Title I
July 18, 2026
Dear Parent or Guardian:

The Federal law known as the Every Student Succeeds Act (ESSA) requires parents be informed when their child attends a Title I school.

This letter is to inform you that R.L. Wright Elementary School is a Targeted Assistance Title I school for the 2026-2027 school year.

R.L. Wright Elementary School receives federal funds from the Title I program. The funds provide additional support to students in qualifying schools. As a requirement of receiving these funds, each year the district must provide parents with information on their rights. These rights include:

1. Parents may request the professional qualifications of their child's classroom teachers.
2. Parents may ask if their child is provided services by paraprofessionals and, if so, their qualifications.
3. Information on the level of achievement of their child in each state academic assessment.
4. Timely notice if their child has been taught for more than four consecutive weeks by a teacher who is not highly qualified.
5. Information regarding annual progress of your child's school.

State assessment results show that R.L. Wright students work at or above the state averages in both math and reading. We use this data, along with data from local assessments, to target Title I resources proportionally to the areas that most need assistance.

We encourage you to participate in your child's learning by becoming actively involved at his/her school. Please contact the school to find ways you can become involved.

Sincerely,

Rachel McClaran
