denim jackets may not be worn.

Hoodies are defined as any outer garment that includes a hood. **Only Jesuit-issued hoodies are permitted.**

During the second and third nine weeks of the school year, when the dress code requires that ties be worn, freshmen, sophomores, and juniors may not wear hoodies on normal school days; other outer garments that are within school policy may still be worn. Seniors may way wear Jesuit-issued hoodies throughout the school year.

TROUSERS
Neat, solid-colored, dress trousers must be worn to school. The following are not acceptable: denim jeans, joggers, trousers that are faded, frayed, or patched, elastic waistband or drawstring trousers, and elastic ankle bands. Cargo pants and trousers with double stitching may not be worn. Pants must be solid colored, neatly hemmed at the bottom, and may not be worn if frayed at the hems. Trousers are to be worn at the waist so that the belt is visible. Underwear may not be visible above any pants worn to school or to any school activity on or off campus.

BELTS
Belts must be solid brown, light brown, or black with no metal other than the belt buckle. Belts must be worn with trousers which have belt loops. Belt buckles must be of the conventional type with a single square frame and prong.

SHOES
Students are to wear dress shoes with leather uppers. Shoes with cloth/canvas/fabric uppers will not be permitted. This includes, but is not limited to, shoes from the popular Hey Dude brand. Shoe colors are limited to solid colors: brown, light brown, tan, black, or gray; colors such as white, blue, red, or green are not permitted. Shoes that are athletic or athletic/sneaker-inspired or have an athletic logo, multi-colored patterns, chevrons, or stripes are unacceptable. Boots, moccasins, slippers of any type, and sandals are not permitted. Shoes should be laced, in good condition, and worn properly. Visible socks which extend above the ankle must be worn.

OTHER
Hats, hoods, caps, earrings, sunglasses, and body piercing jewelry may not be worn on campus. Tattoos may not be visible. Occasionally in extremely cold weather, the Dean of Discipline may allow students to wear hoods on campus; however, caps and hoods are never to be worn inside any building.

EXCEPTIONS
If a student is unable to be fully in dress code due to a physical limitation brought on by injury, a parent must contact the Dean of Discipline and request prior approval to be out of dress code. If approved, the School Nurse will notify the student's teachers of the student's accommodations.

All school policies regarding personal grooming apply to senior pictures submitted for the senior section of the school yearbook.

These policies also apply for team and individual pictures to be used in athletic programs. Pictures not in compliance with these policies will not be included in these publications.

The Dean of Discipline is the judge of dress and grooming matters. All norms and policies concerning student dress and appearance **apply from the moment the student arrives on campus for the school day or school event.**

SPECIAL OCCASIONS
On special occasions exceptions will be made to the normal school dress code. These will be announced in advance. Examples of these exceptions include:

1. **MASS DAYS** On days when a school-wide Mass is celebrated, all students must wear a dress shirt, tie, and suit or sport jacket to Mass. Jackets must fit properly and be neat in appearance; extreme colors are not permitted. Hoodies may not be worn under jackets.
2. **INTRAMURALS** On intramural or other special days, approved attire is as follows: Jesuit t-shirt, shorts, jeans or sweats, and athletic shoes (no sandals or crocs) may be worn. Socks are always required. Clothes should fit properly and be in good taste. All students are expected to be with their homeroom during intramurals.
3. **SPIRIT DRESS** Spirit Dress is announced to raise school spirit or recognize athletic contests or achievements. Students may wear dress shorts or jeans and athletic shoes and socks if a "Jesuit" shirt is worn. The shirt and/or outer garment must be an obvious Jesuit High School shirt with the name "Jesuit" clearly evident. Clothes should fit properly and be in good taste.

4. **SPECIAL EVENTS** Certain events require that students dress in coat and tie with a dress shirt, dress pants, dress shoes, and dark socks. Some of these are the NHS Induction, the Junior Ring Mass, sports banquets, Senior Day, and the Awards Assembly. The school may require this dress at other events as it deems appropriate. All school regulations regarding the grooming of hair and the wearing of hats, caps, earrings, and body piercing jewelry apply at these events. Noncompliance with these rules will make the student ineligible to participate in the event.

GRADUATION AND BACCALAUREATE MASS

Graduates wear a Jesuit-approved black tuxedo and shoes at Commencement Exercises. For Baccalaureate Mass, graduates wear a cap and gown. Under the cap and gown, a graduate should wear dark dress trousers, a white dress shirt, dark dress shoes with solid dark socks, and a tie. The only item that may be worn over the gown is the NHS stole. All school regulations regarding the grooming of hair and the wearing of hats, caps, earrings, and body piercing jewelry apply at these events. Noncompliance with these rules will make the student ineligible to participate in these ceremonies.

GENERAL DECORUM

Students should address teachers and other staff members in a polite and respectful manner. Individual teachers handle the ordinary discipline of their classrooms. Students are expected to comply with the classroom regulations established by each of their teachers.

Students are always expected to conduct themselves as Jesuit students and to exhibit this behavior accordingly. While the school is not responsible for offenses committed outside of its jurisdiction, conduct which does not uphold the moral standards of a Jesuit student (whether inside or outside of school) renders a student liable to the school's disciplinary actions, including expulsion. Any unlawful activity that results in police intervention may be grounds for expulsion. Students should be particularly aware of their responsibilities whenever they represent Jesuit High School at other schools.

Courtesy and pride in a good school environment require that the campus be kept free of litter. Students who deface, mark, or damage school property will face disciplinary action and pay the cost of repairs/cleaning. All signs, notices, or posters for use at school or school-sponsored activities must be approved by the Dean of Discipline.

Students waiting for rides home should remember that all school rules and sanctions apply when they are on campus. In particular, horseplay and inappropriate language are not acceptable. Students should wait for their rides to pick them up under the covered sidewalks adjacent to Loyola Lane. Student pickup is not permitted in the Gonzmart Hall lot or Truist Bank lot. Parents should make every effort to pick up their sons no later than 4:00 p.m.

BULLYING/HARRASSMENT/HAZING

The American Psychological Association defines bullying as "aggressive behavior that is intended to cause harm or distress, occurs repeatedly over time, and occurs in a relationship in which there is an imbalance of power or strength. Bullying can take many forms, including physical violence, teasing/name-calling, intimidation, and social exclusion." Hazing and any type of initiation by individuals, groups, or teams, regardless of whether or not the student is a willing participant, are not permitted. There is no place for such behavior in a Catholic school. All members of the Jesuit High School community, guests, and competitors both on and off campus must be treated with respect at all times.

The extent to which a student is involved in bullying determines the disciplinary consequences. Very serious acts of bullying may require the convening of a Discipline Board. If the Dean of Discipline determines that a student's involvement in an act of physical, verbal, or cyber bullying is of a serious nature but that it is not necessary to convene a Discipline Board, the student will be suspended from school for a minimum of one (1) day and a record of the incident will be retained for the remainder of the student's Jesuit education. In addition, a student guilty of a first offense will be placed on Disciplinary Notice for one semester or its equivalent. Should a student be found guilty of a second offense at any time during the remainder of his Jesuit education he will be suspended for a minimum of two (2) days, and a Discipline Board will be convened in order to determine further consequences, including expulsion.

The Dean of Discipline determines the consequences for incidents of harassment or hazing based on the severity of the incident and the degree of involvement by the student.

ATHLETIC EVENTS AND OTHER ACTIVITIES

Appropriate behavior is expected of all Jesuit students at all times. Jesuit expects that its players and spectators will always exhibit the highest level of good sportsmanship and appropriate behavior at athletic events. Inappropriate behavior at these events runs contrary to the school's principles.

There is no place for name-calling, verbal threats, or any kind of attempt to harass, embarrass, humiliate, or intimidate others. The use of vulgar, profane, insulting, or abusive language or gestures indicates a lack of respect for others and will not be tolerated. Cheering should support Jesuit's teams without demeaning others. No reference should be made to individual players by name or number.

Students exhibiting inappropriate behavior at any school activity will be ejected and referred to the Dean of Discipline for disciplinary action. A student ejected from a game or other school activity must report to the Office of Discipline the next school morning and may be suspended, may face a Discipline Board, or may be dismissed. The school may require a conference with his parents before allowing him to return.

DANCE REGULATIONS
Jesuit sponsors student dances throughout the school year. These dances are for Jesuit students and young ladies from other schools. Dance rules and guidelines are intended to provide an atmosphere of respect for others and self that flows from the Catholic nature of Jesuit High School.

All school rules as stated in the *Student Handbook* apply at dances and all other school activities. Jesuit students are responsible for the conduct of their dates, who are also expected to abide by the rules of the school. It is important for Jesuit students to review dress codes and rules with their dates in advance of school dances in order to comply with these policies and to avoid any embarrassment.

