

ESL: PRE-IET PROGRAM

IMPROVE YOUR ENGLISH LANGUAGE SKILLS WHILE PREPARING FOR A CAREER TRAINING PROGRAM

Prepare for a building, manufacturing or medical career training program while receiving English language support through our ESL: Pre-Integrated Education & Training (IET) program. These 45-hour courses are held on Simi Institute's campus and conducted online through Aztec Software. An instructor will be present to offer language support and monitor student progress.

INTRODUCTION TO MEDICAL TERMINOLOGY

Ideal for students who need English language support before enrolling in a medical training program.

Learn the basics of medical terminology; medical word parts and combining forms; classification and description of diseases; and medical abbreviations, symbols, and time conventions.

Dates: September 8 - November 12, 2026

Days: Tuesday & Thursday

Time: 12:30 pm - 2:00 pm

Room: 201

MATH FOR TRADE OCCUPATIONS

Ideal for students who need English language support before enrolling in a building, manufacturing, or medical training program.

Learn core math concepts such as measurements, calculations, and problem solving; real-world applications tailored to each trade; and proportions and ratios used in trades.

Dates: September 8 - November 12, 2026

Days: Tuesday & Thursday

Time: 12:30 pm - 2:00 pm

Room: 201

COURSE FEE: FREE

Must be a current Simi Institute ESL student in Levels 4 - 6 (Intermediate Low, Advanced Low, and Advanced High). Classroom attendance is required but students may work independently to complete the course(s) faster.
