

SCHOOL SITE COUNCIL (SSC)

Reedley High School

What is SSC?

A School Site Council (SSC) is a group of parents, administrators, teachers, students and community members who work together to develop and monitor a school's improvement plan. Their main role is to oversee the academic planning process to ensure the needs of all students are specifically addressed in the School Plan for Student Achievement (SPSA).

Our Focus

Our focus is to provide a forum for discussing educational issues and an opportunity for interaction between parents, teacher, students and administrators. A goal of the SSC is to foster the importance of decision making and the importance of parent involvement. Ultimately we want to educate the members of the SSC regarding school programs.