- **Dancing** Inappropriate styles of dancing have become common in American culture. Inappropriate dancing does not reflect the values of Jesuit High School and will be stopped at all dances. Warnings that remain unheeded will result in the removal of the students involved, parental notification, and, if necessary, disciplinary action.
- **On-Campus Dances** The dress code for Jesuit students for these dances is as follows: Appropriate polo shirt or t-shirt, dress shorts or jeans. Shirts must not have any inappropriate images or writing.
- **General dress code for young ladies at all Jesuit dances** Some current fashions should be avoided at a Catholic school dance. Young ladies may not wear any attire that is too low-cut in the front or the back (no front that reveals cleavage and no back below the waistline), that is too short or has slits on the side (may not reach above finger-tip length), that is sheer and revealing, or that has bare midriff or cutouts revealing the midriff area.
- **Attendance** Students are not permitted to leave a dance and then return at a later time. All students attending the Homecoming Dance or the Junior/Senior Prom must arrive by 9:00 p.m. and remain at the dance until 10:30 p.m.
- In order to purchase a ticket and attend the Homecoming Dance or Prom, a student, his female guest, and both sets of parents must complete and submit to Canvas Policy Acknowledgment and Emergency Contact Forms.
- If a student who has registered and purchased a ticket for the Homecoming Dance or Prom decides not to attend, a parent must notify the Director of Student Activities via email.

HOMECOMING
The Homecoming Dance is a semiformal event. For young men, this means suit, tie, dress shirt, dress slacks, traditional dress shoes, and socks. Sagging pants are inappropriate; only formal accessories are permitted, i.e., no caps or gag suits allowed. Athletic shoes, dress sneakers, athletic-inspired shoes, flip-flops, or casual sandals are not permitted. Shoe colors are limited to solid colors: brown, light brown, tan, black, or gray; colors such as white, blue, red, or green are not permitted. Young ladies may choose to wear a semi-formal cocktail dress, pantsuit, or formal dress. They must also wear appropriate dress shoes. Athletic shoes, flip-flops, or casual sandals will not be permitted.

JUNIOR/SENIOR PROM
The prom is a formal event. For young men, this means a classic/traditional tuxedo or a dark (black, navy or charcoal) suit, tie, dress shirt, dress slacks, traditional dress shoes, and dress socks. Sagging pants are not appropriate; only formal accessories will be permitted, i.e., no caps or gag suits permitted. Athletic shoes, dress sneakers, athletic-inspired shoes, flip-flops, or casual sandals are not permitted. Shoe colors are limited to solid colors: brown, light brown, tan, black, or gray; colors such as white, blue, red, or green are not permitted. Young ladies should wear a formal dress. They must also wear appropriate dress shoes. Athletic shoes, flip-flops, or casual sandals will not be permitted.

CELL PHONES & MESSAGES
Cell phones must be turned in at the beginning of each class period and may only be used for academic purposes under the direction and supervision of a faculty member, or while seated during scheduled free periods and lunch periods.

Any student using a cell phone during class time, passing time, or while walking on campus will have the device confiscated and turned in to the Discipline Office.

First violation: 1 PH issued. Phone is kept with the Dean of Discipline during the school day and must be retrieved by the student no later than 4:00 p.m.

Second violation: 2 PHs issued. Phone is kept with the Dean of Discipline during the school day and must be retrieved by the student's parent(s) no later than 4:00 p.m.

Third Violation: Saturday PH. Phone is kept with Dean of Discipline during the school day and must be retrieved by the student's parent(s) no later than 4:00 p.m.

Parents should refrain from calling or text messaging their sons during school hours. The School Secretary should be called if parents need to contact their son in case of emergency. Students may place necessary phone calls from the School Secretary's office.

Students may not send direct messages (text, iMessage, social media dm, etc.) of a personal or private nature to school employees or volunteers (teachers, coaches, moderators, etc.). In cases where exchanging text messages may be necessary, communication should be limited to matters concerning school activities. Ordinarily, group texts are preferred over an individual message.

OTHER ELECTRONIC DEVICES
During the school day, headphones, ear buds/Air Pods, etc. may only be used under the supervision of a teacher or while seated during lunch or a free period. These may not be worn during passing time while walking through campus. Apple Watches and smart watches should only be used as timepieces during the school day. Apple Watches or smart watches that are misused during the school day will be confiscated and turned into the Discipline Office. The use of electronic devices other than Jesuit-issued iPads, cell phones (during appropriate times), headphones, or smart watches are strictly prohibited during school hours.

The school is not responsible for lost, stolen, or damaged electronic devices that have been confiscated. Abuse of this policy will result in PH and the need for the parent to personally pick up the device at school and meet with the Dean of Discipline.

CAFETERIA, STUDENT COMMONS, OLIVA COURTYARD
All students are responsible for the cleanliness of the cafeteria, commons, and Oliva Courtyard. Courtesy and good manners require that each student clean his place at the table and dispose of trash when finished eating. Students are responsible for their lunch areas and should pick up any food, trash, or papers that have been dropped or spilled. Students are not permitted to consume food or drink in any building other than the cafeteria.

A student may purchase breakfast or after school snacks from the cafeteria using his student ID card (MyKidsSpending) or cash; other students' ID cards should not be used to make purchases. Lunch service is all-inclusive through SAGE Dining; a student may also bring his own lunch from home. Students may not have lunch delivered to the school (e.g., UberEats) without prior administrative approval. Lunches brought to school should be left with the School Receptionist in Gonzmart Hall.

GONZMART HALL
- **ELEVATOR** Student use of the Gonzmart Hall elevator is restricted and requires permission from the Discipline Office.
- **LOBBY** Students have access to the Gonzmart Hall lobby provided they are seated one person per chair. Students are not allowed to lounge on the floor or congregate. Gonzmart Hall is open from 7:00 a.m. until 4:00 p.m. on school days.

ANTINORI CENTER FOR THE ARTS
Students may not congregate or lounge in the Antinori Center lobby or patio during school hours.

HALLWAYS
Students should not congregate in hallways before school. Students are allowed in the hallways of the classroom buildings only during the four-minute passing time between periods. Students should only go to their lockers before school, during passing time, or after school.

LIBRARY
The library is an academic space for quiet study, research, reading, and doing homework. It is not a social gathering place. A studious atmosphere of quiet study must be maintained in all areas of the library, including the computer area and the designated academic game tables. Talk above a whisper is prohibited. Proper respect and conduct are always expected, and all school policies are in place in the library. Students will be dismissed from the library for disruptive and/or improper behavior as determined by library staff.

The library policies are as follows:
1. The library is open from 7:15 a.m. until 4:00 p.m. on school days according to the posted calendar.
2. Student ID cards must be presented before items may be borrowed.
3. Playing electronic games on library computers or Jesuit-issued iPads is not permitted. The school's Internet Access Policies apply at all times in the library. Violations will result in a PH and dismissal from the library.
4. All materials borrowed from the library must be checked out with the librarian in the library office. Taking materials from the library without first checking them out is a serious offense and will result in appropriate consequences.
5. With the exception of reference materials and reserve items, materials may be checked out for three weeks and renewed for three additional weeks. Only one renewal is permitted.
6. Each student is responsible for any material he withdraws from the library, even if he lends the material to someone else. Students must pay for lost or damaged materials.
7. Students must abide by the school's IT policy. Students should notify a librarian if having a problem with a computer.
8. Only school-related materials may be photocopied on the library's copier with the permission and assistance of the librarian.
9. School policies regarding cell phones and all other electronic devices apply in the library. Violations will result in a PH and dismissal from the library.
10. Food, drink, candy, and gum are not permitted in the library. These items must not be in sight or on top of tables or workstations. Bottled water with a secure cap is permitted. Violations will result in a PH and may result in dismissal from the library.
11. Violations of the school's and library's published behavior policies will result in dismissal from the library and/or PH. Continued violations will be handled by the Dean of Discipline.
12. Students are not permitted in the classroom area of the library without permission from the library staff.

SCIENCE LABS
The science department is concerned for the safety of each individual student. To this end, safety issues in the laboratory are addressed at the start of each school year, with specifics emphasized before each experiment. All courses provide students with safety guidelines specific to that course and this information is shared with parents. Student actions that specifically ignore teacher instruction will result in both academic and disciplinary consequences, even though distinction can be made between an accident and a willful act. Academic consequences may vary from a reduction in grade or a grade of zero on the lab activity directly relating to the offense, to the inability to return to the lab unless teacher generated conditions are met after consultation with the Dean of Discipline. Disciplinary consequences may vary from an in-school suspension to facing a Discipline Board.

