VICTORY PUBLIC CHARTER SCHOOL
Parent Notifications – Federal Programs – August 28, 2026

School Annual Report Card & Charter Commission Annual Report: Victory students continuously outperform State academic outcomes, as well as nearby district outcomes while achieving 100% graduation rates. Parents and the community at large can access Victory's Annual Report Card at www.idahoschools.org. (This link is also found on the school website.) There, you will see Victory's academic outcomes & growth, graduation rates, teacher qualifications and retention, student & parent engagement, etc. You are also able to compare Victory's academic and non-academic outcomes with those of other schools, districts, and overall State data. Additionally, charter schools authorized by the Idaho Public Charter School Commission receive an Annual Performance Report from the Charter Commission that's available to the public. This report shares the school's academic outcomes, operations and finances ratings. Victory has received "Honor" standing in all three areas – the highest rating attainable, and **Victory was among only three charter schools in Idaho (Liberty Charter being another of the three) to receive first-ever 12-year certificate terms with the Charter Commission as a result of the school's on-going success!** Victory's annual reports can be found on our website under the School Report Card tab.

Regarding Right to Receive Teacher Information & Student Participation in Assessments:
Federal law requires that each school district receiving Title IA funds notify parents of each student attending any school receiving these funds that information regarding the professional qualifications of their child's classroom teacher(s) may be requested. As a parent of a student attending a school receiving federal program funds, you have the right to know: Is my child's teacher(s) licensed to teach the grades and subject(s) assigned? Is my child's teacher(s) teaching with a provisional license, meaning the state has waived requirements for my child's teacher? What is the college major of my child's teacher(s)? What degree or degrees does my child's teacher(s) hold? If there are instructional aides working with my child, what are their qualifications? To request the state qualifications for your child's teacher or instructional aide, contact the school at 208-442-9400 or email office@victorycharterschool.net. Additionally, you will be notified if your child is being taught by a teacher over four or more consecutive weeks who does not meet state licensure requirements for the his/her teaching assignment. Parents may also request information regarding State or LEA policy regarding student participation in mandated assessments (Policy 2425).

Parent & Family Engagement Policy, Wellness Policy, Home-School Compact, Title IX, etc.: Parents are welcome to review and provide comment on the school's Parent & Family Engagement Policy, Home & School Compact, Wellness Policy, Principal & Teacher Annual Evaluation forms, and Title IX training materials. These can all be found on the school's website under the About Us, Parents & Students, or Policies tab. Hard copies are also available in the office. Copies are also provided in another language to ensure all parents/guardians can comment. Comments can be returned to the school office or by email at office@victorycharterschool.net. Comments will be shared with the Governing Board at the meeting where policy/policies comments provided are included on the agenda. The annual parent meeting regarding Title IA services and Families in Transition services will be held prior at the beginning of the fall music concert.
