

Welcome to Class

HHCA Specials & Support

Kali Cooke

MUSIC WITH MRS. COOKE

Hi! I am so very excited to be mentoring your students in all things music!!

A little about me: I was raised in Pittsburgh, PA ,but have lived in Bluffton for 26 years. I am happily married for 22 years and have 2 high school students;

Abbagail (16) and Ellie (14).
This is our 5th year at HHCA.

I play flute in the Beaufort Symphony Orchestra and sing in Cornerstone Church's worship band.

I love all things coffee and music, as we have Corner Perk and Roasting Room in Old Town!

WHAT WILL WE LEARN?

SING

USE OUR VOICES TO LEARN ABOUT PITCH, MELODY, & HARMONY

PLAY

PLAY A VARIETY OF CLASSROOM INSTRUMENTS TO LEARN HOW TO READ NOTES & RHYTHM

EXPLORE

EXPLORE MUSIC'S DIFFERENT GENRES, TEMPOS, DYANMICS, & MORE THROUGH MOVEMENT & LISTENING

CREATE

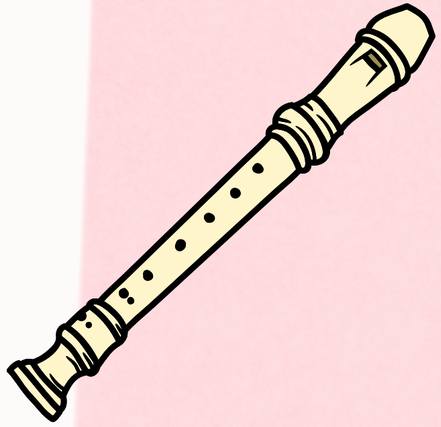

CREATE UNIQUE MUSICAL EXPERIENCES & COMPOSITIONS TO WORSHIP GOD & BLESS OTHERS

2X PER WEEK

WHAT INSTRUMENTS DO WE PLAY?

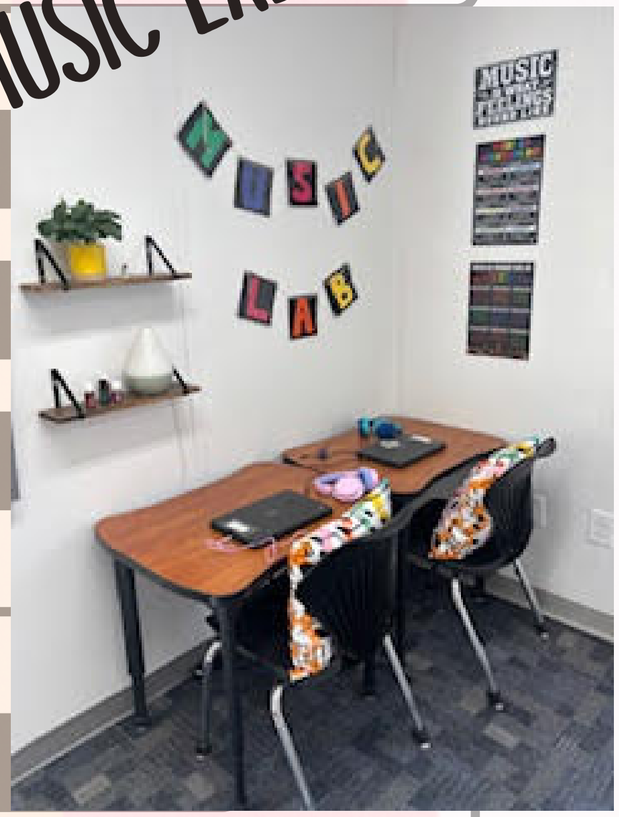

- PERCUSSION (K-5)
- KEYBOARDS (1ST)
- TONE CHIMES (2ND)
- UKULELE (3RD)
- RECORDER (4TH)
- BUCKET DRUMS (5TH)
- WOODWIND & BRASS (5TH)

KELLY KNIGHT

Lower School Art

ABOUT ME

This is my 12th year at HHCA! My husband and I moved to HHI to be closer to family! We have been here for over 20 years!

Stella

Chloe, Sadie & Emma

My 3 daughters attended HHCA and are now in college!

Sadie is a sophomore at University of South Carolina. Chloe is a junior at Auburn University along with Emma who is also at Auburn getting her master's degree.

Last year we studied children book illustrators and fairy tales -

This year our theme is -

ART DETECTIVE

Students will become Art Detectives as we explore the world of art! Together, we will investigate the Elements of Art - line, shape, color, texture, form, value, and space. We will discover how artists use the Elements of Art in their work. Each week, we will examine a Masterpiece of the Week and learn about famous artists, their artwork, and the stories behind their creations. Along the way, students will use their detective skills, creativity, and growing artistic knowledge to create works of their own!