PERSONAL FITNESS
Parents should write the School Nurse to request an excuse from participating in the physical activity of a Personal Fitness class. A doctor's note is required if a student cannot participate in Personal Fitness for an extended period of time. Students must wear regulation gym attire (Jesuit t-shirt, Jesuit shorts and athletic shoes) when participating in Personal Fitness class. Wallets, watches, money, and valuables of any kind must be locked in any available PE locker during class. Students are to supply their own locks.

COUNSELING CENTER
The Counseling Center is neither a study hall, testing area, nor a recreation area. Food and drinks are not permitted. Its use is restricted to those students waiting to see counselors. Students are encouraged to meet with counselors during their free periods, lunch, or when scheduled by their counselor. Students are not permitted to miss class for counseling unless it is deemed necessary by the counseling department. Classroom Admit slips will only be issued for scheduled meetings or emergencies.

FREE PERIODS
During the course of the school day, students may have periods when they do not have a scheduled class. If used properly, this time helps to teach students to organize their time effectively. Students may use free periods to:

1. meet with teachers for assistance;
2. meet with counselors;
3. study or complete assignments;
4. eat lunch in the Cafeteria or Student Commons;
5. socialize with classmates if needed work or study is up to date.
6. receive treatment in the training room under the supervision of the school trainer.

It is not appropriate to engage in any type of horseplay or other activity that could endanger anyone or disturb classes. Students who misuse their free periods could be assigned to another closely supervised activity.

AUTOMOBILES/DRIVING/PARKING
Cars parked on Jesuit property are subject to search if administration believes the safety of the student himself or the student body is in jeopardy.

When driving on school property, students must observe a 5-mph speed limit. Drivers must yield the right of way to pedestrians on school property. Horns may be sounded only to warn a person or animal of imminent danger. The school will not tolerate reckless or dangerous driving in the vicinity of the school. To respect the environment of the school and neighborhood, loud car sound systems must not be played on campus or in the adjacent neighborhood. Students who drive recklessly or do not follow the school's other polices regarding automobiles on campus may lose their campus driving privilege.

Students must register any car they intend to drive to school by purchasing a parking pass for $20. A student must register his car through Canvas – a valid driver's license, proof of insurance, license plate number, and parking form are all required to complete the registration process. **Parking tags must be visible and properly affixed to the rearview mirror.**

Students may only park in the areas designated for student parking in the Underclassman Lot, the Senior Lot, and the North Lot; students may not park in the East Lot or Truist Bank lot. **Parking is at the driver's own risk; Jesuit insures neither students' cars nor the contents of students' cars. Jesuit High School cannot be responsible for theft or damage**. Cars must be locked.

Seniors will be assigned parking in either the North Lot (behind Hyer Hall) or Senior Lot (adjacent to the Antinori Center). Underclassmen must park in the Underclassman Lot or North Lot. Students may not park along Loyola Lane or Emerald Avenue, in front of Gonzmart Hall, at Truist Bank, in front of the Jesuit Residence, in the maintenance parking lot, or in any of the emergency or access lanes. Students not properly parked in a marked space dedicated for student parking on campus will be subject to disciplinary measures, including possible revocation of campus driving and parking privileges.

Jesuit High School does not have a formal parking arrangement with Al Lopez Park with respect to Jesuit students. The school does not approve of, nor does it condone, student parking in the park, neighborhood, or in any off-campus public and private lots and streets. Students who choose to park off campus presume the potential risks and liabilities that could arise in regard to that choice.

Students are not allowed in parking lots during the school day. If a student genuinely needs to go to his car, he must receive permission from the Dean of Discipline or Assistant Disciplinarian. No teacher may give a student permission to enter the parking lots during the school day. Students may not congregate in the parking lots either before or after school.

BOUNDARIES
Students are not allowed in any construction area and under no circumstance are permitted to enter or cross into fenced construction areas of campus. During lunch periods, students are allowed to eat in the cafeteria, the south steps of the gym/concession stand area, and Oliva Courtyard; students may also congregate on the west side of the gym between Building 3 and Faber Hall. During lunch and free periods, the Antinori Center lobby and patio, gym lobby, gym, Tigers' Den, athletic fields, and weight room are not open for student use.

Students are allowed in classrooms, offices, locker rooms, or athletic buildings/facilities only in the presence and under the direct supervision of a faculty or staff member. Students are to use existing concrete sidewalks as they travel on campus. Students are not permitted to cut through grass areas.

LOCKS AND LOCKERS
Jesuit High School will not accept responsibility for a student's books or other personal property. Books and other belongings are to be kept in a locker. Upon entering Jesuit High School, each student is issued an official combination lock. If a lock is stolen or misplaced, a new school lock must be purchased. Only official school combination locks are to be used – any non-school lock will be removed. Lockers are the property of the school, and administration reserves the right to search them and their contents.

Freshmen are assigned lockers for personal use; sophomores, juniors, and seniors may opt-in to locker usage on a first-come basis. Every student should be concerned with the proper care and maintenance of his locker. Periodic checks will be made. Locker changes must be authorized and approved by the Dean of Discipline. Students should not leave books, backpacks, or personal fitness/athletic equipment in school corridors.

Students should make sure that they have locked their lockers securely. Locker problems should be reported to the Dean of Discipline. To protect themselves against theft, students should not disclose their locker combination.

LOST AND FOUND
The lost and found is located in the School Secretary's office. Students who find property that is not theirs should turn it into the office. Students who lose property should check the lost and found.

THEFT
Theft of any kind constitutes a serious offense against the school community because it is morally wrong and violates the rights of others. Tampering with another student's lock, locker, or personal property is a very serious offense. Such cases should be reported to the Dean of Discipline.

To prevent the loss of personal property, students should not leave their books, book bags, gym bags, athletic equipment, musical instruments, or articles of clothing unattended anywhere on campus. They should keep these items in their lockers or on their person. Students should not bring to school valuable items such as excessive cash, expensive jewelry and watches, non-school-related electronic devices, etc. **The school cannot be responsible for these costly possessions.**

Responsible Use Policy

In order to enhance educational opportunities in and out of the classroom, all Jesuit High School students are issued an Apple iPad for use during the school year. Students also have access to other technology resources in computer labs and across campus. The Responsible Use Policy is intended to provide guidelines for the proper use and care of the iPads and other technology resources and to protect students and the school from liability resulting from any misuse of the Jesuit managed iPad or other technology resources**.** Student use of technology, including Jesuit managed iPads, other school-owned computer resources, and personally owned devices, must be used in accordance with the mission and philosophy of the school, as well as all policies set forth in the Student Handbook. Teachers may set additional requirements or restrictions regarding the use of technology in their respective classes. The use of non-Jesuit-managed iPads or other electronic devices is prohibited during school hours.

The Jesuit managed iPad remains under the supervision of Jesuit High School, and its use should be in accordance with this policy. Failure to observe the rules outlined in the Student Handbook could result in disciplinary action.

The goal of this program and the general access to technology resources is to enhance the academic experience at Jesuit, and these policies are intended to support that goal. In order to maintain the integrity of the program, all students and parents/guardians must acknowledge and agree to the following conditions of use:

1. **General Requirements**
    a. Students are required to bring the Jesuit managed iPad to school fully charged and in working order every day.
    b. Students are required to maintain adequate storage space for all academic activities on the iPad and will move or delete any

personal data and media when necessary to make space available.

c. While on campus, students are required to connect the Jesuit managed iPad to the wireless network designated for students.
d. Students are required to remain connected to the approved student wireless network at all times. In addition, the Bluetooth setting must also remain on at all times. Airplane Mode is not permitted during school hours.

2. **Privacy**
   a. Jesuit has the right, but not the obligation, to confiscate and view the contents of a student's iPad or other electronic device at any time. The student has no expectation of privacy with respect to the iPad or any other electronic device brought to campus.

