CURRICULUM AND RIGOR

Students may take a maximum of one honors class in 9th grade and five honors classes in 10th grade. Placement in all Charlotte Catholic core courses is determined by previous coursework and grades, standardized testing results, and teacher feedback.

Students are afforded the opportunity to enroll in AP classes starting in 11th grade. Two AP classes in the junior year and four AP classes in the senior year is considered a most demanding course load.

Students may enroll in additional AP classes above the two in junior year and the four in senior year. Admission to AP courses is competitive, and students must submit an application for each course. Placement in all AP courses is determined by previous coursework and grades, standardized testing results (PSAT), and teacher feedback.

The Class of 2027 has the opportunity to participate in Dual Enrollment courses during their senior year through Central Piedmont Community College. Students are only able to take one DE course each semester and courses are taken asynchronously.

The Fine Arts Department consistently excels and achieves awards and accolades in their respective disciplines by fostering the God given talents of our students.

Our theatre, band, choral, and dance programs all produce multiple performances annually in our state-of-the-art Fine Arts Center, dedicated in 2022. The band and choral programs are active performers nationally, having performed in New York and Chicago. The Charlotte Catholic band performs quadrennially in the St. Patrick's Day Parade in Dublin, Ireland.

ST. AUGUSTINE SCHOLAR PROGRAM

The St. Augustine Scholars Program (SASP) is a program that began in the 2025-2026 school year with a 9th-grade cohort. The program is focused on faith, great books, beauty, and holiness. SASP is an academically rigorous, four-year pathway that will further immerse students in the Catholic intellectual and spiritual tradition through a classical course of study that is enhanced by the Catholic liberal arts. The program offers an immersive experience that combines academics with formative experiences outside of the classroom. Students will explore philosophy, logic, Latin, and primary classical texts; participate in Socratic seminars, and dive deeper into our Catholic intellectual tradition.