Save the date for future art shows -

CHRISTMAS ART SHOW 12/9
POTTERY JAM 2/4-2/6
STILL WATERS K-12 ART SHOW 4/3
SPRING ART SHOW 5/12

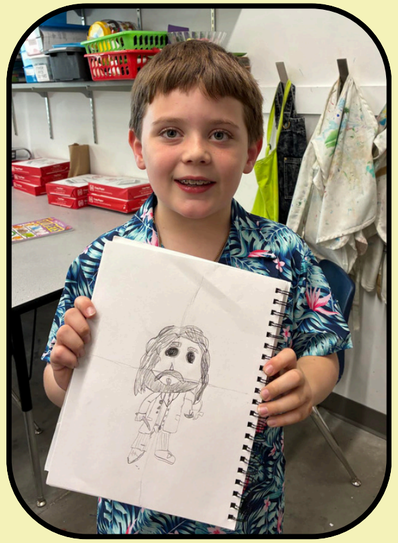

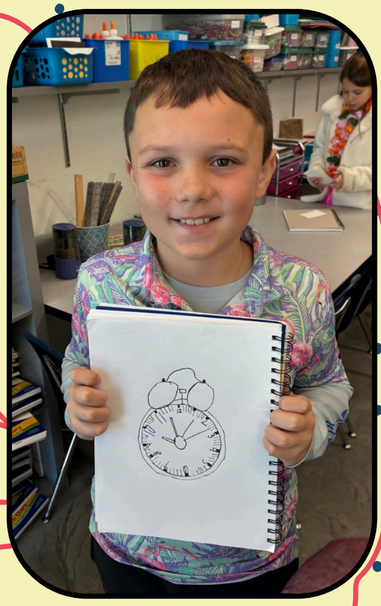

BIBLE WITH MRS THOMPSON

School Year 2026-2027

Thompson Family
Emma- Freshman at Liberty Universirty
Sissy- Junior at HHCA
Marleigh Love- 8th grade at HHCA
All of our girls love to play sports, hang out with friends, and are so fun!!

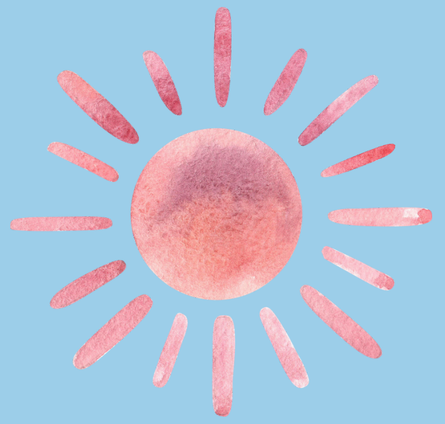

Fun Facts about me: *

- We planted a Church 4 years ago called City Hope Church!
- I was born and raised on Prince Edward Island
- My amazing husband and I have been married 22 years!!

Bible

Curriculum
Kindergarten-5th Grade

THE POSITIVE ACTION BIBLE CURRICULUM HELPS STUDENTS GROW IN THEIR KNOWLEDGE OF GOD, DEVELOP A LOVE FOR HIS WORD, AND APPLY BIBLICAL TRUTHS TO THEIR DAILY LIVES. THROUGH ENGAGING LESSONS, SCRIPTURE STUDY, AND CHARACTER DEVELOPMENT, STUDENTS LEARN WHO GOD IS, WHAT HE HAS DONE, AND HOW THEY CAN LIVE IN A WAY THAT HONORS HIM BY SHOWING CHRISTLIKE CHARACTER, MAKING WISE CHOICES, AND SERVING OTHERS WITH LOVE.

Bible Class Fun

I teach Bible class in a creative and engaging way that helps each child discover who they are in Jesus, while also having fun learning from God's Word."

In Bible class, we spend time memorizing God's Word so it stays in our hearts, praying together to talk with Him, and singing songs of praise that remind us of His goodness. We also learn stories and principles from both the Old and New Testaments, helping us see how God has worked through history and how His truth guides our lives today.

PE with Coach B

About Me!