3. **Responsible Use**
   a. Student use of the iPad and other electronic resources conforms to standards expected in the use of other school resources. Students shall not access or transmit inappropriate, illegal, or material of a violent nature in any form or manner. Inappropriate material includes, but is not limited to, offensive or sexually explicit material (whether text, image, or lyric based), or material accessed in violation of copyright laws. Harassment of any kind is unacceptable.
   b. Students shall not use the iPad or any electronic devices for dissemination or publication of any material which jeopardizes the good name of the school, which is detrimental to the common good, or which is harmful or offensive to members of the school community. This includes, but is not limited to, the sending or posting of inappropriate material on any blog, chat room, social media app/platform, AirDrop, or website, and may result in disciplinary action.
   c. **Student use of the iPad, cell phones, or other electronic devices to photograph, video, or make audio recordings is strictly prohibited in the classroom and around campus unless expressed permission is granted by a teacher. Students may not photograph, video, or record any person without that person's expressed consent to the recording. Any use of cameras in restrooms or locker rooms, regardless of intent, is strictly prohibited and will be regarded as a serious violation. Whether on or off campus, the student agrees that no cell phone or Jesuit managed iPad will be used to take inappropriate, illicit, or sexually explicit photographs or videos, nor will any device be used to cause harm or misrepresent the school.**
   d. Students may not send direct messages (text, iMessage, social media dm) of a personal or private nature to school employees or volunteers (teachers, coaches, moderators, etc.). In cases where exchanging text messages may be necessary, communication should be limited to matters concerning school activities. Ordinarily, group texts are preferred over an individual message.
   e. Friending, following, or making similar connections with current school employees or volunteers (teachers, coaches, moderators, etc.) is forbidden from personal accounts on social networking sites including, but not limited to, Facebook, X (Twitter), Instagram, Snapchat, TikTok and YouTube.
   f. The student is responsible for all content on his iPad, cell phone, or other electronic devices. If a student receives content on any electronic device that he finds in conflict with any school policy, it is the student's responsibility to report that content to the Dean of Discipline or the Technology Department immediately.
   g. Students are prohibited from changing the "Date & Time" setting on the iPad. Changes to the "Date & Time" can have negative effects on the iPad and can prevent essential school services from functioning correctly.
   h. **Computer Workstations** To ensure that Jesuit High School has legally licensed software, students may not install any software not purchased by Jesuit High School. Furthermore, students may not alter the hardware or software configuration of the computer workstations.
   i. **Computer Accounts and Security** Each student is provided with a computer account and an associated password, which provides an associated jesuittampa.org email address along with access to computer workstations and a variety of technology resources including Canvas, Blackbaud, Maia Learning, Office 365, and Google Apps for Education, etc. Use of this account and any related service must be in accord with this Responsible Use policy. Students may not use their school email address to register for personal, non-educational third-party services (e.g., gaming accounts, social media platforms, personal retail accounts, etc. Protecting one's password is important in securing digital identity and access to resources. No student should ever share his password with another student, and it is unacceptable for any student to use another student's password to gain access to any account or service. If a student feels that his password has been compromised, he must see the Technology Department for assistance with changing his password.
   j. **Online Communication**
      i. Students should not provide personal information to people they do not know over the Internet.
      ii. Students should never share passwords or passcodes.
      iii. Students may not send messages anonymously or as a sender other than themselves.
   k. A student may store his personal media on his iPad. Students are responsible for backing up that media – Jesuit is not responsible for loss of student's media. Media stored on the iPad should not be offensive, profane, bullying/threatening, pornographic, obscene, rumors/gossip, sexually explicit, or other content not aligned with the school's mission and philosophy.
   l. The following items qualify as prohibited use of technology at Jesuit High School, including, but not limited to, the Jesuit-issued iPad, the Jesuit network, any other Jesuit-owned computers, cell phones, or other personal electronic devices:
      i. Any action that violates existing school rules or public law
      ii. Any action that goes against or which is not aligned with the school's mission and philosophy
      iii. Any action that can be deemed as cyberbullying

iv. Any form of jailbreaking or tampering with the software or hardware on the iPad, including but not limited to VPN/Proxy apps, or attempting to delete or bypass the management profile.
v. The illegal installation, use of, or transmission of copyrighted materials
vi. Posting material authored or created by another user without his/her consent or posting content or sending messages anonymously
vii. The sending of unwanted or solicitous email, commonly known as spamming
viii. The use of or possession of hacking software
ix. The use of the school's internet or email accounts for financial or commercial gain, advertising, or political lobbying
x. The use of the school's internet or email accounts for any illegal activity
xi. Bypassing the Jesuit High School Internet content filtering service through a VPN, web proxy or other method
xii. Gaining access to another student's or faculty member's account, files, or data
xiii. Gaining access to a faculty member's iPad or laptop
xiv. Gaining access to classroom devices or technology without permission (e.g., AppleTV, projector, etc.)
xv. The creation, sending, accessing, uploading, downloading, or distribution of offensive, profane, bullying, rumors or gossip-related, threatening, pornographic, racially offensive, harassing, illegal, obscene, or sexually explicit materials
xvi. Performing unethical actions including, but not limited to, plagiarism, cheating, or unauthorized collaboration (e.g., texting answers or taking pictures of exams, homework, tests and quizzes)

4. **iPad Care and Maintenance**
   a. Students must keep the iPad in the Jesuit provided protective case at all times.
   b. Students are required to maintain a passcode on the iPad. Students should not share this passcode with anyone. If a student has forgotten his passcode and cannot access his iPad, he should contact the Help Desk immediately.
   c. Students are required to charge their iPads each evening for use during the next school day. Students will not be permitted to charge iPads during class.
   d. Students are required to backup all app data, notes, course content, and data being used for academic purposes through their Jesuit Apple ID iCloud account.
   e. Students will maintain their iCloud storage such that they are backing up school-related content and academic materials first.
   f. Students may choose to backup personal content through their iCloud accounts so long as this storage does not interfere with the storage required for course materials. If a student exceeds the storage available in iCloud for backups the student may purchase more storage. Jesuit High School is not responsible for any lost data.
   g. Students will immediately report any issues they are having with their iPad to the Help Desk including, but not limited to, software problems, damage, loss, or theft.
   h. Students are required to have the iPad on their person or in a secure location at all times.
   i. Students are not permitted to lend the iPad to other students, friends, or family.
   j. Students are not to install iOS updates until they have received guidance from the Technology Department to do so. Students must perform these operating system updates when instructed to do so by the Technology Department. These major updates should be installed after school hours.
   k. Students may not physically alter the iPad in any way, including, but not limited to, applying stickers, labels, markers, or other markings or writing.
   l. Students should clean the screen with a soft, dry, microfiber cloth or with a screen cleaner designed for glass/LCD type screens. Items such as paper towels or dish cloths should be avoided.

5. **Internet Websites and Accounts Policy**
   a. No student may create or maintain a website, create social networking accounts, or create an internet presence of any kind that represents, or suggests to represent, Jesuit High School or any club, group, organization, or activity of Jesuit High School or makes use of any Jesuit High School logos, images, etc.

6. **Financial Responsibilities and Information**
   a. Jesuit-managed iPads are the property of the student but will be remotely managed by the Jesuit High School Technology department for the duration of the student's time at Jesuit. Upon graduation or formal withdrawal, the school's IT department will release the device from remote management, reverting it to a standard personal iPad.
   b. Students must report any iPad damage to the Help Desk immediately. Students are required to report lost or stolen iPads to the Help Desk immediately. In the case of theft, students may be required to file a police report.
   c. The financially responsible party as indicated on the student enrollment agreement is responsible for the full cost of a lost or stolen iPad and any damage charges indicated below:
      i. For damaged iPads, AppleCare+ for Schools covers each student for up to two incidents of accidental damage every 12 months at no cost. If a student breaks his device a third time in 12 months, the student will be required to pay the full cost of the damage. Students are responsible for having a working iPad at all times.
      ii. If a student is in need of a repair to his iPad, he **MUST** bring the iPad to the helpdesk at the school. The helpdesk is fully equipped to facilitate the repairs. Most repairs can be completed in a timely manner; students will be given a loaner until the iPad is replaced.
      iii. If an iPad is lost or stolen, the family will be responsible for the cost of a replacement iPad purchased from Apple, Inc. All replacement iPads must be purchased through Jesuit High School in the event that the device is lost or stolen.

iv. If an iPad is damaged and the cost to repair the device exceeds the cost of a replacement iPad from Apple, Inc. a replacement iPad will be ordered, and the family will be responsible for the replacement cost.
v. All financial responsibilities for repair or replacement will be invoiced by the Finance Office.

d. Families will receive detailed information on the purchasing and downloading of digital textbooks and apps prior to the school year.
e. Jesuit is not responsible for any monies assessed to families which result from return/exchange of electronic course materials. To help avoid these assessments, no student should purchase any electronic course materials until:
   i. He has received his Jesuit-managed iPad and his class schedule is final
f. Jesuit is not responsible in any way for the content or for any charges resulting from purchases made from the Jesuit-managed iPad.

