Please note: Students will need to bring a suitable device to every session."

WOOD WORKING

WOOD WIZARDS DUBAI

Wood Wizards introduces children aged 5 and above to the exciting world of woodworking through fun, hands-on projects.

Each session is designed to develop creativity, problem-solving, and motor skills, while teaching the safe use of tools in a supervised environment.

Your child crafts their own unique wooden creations, fostering a sense of achievement and confidence.

Our program blends creativity with practical learning, giving your child a unique opportunity to build, create, and grow.

EMIR CHESS

Emirchess Club is a premier Dubai-based chess academy dedicated to nurturing young minds through structured learning, competitive training, and engaging enrichment activities. Through expert-led coaching, premium chess sets, digital tools, and workbooks, students develop strategic thinking, tactical vision, problem-solving, focus, patience, and resilience while building strong foundations in openings, positional play, and endgame technique. The programme supports students of all levels, from beginners to aspiring competitive players.

MULTI-SPORTS

Multi-sports is essential for supporting active, healthy lifestyles.

When kids are young, the multi-sport approach is the best for developing physical literacy skills through a range of sports such as basketball, tennis, football, gymnastics, dodgeball and more.

DRAMA & MUSICAL THEATRE

Unlock your child's creativity and confidence through our **Drama & Musical Theatre ASA**.

Designed around the vibrant world of Broadway, our jazz-based program combines energetic dancing, singing, and acting, providing a comprehensive performing arts experience.

Students will not only learn the unique styles of performance seen on stage but also develop essential skills like audience connection and expressive facial movements.

CAPOEIRA

Building confident kids through the rhythm, movement, and spirit of Brazilian Capoeira.

Watch your child grow in confidence, strength, and coordination through Capoeira, the Brazilian art that combines martial arts, dance, and music into one joyful discipline. Classes are led by Mestre Vladimir, who has been practicing since childhood in Rio de Janeiro and brings authentic technique and energy to every session. Kids build fitness and flexibility while learning rhythm, teamwork, and respect in a supportive, non-competitive roda (circle). It's a fun way for children to make friends, express themselves, and build real self-confidence, both on and off the mat. Each year builds toward the Batizado, a celebration where students are recognized for their progress and awarded their first cord.

BRAIN IN MOTION

BY YOUNG ICONS ACADEMY

A unique programme combining physical movement with colours, numbers, shapes, memory, directions and problem-solving games. Children listen, think and make decisions while completing active challenges, such as matching colours, remembering movement sequences, following directions and responding to different signals. Each session develops concentration, listening, memory, coordination, reactions, spatial awareness and confidence, helping children become stronger thinkers as well as more confident movers.

YOGA

Yoga helps build calm, mindful, and confident kids.

While building strength and flexibility, our age-appropriate practice will promote positive self image, improve gross motor skills, enhance concentration and so much more.

Kids will also learn tools to manage stress and anxiety as well as boost positivity and focus even when off the mat.

Each Little Grains Yoga class is set to engaging music and meaningful themes and will include a series of yoga poses, breathing exercises, and meditation practices in a fun and non-competitive environment.

STRYXGYMNASTICS

STRYX GYMNASTICS

Rhythmic gymnastics is a sport in which individuals or teams of 5 or more manipulate one or two pieces of apparatus: clubs, hoop, ball, ribbon, rope and freehand (no apparatus).

Rhythmic gymnastics is a sport that combines elements of ballet, gymnastics, dance, and apparatus manipulation.

The victor is the participant who earns the most points, determined by a panel of judges, for leaps, balances, pirouettes (pivots), apparatus handling, and execution.

**JUNIOR

SQUAD**

Thrive Performance

JFS Thrive is a confidence and personal development program that helps children grow physically, socially, and emotionally through engaging activities.

Each session begins with a short fitness warm-up, followed by weekly development themes that build confidence, teamwork, leadership, communication, and healthy habits.

Children also participate in practical challenges, group activities, public speaking, and healthy snack-making, while using a JFS Thrive workbook to track their progress and continue learning at home with their parents.

KARATE

Champions Karate arrived in the UAE in 2019.

Our success is a result of our coaching philosophy, priding ourselves on the FUNdamentals of martial arts. We combine the art of traditional Shotokan Karate with our knowledge and experience of sport Karate. At Champions Karate we offer a high level of traditional and sports Karate. All taught in a fun yet challenging way to build a Champion lifestyle.

FOOTBALL

Prime Talent Sports Academy (PTSA) is a leading football academy in Dubai for children starting from ages 3 to 18.

Approved by the United Arab Emirates Football Association (UAEFA), PTSA is led by some of the best UEFA-licensed coaches in the region.

The academy provides elite coaching, unparalleled experience, and extensive industry scouting networks, providing players with a fun and engaging environment where players can enjoy their training while accessing significant opportunities for skill development and advancement.