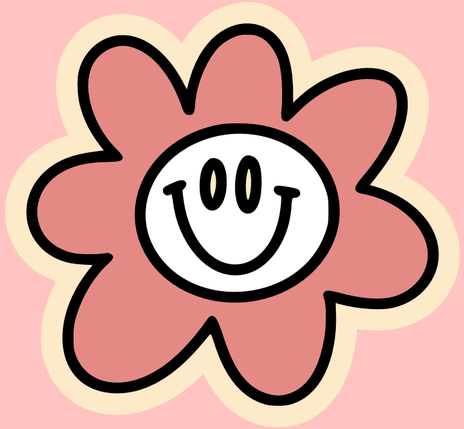

Hello! I moved to Bluffton 10 years ago from Ohio, and I love living here! I went to the College of Charleston and graduated in 2024. I'm the youngest of four, and at home my husband and I have our dog Maggie and our cat Joey who keep us entertained.

What We Will Learn:

Locomotor Skills

Example: Jogging, hopping, skipping, leaping, galloping, jumping, etc.

Non-Locomotor Skills

Example: Stretching, bending, twisting, turning, etc.

Manipulative Skills

Example: Kicking, rolling, throwing, catching, dribbling, etc.

Don't forget...

- Water Bottle
- Tennis Shoes
- Smiles!

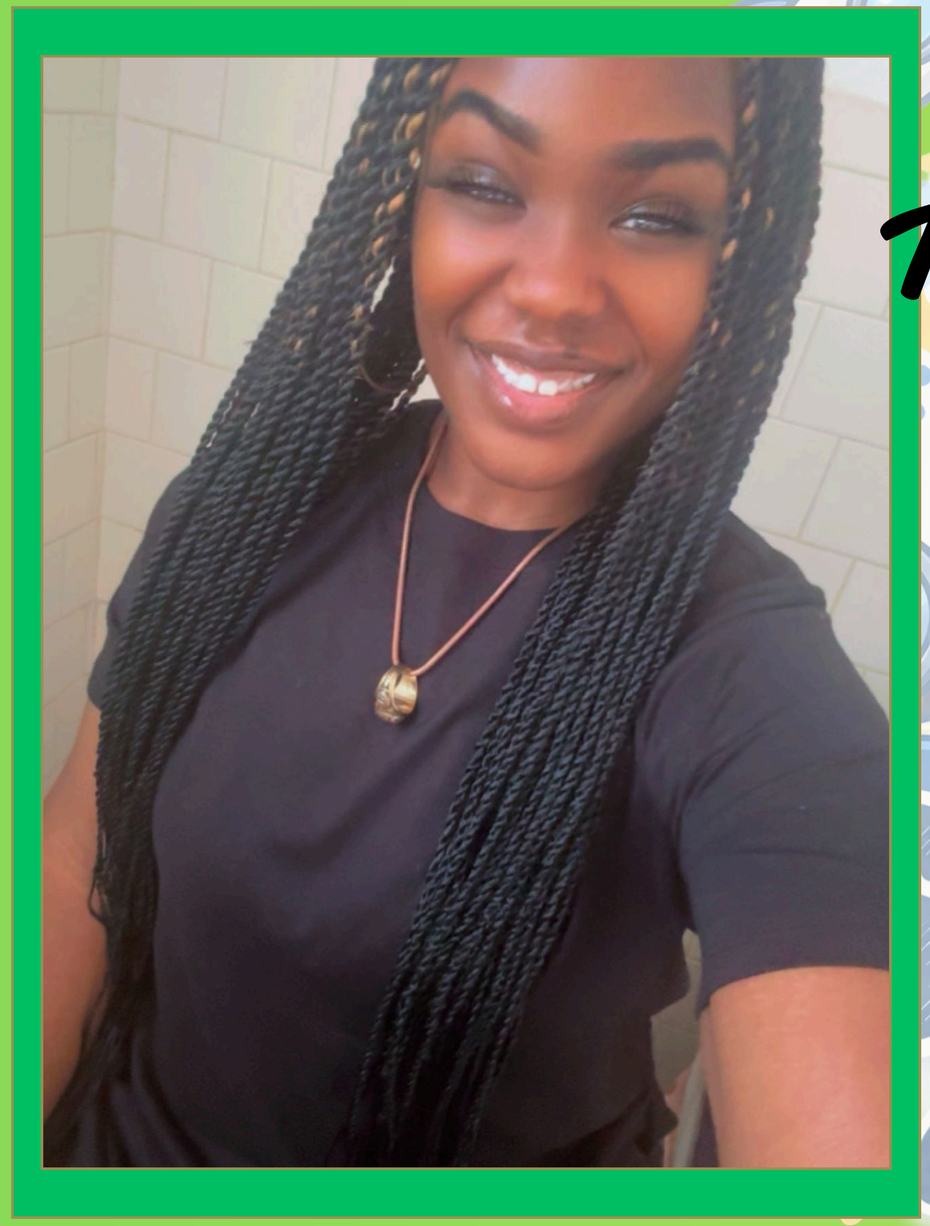

Where PE Takes Place:

Main Gym and PAC

Practice Field and Game Field

STEM/media mentor

About me

Family is incredibly important to me. They are a huge part of who I am and continue to inspire and support me in everything I do.