7. **Precautions**
   a. In consideration for receiving the iPad from Jesuit High School, each student and his parent or legal guardian agrees not to sue and hereby releases, waives, discharges, holds harmless, indemnifies, and defends Jesuit High School, as well as their respective employees, personnel, staff, volunteers, agents, directors, affiliates, and representatives, from any and all liability, losses, damages, claims, actions, and causes of action of every nature for any and all known or unknown, foreseen or unforeseen, bodily or personal injuries, property damage, or other loss, whether claimed by the student, parent, legal representative, or any third party, relating in any way to the use of the iPad furnished by Jesuit High School to the student.
   b. The educational community of Jesuit High School makes no warranties of any kind, whether expressed or implied, for the service it is providing and is not responsible for any damages the student may suffer. This includes loss of data, non-deliveries, mis-deliveries, or service interruptions. The student is responsible for evaluating any information obtained from the Internet. Jesuit High School specifically denies any responsibility for the accuracy or quality of information obtained through its services. Additionally, Jesuit High School will not be responsible for unauthorized financial obligations resulting from provided access to the Internet. Students using Jesuit High School's devices and services (including with personal devices) agree that they waive any right to privacy that they may have for any information or file created, maintained, transmitted, or stored in or on Jesuit High School's property, through its technical resources, or on personal devices at school. Jesuit may monitor students' use of technology and may also examine all system activities in which the student participates. Students should know that content including, but not limited to, sexual comments or images, racial slurs or other offensive comments, defamatory, discriminatory, or harassing materials distributed, accessed, or downloaded through IT resources could expose them to legal liability as well as to disciplinary action.
   c. This policy applies to Jesuit High School students at all times, whether or not the students are on campus, as Jesuit High School students are school representatives at all times.

Substance Abuse Policies

In keeping with the Jesuit principle of "cura personalis" (the personal care of each student), Jesuit High School is dedicated to providing a safe, tobacco, alcohol, and drug-free school community.

To this end, Jesuit High School has made a firm commitment to the education of its students, parents, and faculty about tobacco, drugs, and alcohol abuse. The implementation of a firm and fair tobacco and substance abuse policy is paramount to achieving this goal.

Jesuit High School does not condone student use of tobacco, alcohol, or other drugs **at any time in any context**.

TOBACCO, NICOTINE, ALCOHOL, AND OTHER DRUGS

Jesuit High School defines substance abuse as the possession, use, or sale of any controlled substance at school or a school-related event, on or off campus.

According to Chapter 893.13 of the Criminal Code for the State of Florida, "…it is unlawful for any person to sell, purchase, manufacture, or deliver, or possess, with the intent to sell, purchase, manufacture or deliver, a controlled substance in, on, or within 1,000 feet of the real property comprising a public, or private elementary, middle, or secondary school."

Any illegal drugs, narcotics, counterfeit controlled substances, or drug paraphernalia taken from students by school officials will be turned over to proper law enforcement authority.

Any student using, selling, trading, under the influence of, or in either physical* or constructive** possession of tobacco products and controlled substances will be subject to disciplinary action. These offenses constitute possible grounds for expulsion and arrest/prosecution.

*physical possession refers to "on the person" of the student

**constructive possession refers to automobiles, lockers, or book bags that are under the control of (owned, operated, rented, or used by) the student

Controlled substances include, but are not limited to, drugs, hallucinogens, alcoholic beverages, mood-altering substances, prescription drugs, as well as tobacco/nicotine products and/or vaporizing devices and drug-related paraphernalia. The term drug(s) also includes steroids and other performance enhancing drugs as well as the improper use of prescription drugs.

Students found to be in possession of or judged to be under the influence of a controlled substance at school or at any school-related activity will be detained until their parents, guardians, or some other proper authority transports them home. If necessary, a search of the student's car and/or locker will be made before the student leaves. Before being readmitted to class or any further school activity, a conference between the parents and the Dean of Discipline will be held to discuss consequences under the school's substance abuse policies.

In an effort to safeguard and promote a drug-free school environment, and to help students who are in need, the administration reserves the right to mandate drug testing by an approved testing service and/or alcohol breath analyzing testing of an individual when there is a concern regarding violation of substance abuse policy. Students shall be subject to expulsion for refusing to submit to a school-mandated alcohol breath analyzing test or to a laboratory substance screening.

BREATHALYZER TESTING
Jesuit High School believes that the use of breathalyzers is an acceptable deterrent to the use of alcohol by underage drinkers.

Therefore, Jesuit High School administrators may administer breathalyzer tests at school-sponsored events, both on and off campus, to Jesuit students and their guests in order to provide a safe and healthy environment for students, staff, and the Jesuit community.

- Administrators may administer breathalyzer/drug test to students attending dances, theatre performances, athletic events, and other similar school-sponsored events.
- The administrator will administer a test to a student and/or guest upon reasonable suspicion that the student or students was/were under the influence of alcohol.
- The test will be administered in a reasonably private manner (given what is available under the circumstances).

TOBACCO
Any student under the influence of or in physical/constructive possession of tobacco products will face the following consequences:

First violation:
1. A student/parent conference will take place with the Dean of Discipline; and
2. The student will serve a Saturday PH.

Second violation:
1. A student/parent conference will take place with the Dean of Discipline;
2. The student will serve a one-day suspension; and
3. The student will be placed on Disciplinary Notice.

Third violation:
1. A student/parent conference will take place with the Dean of Discipline and the student will be suspended pending the convening of a discipline board.

VAPING AND NICOTINE
Any student under the influence of nicotine or in physical/constructive possession of vaporizing devices/paraphernalia will face the following consequences:

First violation:
1. A student/parent conference will take place with the Dean of Discipline;
2. The student will serve a one-day suspension; and
3. The student will be placed on Disciplinary Notice.

Second violation:
1. A student/parent conference will take place with the Dean of Discipline;
2. The student will serve a suspension; and
3. The student will be placed on Disciplinary Probation; and
4. The student will be referred for drug testing (in the event of a positive test, see below).

Third violation:
1. A student/parent conference will take place with the Dean of Discipline and the student will be suspended pending the convening of a discipline board.

ALCOHOL, DRUGS, AND DRUG PARAPHERNALIA
Any student who admits to using (but is not in possession of or under the influence of) alcohol or drugs will be required to enter and successfully complete a substance abuse assessment and education program and may be subject to periodic drug testing for the remainder of his career at Jesuit.

Any student under the influence of drugs or alcohol, who tests positive for drugs or alcohol, or who admits to using alcohol or drugs in lieu of testing will face the following consequences:

1. A student/parent conference will take place with the Dean of Discipline;
2. The student will be suspended;
3. The student will be placed on Disciplinary Probation;
4. The student will be required to enter and successfully complete a substance abuse assessment and education program approved by the school; and
5. The student will be subject to periodic drug testing for the remainder of his career at Jesuit; a second positive test at any time may result in expulsion.

Any student in physical/constructive possession of drugs will face the following consequences:

1. A student/parent conference will take place with the Dean of Discipline and the student will be suspended pending the convening of a discipline board.

The goal of these substance policies is to care for our students and their proper development. To this end, we expect that student activities in private homes and other locales reflect the same values and philosophy, and we encourage parents to communicate with other parents to achieve these ends. We expect that parents will not provide students access to tobacco, alcohol, or drugs in their homes and that they will supervise students' social activities held at their homes or under their supervision elsewhere.

Safe Environment

Jesuit High School aims to foster a safe and healthy environment for its students and employees. Jesuit is committed to the prevention of child abuse and maintaining a school environment free from sexual harassment and any other forms of abuse. The sections below give further detail to the school's related policies that are in accordance with Florida Statutes, the Diocese of St. Petersburg, and the United States Central and Southern Province of the Society of Jesus.

CHILD ABUSE

For purposes of this policy, child abuse means physical injury, sexual abuse, or emotional abuse inflicted on a child, other than by accidental means, by those responsible for the child's care, custody, and control, or from persons who are agents or employees of Jesuit. In the case of abuse within Jesuit High School, by an employee, agent, or volunteer, whether lay, religious, or clergy, the following explains the process for reporting incidents of suspected abuse:

- The person observing or learning of abuse or suspected abuse shall report the incident to the Principal.
- If the suspected abuse involves the Principal, a report should be made to the President.
- If suspected abuse involves the President, a report should be made to the Chairman of the Board of Trustees, Mr. William Muir at Mr. William Muir at (727) 412-5314, bill.muir@steadfast-partners.com.

SEXUAL HARASSMENT

Sexual harassment is discrimination and will not be tolerated. All employees and students are required to report any act of sexual harassment which they suffer or have knowledge of. Jesuit High School will act to investigate all complaints, either formal or informal, verbal or written, of sexual harassment and to discipline any student or employee who sexually harasses an employee of the school.

