Dear Parent or Guardian:

We are pleased to inform you that Watertown City School District will be implementing a meal certification option available to schools participating in the National School Lunch and/or School Breakfast Programs for 2026-2027 school year.

What does this mean for your child(ren) attending the school district identified above?

All students enrolled at Watertown City School District are eligible to receive a healthy breakfast and/or lunch at school **at no charge** to your household each day of the 2026-2027 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit an application.