I love all things Disney! Visiting Disney World is one of my favorite ways to have fun, make memories, and bring out my inner kid. And of course, I had to stop for a picture with Woody & Jessie!

"Get to Know Me"

⛪ Church & Faith

My faith is an important part of my life, and I love being involved in my church and serving others. My parents are Pastors of a church in Savannah, GA.

📚 Lifelong Learner

I'm currently pursuing my Ed.S. in Instructional Technology at Georgia Southern University.

🎨 Creative at Heart

I love creating, designing, and turning ideas into something special.

💙 Fun Fact

I believe you're never too old for a little Disney magic!

My Family ❤️

Disney Fan ✨🏰

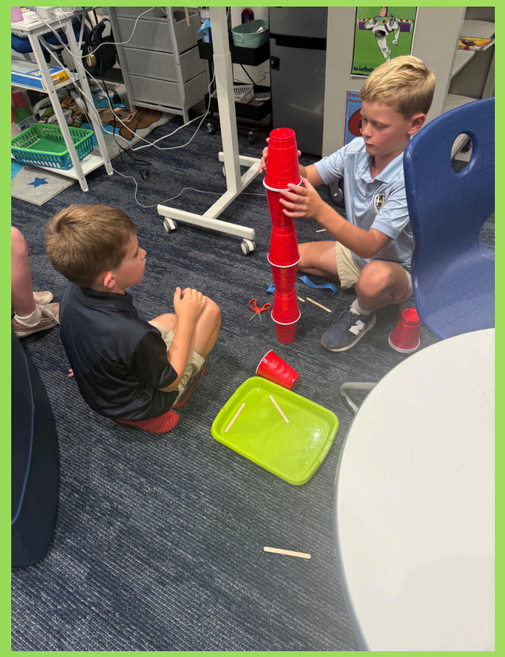

Come Inside.....

Take a quick peek inside our STEM/Media space :)

STEM & Media in Action!

In STEM & Media, students become readers, thinkers, creators, and problem-solvers!

MISSION: READ • THINK • CREATE

Students will become STEM & Media Explorers as they read, investigate, design, and create throughout the year! Each mission will begin with a story, question, or challenge that encourages students to think critically and use their creativity.

Through hands-on STEM challenges, collaboration, library skills, technology, and problem-solving, students will learn that there is often more than one way to solve a problem. Along the way, we'll celebrate curiosity, perseverance, teamwork, and a love of reading and learning!

LOOKING AHEAD IN STEM & MEDIA!

📚 **Library Checkout**
Students will visit the library regularly to discover new books, practice library skills, and grow as independent readers.

🚀 **STEM Missions**
Students will complete hands-on missions throughout the year that encourage creativity, teamwork, and problem-solving.

⭐ **Accelerated Reader**
Students will work toward grade-level AR goals and celebrate their reading accomplishments throughout the year.

📖 **BOOK FAIR – DATES TBD!**
Get ready for one of our favorite library events! More information and official dates will be shared soon

🏆 **Reading Celebrations**
We'll celebrate reading growth and achievements throughout the year—with something extra special waiting at the finish line!

WELCOME

-My relationship with the Lord is the most important thing in my life. I am excited about the opportunity to share about my faith with students.

-I have a daughter, Wrenn who is in 1st grade at HHCA.

-We moved here last year from the Atlanta area.

-I love spending time outside, especially the beach!

Phoebe Pearson
Lower School Interventionist

ABOUT ME !!

This is my 10th year teaching. I have experience teaching in preschool, Kindergarten and 1st grade. My favorite part about teaching is building relationships with students and seeing their "lightbulb" moments. My students always teach me way more than I could teach them.

Lower School Interventionist

This year, I am excited to be the Interventist. I will focus on Math and Reading instruction across Kindergarten-5th grade.

I will be working with students in small groups and individually to reinforce concepts and skills that they are learning. I work closely with the mentors to ensure that students are given more opportunities to practice the skills that are being taught in the classroom.

TEACHING PHILOSOPHY

I believe in creating life long learners through hands on, engaging learning experiences. I want students to feel seen, known and loved throughout the time that I have with them. My goal is to help them gain confidence in their academics but to ultimately know how loved they are by Jesus.

I can do all things through Christ who strengthens me.
Philippians 4:13

Feel free to reach out to me anytime!