Disciplinary Referrals and Sanctions

AFTER-SCHOOL PENANCE HALL (PH)

Any Jesuit administrator, teacher, or staff member may issue Penance Hall. Students who receive an after-school PH must report to the designated classroom immediately after the final bell. The student is required to serve a PH for one (1) hour. A student tardy to or absent from PH will be required to serve an additional PH the following day. The time spent during PH will consist of various reflective activities or other activities on campus as the proctor sees fit.

The following may result in after-school PH:

1. tardy to school or class;
2. restroom misbehavior or violation;
3. dress code violations;
4. littering;
5. having food or drink in any unauthorized area without permission;
6. chewing gum on campus;
7. failure to bring a note after an absence;
8. failure to report to the office after missing convocation;
9. talking in the Chapel or above a whisper in the library;
10. being in the hallways during classes without permission;
11. using the elevator without permission;
12. first violation of the prohibited devices policy;
13. cafeteria misbehavior;

14. failure to report to a teacher when required to do so;
15. any other offense the Dean of Discipline judges worthy.

The following will usually result in one or more after-school PH's:

1. failing to report to a teacher detention;
2. vulgar or obscene speech, writing, or gestures;
3. missing a class;
4. boundary violation;
5. name calling or other disrespect to classmates;
6. classroom misbehavior;
7. arriving at school after 8:30 a.m. without a note;
8. bullying or unwelcome pushing or poking;
9. driving and parking violations;
10. second violation of the prohibited devices policy;
11. minor offenses involving computer/internet policy;
12. being in a parking lot during the school day without permission from the Dean of Discipline's office;
13. any other offense the Dean of Discipline judges worthy.

SATURDAY PH

Saturday PH will be held on selected Saturdays (or some other school holiday) throughout the school year. Students will be notified at least one day in advance as to the exact date and will be required to arrive at school by 8:30 a.m. that morning and may remain until noon. Activities will include custodial and maintenance chores, so students should dress appropriately. Students who are late or miss will be given additional consequences by the Dean of Discipline.

The following offenses will usually result in a Saturday PH:

1. skipping a class/truancy;
2. accumulation of seven (7) unexcused tardies in a semester;
3. continued misconduct in class;
4. retreat misbehavior;
5. behavior that disrupt a proper learning environment and/or a school activity;
6. third violation of prohibited devices policy;
7. three or more absences from School Mass;
8. behavior that results in damage or loss of another student's property;
9. any other offense the Dean of Discipline judges worthy.

SUSPENSION

The student will serve his suspension in a manner determined by the Dean of Discipline. In some circumstances, the student will not attend classes and will serve his suspension at home. Students serving in-school suspension will be prefected by the Dean of Discipline.

The following offenses will usually result in in-school suspension:

1. fighting;
2. serious bullying/harassment of an individual;
3. defacing school property in any way;
4. disrespect, insubordination, or defiance shown to a faculty or staff member;
5. unwelcome comments, noises, whistling, or gestures which could be described as racial, ethnic or sexual harassment;
6. possessing on campus or at any school function any items such as, but not limited to, laser pointers, zip ties, matches, lighters, smoke bombs, or noise makers which could be intended to disrupt a proper learning environment or cause harm;
7. throwing objects that could cause harm;
8. leaving campus without permission;
9. any other offense the Dean of Discipline judges worthy.

For each day of the suspension, the student is subject to receive a grade of zero (0) for minor assessments (classwork, homework, quiz) due in class that day. The student will be allowed to make up major assessments (test/essay/project).

DISCIPLINARY NOTICE

Disciplinary Notice is a warning that a student's behavior is not measuring up to the school's standard and must improve. A written notice is sent to the parents when a student is placed on Disciplinary Notice. Disciplinary Notice will be for a period of one semester or its equivalent. Students on Disciplinary Notice may not hold office or run for office in any student organization.

A student with less than satisfactory behavior, including an accumulation of minor violations, may be placed on Disciplinary Notice or may be asked to leave the school. An evaluation of each student on Disciplinary Notice will be made by the Dean of Discipline in the middle of each semester. If a student on Disciplinary Notice does not improve his behavior significantly as determined by the administration, he may be dismissed from Jesuit. In cases of serious misbehavior, a student on Notice may be asked to leave the

school before the end of the semester. A Discipline Board need not be called to review the case.

DISCIPLINARY PROBATION

Disciplinary Probation is a serious warning that a student is in jeopardy of being dismissed from Jesuit if his behavior does not improve significantly. A written notice is sent to the parents when a student is placed on Disciplinary Probation. Disciplinary Probation will be for a period of one semester or its equivalent. Students on Disciplinary Probation may not hold office or run for office in any student organization. **If a student on Disciplinary Probation has even one incident of misbehavior, he may be dismissed from the school.** Dismissal may occur before the end of the semester of probation. A Discipline Board need not be called to review the case. Note that any act of academic dishonesty while a student is on Disciplinary Probation may result in immediate dismissal from Jesuit.

During the period of Disciplinary Probation, the student's behavior will be subject to review every two weeks. At the end of the period of Disciplinary Probation, the administration will evaluate the student's performance and judge whether or not, and under what conditions, the student may remain at Jesuit.

A student may be placed on Disciplinary Probation only once during his enrollment at Jesuit. If a student who has previously been placed on Disciplinary Probation would merit a second Disciplinary Probation, he is subject to immediate dismissal from Jesuit.

DISCIPLINE BOARD

A Discipline Board will be convened in situations that could possibly lead to a student's dismissal from Jesuit for disciplinary reasons such as:

1. theft;
2. serious bullying or harassment (racial/ethnic/sexual) of an individual;
3. fighting;
4. disgraceful public conduct;
5. continued misbehavior or accumulation of PH's while on Disciplinary Notice or Disciplinary Probation;
6. vandalism;
7. threatening or abusive behavior toward faculty or staff;
8. on campus possession of weapons (including, but not limited to, firearms, BB guns, realistic toy guns, knives, and clubs) or bringing such weapons to school or school related activities;
9. use on campus or at a school function of any items such as, but not limited to, laser pointers, zip ties, matches, lighters, smoke bombs, or noisemakers, which could be intended to disrupt a proper learning environment or activity or cause harm;
10. violation of the school substance abuse policies;
11. major violations of the school computer/internet policies;
12. construction of, ownership of, or contribution to a web site or social media platform that negatively affects the name of the school or any of its students, faculty, staff, or administration;
13. and any other conduct the administration judges serious enough.

A Discipline Board is a group of five faculty members, selected to meet for each case. The following procedures are as follows:

1. The student will be suspended out of school and a student / parent conference will take place with the Dean of Discipline.
2. The Dean of Discipline will present the pertinent facts to the Board. Board members may then ask questions of the student, parents, and the Dean of Discipline. To conclude the proceedings, the student and his parents may then make statements to the Board.
3. Each Board member will then submit a separate recommendation in writing to the Principal.
4. The Principal reviews the recommendations of the Board members, makes a decision, and then meets with the student and parents to inform them of the decision. The Principal's decision is final and is upheld by the President and governing board of the school.
5. Students who are expelled or asked to withdraw are not eligible to receive any awards associated with extracurricular participation, nor can they receive a Jesuit diploma.

Community Outreach

AGMEN CHRISTI

This organization is dedicated to the promotion of a "God first" attitude and the development of the Christian life among its members. Students gather for weekly prayer and discussion and engage regularly in works of charity for those in need. They participate in group service projects in Tampa and beyond, especially among the poor and elderly. Agmen members are to excel as students, exhibit leadership qualities, and be dedicated to the development of their Christian faith. Members are selected on the recommendation of faculty and staff.

ENVIRONMENTAL CLUB

This organization is a chapter of Keep Hillsborough County Beautiful and works with other schools in the county, furthering environmental stewardship. The Environmental Club manages Jesuit's on-campus recycling efforts.

BLOOD CANCER UNITED

Blood Cancer United is a club partnering with the national Blood Cancer United Visionaries program to fund research, support patients, and drive advocacy. Members organize fundraising through emails, calls, letters, and pitches that build communication skills while making a measurable impact for local families facing blood cancers. The club's goal is to help create a world without blood cancers through service and action.

KEY CLUB

Sponsored by the Kiwanis Club of Tampa, Jesuit's chapter of Key Club International meets weekly. Members must pay annual dues, attend weekly meetings, and commit to 25 hours of summer service as well as 5 additional hours of service each month of the school year.

PEER MINISTRY

Peer Ministry is composed of students interested in growing in their faith and helping their peers do the same. It meets every Thursday morning before school and leads most of the student retreats throughout the school year.

PRO-LIFE CLUB

The Pro-Life Club is composed of students interested in learning about and promoting the values of the "Gospel of Life." It is the largest student pro-life group in Florida. The club meets regularly at school and participates in pro-life activities throughout the Tampa Bay area.

