

Cypress Fairbanks ISD Special Olympics

2026 Bowling

The 2026 Special Olympics bowling season will soon begin. Please plan your practice schedules accordingly through the area meet. More detailed practice and competition information will follow as the season progresses. This is our only sport that comes with a fee, which is set by the bowling alley each season. All athletes must be at least 8 years of age, attend a Cy-Fair ISD school and required to have a yearly physical before they can practice or compete. **The medical form must be current, less than one year old. Only the Special Olympics Athlete Enrollment/Medical Release Form will be accepted.** Physical forms may be accessed on the district website, www.cfisd.net , by searching Special Olympics.

 Houston, TX 77095

Upon arrival at the bowling facility, pay for your games, get your bowling shoes at the front desk and then proceed to your assigned lanes. Please arrive on time as late arrivals are not guaranteed two games. All athletes must be able to hold the bowling ball independently and roll the ball down the lane independently. The ramp bowlers are the only ones that can have assistance. Bowling ramps are only for those athletes with physical limitations. No rails are allowed in Special Olympics. Remember to wear socks!!

Adequate time for athletes to train is priority as an average game score is required for tournament entries. **Poor attendance may result in not attending competition. Please discuss any attendance concerns with the coach.**

PLEASE BRING A COPY OF YOUR ATHLETE'S CURRENT MEDICAL FORM TO GIVE THE COACH ON THE FIRST DAY OF PRACTICE. A COPY IS REQUIRED FOR EACH SPORT (i.e. participation in bowling and basketball will require two copies— one for the bowling coach and one for the basketball coach and so on.) A new medical form is required as of August 1st, so no medical/athlete registration from last year will be accepted, and all pages must be included.
