

Garden Exploration Days!

Join the Junior Master Gardener Program and The Gardens at Texas A&M University for a fun, hands-on day camp series exploring plants, gardening, and nature!

Registration
now open!

OCT.
12 & 13

@ The TAMU
Gardens

Monday, October 12 | Garden to Plate

Explore edible gardens, learn plant care techniques, and connect the foods we eat to the gardens where they begin.

Tuesday, October 13 | Habitat Heroes

Explore wildlife-friendly gardening and discover ways to create healthy habitats and thriving ecosystems.

Join us for one day or both, and spend part of your Fall Break out in The Gardens! Scan the QR code to register today!