STARS & STRIPES CLUB

Dedicated to honoring those who served, members provide meaningful support to local veterans through hands-on service. By bridging the gap between students and heroes, the club fosters leadership and empathy while ensuring our veterans feel valued and remembered.

STUDENTS AGAINST DESTRUCTIVE DECISIONS (SADD)

SADD is a peer-to-peer education, prevention, and activism organization dedicated to preventing destructive decisions. Because vehicle crashes are still the number one killer of teens, the club's primary focus remains on traffic safety. However, because teens face an array of other issues with the potential to affect driving behavior, SADD is committed to providing tools and prevention strategies that also address substance abuse and personal health and safety.

Honor Societies

MU ALPHA THETA
Members of the Mu Alpha Theta are recognized for their achievement in mathematics. It seeks to promote the scholarship in, and enjoyment and understanding of mathematics among its members.

NATIONAL HONOR SOCIETY
Members of the National Honor Society are obligated to fulfill the motto with behavior that is honorable, responsible, and generous to others.

Students are considered eligible for membership in the National Honor Society (NHS) based upon the following criteria:

1. The candidate for membership must have demonstrated outstanding scholarship by maintaining a cumulative grade point average of 3.7 or better. After five semesters in their junior year or six semesters in their senior year.
2. The candidate's discipline record must reflect outstanding character and maturity. Disciplinary Probation indicates a serious offense that may render the candidate ineligible.
3. The candidate must have actively and regularly participated in extracurricular activities at Jesuit High School in a positive manner. This should be a minimum of two extracurricular activities per year. At least one must be a Jesuit High School extracurricular. Extracurricular involvement must extend beyond the club period and help support the mission of Jesuit High School.
4. The candidate must have demonstrated a good, positive attitude toward studies, classroom behavior, general conduct, school life, and the overall program and goals of Jesuit High School.
5. The candidate must have demonstrated outstanding qualities of service to the school community and others. Besides the service guidelines of the *NHS Handbook*, an important indication of the candidate's outstanding service is his more-than-required participation in the Jesuit High School Community Service Program. He must have completed at least 20 hours of community service in the first semester of the junior year.
6. The candidate must have demonstrated outstanding qualities of leadership and character according to the guidelines of the *NHS Handbook*. Leadership and character include the areas of maturity, responsibility, cooperation, courtesy, and morality; they may be demonstrated by consistently setting a good example to which others generally respond favorably. Candidates must receive positive evaluations from current and past teachers, coaches, and moderators in regard to leadership and character.
7. The candidate must have accurately and honestly completed the NHS Student Activity Information Form and submitted it properly by the announced deadline.
8. According to the *NHS Handbook*, "membership is both an honor and a commitment." Therefore, when a candidate is invited to membership and inducted into the NHS, the above criteria become standards for remaining a member of the NHS.
9. Community service hours exceeding the normal school requirement must be earned for sustained membership. During the junior year **ten (10)** additional hours must be earned.

"Serving one another and the community is expressed in the motto of the National Honor Society, *Noblesse Oblige*. Members of the National Honor Society are obligated to fulfill the motto with behavior that is honorable, responsible, and generous to others."
- *National Honor Society Handbook*

QUILL AND SCROLL HONORS SOCIETY
Members of the Quill and Scroll Honor Society are recognized for their achievement in scholastic journalism. It leads its students to seek excellence in the literary arts to further the mission of Jesuit and facilitates the publishing of student work.

RHO KAPPA NATIONAL SOCIAL STUDIES HONOR SOCIETY
Members of the Rho Kappa are recognized for their excellence in the field of Social Studies. It seeks to encourage an interest in, understanding of, and appreciation for social studies.

SPANISH HONOR SOCIETY

The Sociedad Honoraria Hispánica (SHH) is an honor society for high school students enrolled in Spanish sponsored by the American Association of Teachers of Spanish and Portuguese. The SHH recognizes high school achievement in Spanish and promotes interest in Hispanic studies. A student is eligible for membership: 1) if he is actively enrolled in an upper-level Spanish class (Spanish III or higher); 2) has completed at least three semesters of Spanish; 3) has a cumulative Spanish GPA of 3.5 or higher; and 4) has a good behavior record and presents no discipline issues.

INTERNATIONAL THESPIAN SOCIETY (THESPIAN TROUPE)
The Masque's Thespian Troupe consists of club members who have been inducted into this prestigious honor society for high school theatre artists. Thespians earn distinctions and awards based on their results in competitions, contributions to the Masque's theatre productions, leadership, and academic performance. Induction into the society requires participation in the Masque for two consecutive semesters, participation in the District Festival during that time, and at least twenty Thespian points.

Academic & Professional

ENGINEERING & ROBOTICS
As a means of fostering enthusiasm in math, science and technology, the Engineering & Robotics Club, aided by mentors in a variety of disciplines, helps members learn and apply knowledge in engineering, business, and leadership. To showcase their mastery throughout the year, members will design and build a robot for local and state competitions.

JESUIT MASQUE (DRAMA CLUB)
The Masque, Jesuit's drama club, produces two full-length mainstage plays and a student-directed Senior one-act play each year. In addition to acting, members fill important roles such as directing, stage management, design (set/prop/costume/sound/lighting), scenic carpentry and paining, broadcast media and video production, publicity and social media management, and theatre, scene shop, and other technical maintenance. Membership is open to all students as well as girls from local high schools.

JUNIOR CLASSICAL LEAGUE (LATIN CLUB)
The Latin club is composed of students enrolled in or who have previously taken Latin or Greek language classes. The club encourages an interest in ancient Greece and Rome through academic events and conventions.

MASTERMINDS (QUIZ BOWL)
Masterminds is Jesuit's Quiz Bowl club and allows students to test their knowledge in a high-paced game environment. Members prepare and compete against other Florida high schools in elite tournaments testing their mastery of knowledge and trivia.

NATIONAL FORENSIC LEAGUE (SPEECH & DEBATE)
Jesuit High School promotes speech activities to train leaders, who by means of oral expression can spread the philosophy and values of Jesuit education. The N.F.L. encourages the art of good speaking, clear and logical thinking, and intelligent and forceful expression. The Jesuit chapter of the N.F.L. participates in interscholastic congress and debate tournaments as well as in the Model United Nations.

PEP BAND
The Pep Band provides members an opportunity to bring their passion for music to the Jesuit community. Most known for performing during Friday night football games and pep rallies, members keep the spirit of school uplifted.

PRE-LAW CLUB
The Pre-Medical Club educates students interested in pursuing a career in the field of law. Guest speakers and participating in Mock Trial allow members to learn more about their preferred path and to build experience within the field.

PRE-MEDICAL CLUB
The Pre-Medical Club educates students interested in pursuing a career in the field of medicine. Guest speakers and visits to local hospitals provide learning opportunities for members who share an enthusiasm for the medical profession.

***TIGER* PUBLICATIONS**
Jesuit offers students a variety of creative experiences in multiple print and digital media avenues. Student publications include the *Tiger* yearbook and the *Lyre* literary magazine. Each program fosters group collaboration and affords opportunities for training and competition in journalism to students.

The ***Tiger* yearbook** provides a textual and photographic chronicle of the school year.

The ***Lyre* literary magazine** features the best student efforts in poetry, fiction, non-fiction, drawing, and photography.

The **Jesuit Tigers News Network (JTNN)** television production updates student audiences on weekly announcements and current news and creates the senior video.

Club Sports

ICE HOCKEY
The Jesuit Ice Hockey Club Team competes against other high school club teams and belongs to the Lightning High School Hockey League. The season runs from mid-August to April.
Moderator: Mr. Andy Wood
Head Coach: Jassen Cullimore

Cultural

AFRICAN AMERICAN CLUB
The African American club is composed of students interested in understanding African American culture, celebrating diversity, and fostering dialogue. Students of all backgrounds are welcome to join.

ASIAN AMERICAN CLUB
Jesuit's Asian America Club promotes cultural awareness across Asian cultures for club members and the student body as a whole with special engagement of wider cultural issues pertaining to societal living as Asian Americans.

CLUB FRANÇAIS (FRENCH CLUB)
The French Club is composed of students interested in understanding French culture, celebrating diversity, and fostering dialogue. Students who are currently enrolled in or have previously taken French language classes are highly encouraged to join.

ITALIAN CLUB
The Italian Club is dedicated to combining aspects of community service with Italian culture. Students of all backgrounds are welcome to join; the only requirement is an interest in Italian culture.

LA GENTE (SPANISH CLUB)
The Spanish Club (La Gente) is composed of students interested in understanding Spanish culture, celebrating diversity, and fostering dialogue. Students of all backgrounds are welcome to join.

