

Dexter Community Schools Chromebook Optional Insurance Plan

Dexter Community Schools offers an optional insurance plan for all student-assigned devices. If you opt out of the insurance, the cost of repairing or replacing the device is then the full responsibility of the Student/Parent, not to exceed \$250 per incident. The power adapter is not covered under the optional insurance.

Insurance for the 2026-2027 school year may be purchased [here](#) via Arux until September 30, 2026.

There are two options on this form to choose from:

Option 1 – Purchasing Insurance on Chromebook or iPad*

- \$20 – full school year of coverage (\$60 cap per family)
 - First Incident Per Student – No charge
 - Second Incident Per Student - \$20 deductible
- What's Covered
 - Accidental breakage
 - Faulty components – motherboard, screen, keyboard, etc... (\$0 deductible)
- What's not Covered
 - Theft, loss, or misplacement of Chromebook
 - Cosmetic damages
 - Damages that occur when a school issued protective case has been removed
 - Damages caused by misuse and abuse of the Chromebook

**WCC and design/programming students may be issued a MacBook; insurance costs are listed at the Arux link*

Option 2 – Insurance Not Purchased

- Parents/Students are responsible for full repair and replacement costs
- Examples of costs associated with Chromebook repair and replacement
 - \$60 – Bottom Case
 - \$75 – Broken Screen
 - \$60 – Keyboard Replacement
 - \$250 – New Chromebook