MIDDLE EASTERN CLUB
The Middle Eastern Club aims to bring together students of different backgrounds to learn about the geography, culture, and Christian experiences of the Middle East.

Special Interest

BOOK CLUB
The Book Club encourages the reading of literature outside of the classroom through the weekly discussion of books read as a group.

BUSINESS CLUB
The Business Club is a club for students who are interested in pursuing an interest in the business world, marketing, finance, management, hospitality, and entrepreneurship. Students practice key leadership skills such as goal setting, consensus building, and project management.

CAR CLUB
The Car Club is a club for students who are interested in sharing their appreciation for rare and exotic vehicles.

CHESS CLUB
The Chess Club meets bi-weekly after school and fosters each member's intellectual growth through communication among peers, reflection on games, and development of strategy. The club participates in local and regional tournaments, as well as online leagues, which affords members the chance to win prizes and scholarship opportunities. Students of any skill level are encouraged to join.

CULINARY CLUB
The Business Club is a club for students who are interested in pursuing an interest in the business world, marketing, finance, management, hospitality, and entrepreneurship. Students practice key leadership skills such as goal setting, consensus building, and project management.

DON'T FEED THE ARTISTS
The goal of Don't Feed the Artists (DFTA) is to form and develop student artists by engaging them in the world of visual art by broadening their minds to new forms of creativity while making them artistically competent. Through active and engaging experiences in the visual arts, club members will better themselves and others intellectually and creatively. All artistic talent levels and disciplines are welcome.

ESPORTS (VIDEO GAMING CLUB)
The Video Gaming Club provides a platform for students who share an enthusiasm for video games. Members have the chance to participate in local tournaments. Students of any skill level are encouraged to join.

FILM CLUB
The Film club allows members to watch and discuss different movies and film projects. A strong focus is placed on director motivations, decisions, and styles.

FLYING TIGERS (AVIATION CLUB)
Jesuit's Aviation Club aids students interested in aviation in exploring careers in the field and exposes the wider student body to aviation through the use of its flight simulator.

HANDYMAN CLUB
The Handyman Club allows students to learn a variety of skills that would prove useful outside of the classroom. From reviewing tools to discussing how to problem solve, members are encouraged to share and discuss their experiences with being skilled in a variety of repair work and household tasks.

MIXED MARTIAL ARTS CLUB
The Mixed Martial Arts Club shares knowledge about martial arts as a sport, examines martial arts as a means to avoid violence, and promotes discipline and restraint among its students.

OUTDOORSMAN SOCIETY
The Outdoorsman Society seeks to educate students on the finer points of fishing, hunting, and camping. Through its meetings, the club hopes to teach students how to properly conserve and live in harmony with nature.

POWERLIFTING CLUB
The Powerlifiting Club allows students to share best practices in the gym and how to safely increase their strength and endurance.

SONGWRITING & MUSIC PRODUCTION CLUB
The Songwriting and Music Production Club is composed of students who learn and share ideas about song creation, music software, and promotion.

Athletics

Jesuit High School is a member of the Florida High School Athletic Association (FHSAA). The school participates in 12 interscholastic sports: baseball, basketball, bowling, cross country, football, golf, lacrosse, soccer, swimming, tennis, track & field, and wrestling. Inquiries concerning tryouts, schedules, tickets, or other information about the athletic program should be directed to the Athletic Director.

At approximately the six-week mark of each semester, the academic progress of each student-athlete will be evaluated. If at this point a student athlete falls below a 2.3 GPA he may be required to attend the Academic Enhancement Program. The program will consist of three after-school study sessions held on Tuesday, Wednesday, and Thursday of each week. Participation is mandatory. After the initial evaluation, academic progress will be reevaluated every two weeks. If, after reevaluation, the student achieves a GPA of 2.3 or higher, continued participation is at the discretion of the Athletic Director. This program's primary goal is to help student athletes achieve acceptable grade point averages.

The school holds four signing ceremonies during the school year for the student to make his formal commitment to play athletics at the collegiate level known to the media. Commitments to colleges must be made through National or Institutional letters of intent.

When school transportation is not available, parents may be responsible for taking their son to and from away athletic events.

The primary goal of the athletic program is to support the mission of Jesuit High School while being highly competitive in all sports. At the same time, the expectation is to maintain the highest standards of sportsmanship. In addition, the athletic program looks to support the school's total curriculum by encouraging every student to participate in some form of athletics. Participation is not limited to athletes only as many students become involved in other vital supportive roles such as student trainers, announcers, team managers, video producers, and statisticians.

NIL

Prior to engaging in any NIL activity, the student and his parents need to have a thorough understanding of Bylaw 9 in the FHSAA Handbook. FHSAA policy prohibits any school facilitation of NIL. Therefore, student eligibility related to NIL is the responsibility of the athlete and parent.

Student-athletes are prohibited from monetizing their name, image, and likeness with the use of Jesuit's uniform, equipment, logo, or name, as well as proprietary patents, products and/or copyrights associated with the FHSAA, either in public, print or social media platforms, unless granted authorization by prior written consent from the school or the FHSAA.

ATHLETIC FORMS

Prior to participating on a team at Jesuit High School, athletes must provide the Athletic Department with the following:

- Current address
- Emergency contact information
- Heath insurance information
- FHSAA ECG Screening (Mandatory for Class of 2030 and beyond) (EL-1) https://fhsaa.com/documents/2026/2/12/EL1_ECG_Screening_021126.pdf?path=enc
- FHSAA Pre-participation Physical (EL-2) https://fhsaa.com/documents/2023/3/3/EL2_Form.pdf
- FHSAA Pre-participation Consent Form (EL-3) https://fhsaa.com/documents/2023/3/6/EL3_Form.pdf
- FHSAA Pre-participation Video Certificates (Heat Illness, Cardiac Arrest, Concussion) https://nfhslearn.com/courses

To streamline this process, Jesuit utilizes an online data entry system. This information needs to be updated each academic year. We highly recommend this process be completed prior to the start of the new academic year for both incoming freshmen and returning students. Please note, medical forms required by the FHSAA are good for one calendar year. To enter your information, visit www.swol123.net. For directions regarding this process please follow instructions on the Jesuit website, under Quicklinks/Athletic Forms:

Awards Presented At 2026 Commencement

The **Charles J. Lashley Memorial Award** is given in memory of Father Lashley, who served as Prefect of Discipline for 18 years. Father Lashley's firm and fair approach to discipline won him the respect and admiration of the students. His personal care and interest had a tremendous influence on an entire generation of Jesuit alumni. The graduate who best exemplifies outstanding characteristics of leadership of the student body receives the Lashley Award, the highest honor Jesuit High School confers upon a graduating senior. The award last year was merited by **Robert Joseph Bogle.**

The **Larion J. Elliot Award for Spiritual Leadership** is given in honor of the late Father Elliot, who served for ten years as President of Jesuit High School. In addition to his efforts to promote the financial development of the school and to provide funds for financial aid for students in need, Father Elliot gave himself zealously to his ministry in local parish churches and civic organizations. The Elliot Award recognizes the student who manifests dedication and commitment to Christ and the Church through the example of his Christian life. Last year's award was merited by **Henry David Bravo.**

The **Pedro Arrupe Award**, presented in honor of a former Superior General of the Society of Jesus, is given to the student who excels as a "Man for Others" through distinguished achievement in community service. Last year the Arrupe Award was merited by **Andrew Michael Garcia.**

The **Joseph P. Gavan Award** is established in memory of Brother Gavan, who for many years supervised the work of students on financial aid. His caring presence among the students touched the lives of many of our alumni. The Gavan Award is presented to the student who has been outstanding in generosity and dependability in service to the school community. The award last year was merited by **GianLuca Manuel Pasquotto.**

Jesuit High School does not discriminate on the basis of race, color, or national/ethnic origin in admitting students to all its programs, or in the administration of its educational policies, admissions policies, financial aid programs, athletic, and other school-administered programs. Jesuit High School does not discriminate on the basis of race, color, or national/ethnic origin in the employment of faculty and staff.

By the act of registering at Jesuit High School, a student and his parents (or guardians) understand and agree to pursue the educational objectives and practices as stated in this handbook and to observe the disciplinary code of the school. All rules and policies remain in effect for all students until the completion of graduation.

In keeping with the Jesuit principle of "cura personalis" (the personal care of each student), the administration reserves the right in individual cases to waive, strengthen, or otherwise amend any school policy or regulation.

ALMA MATER

Freedom and brotherhood,

Service and friendship,

Dear Mother, help us to

Cherish your dream.

Lead us to seek truth,

And form us into your sons.

Jesuit, implant in us

All God's love.
