

To Incoming 7th - 8th Grade Students and Parents/Caregivers:

Welcome to Prairie View Middle School. We are excited to have you join our school community this year! One way to get connected at Prairie View is to participate in 7th and 8th grade athletics. We offer Girls Volleyball, Boys and Girls Cross Country, Boys and Girls Wrestling, Boys Basketball, Girls Basketball, Boys Volleyball, and Boys and Girls Track and Field. We have a place for you, whether you have played sports for a long time or just want to get started and try something new. Girls Volleyball, and Boys and Girls Cross Country begin right away on September 2, 2026.

All sports registration will be done through Infinite Campus (IC) using the parent portal ([click here for a step by step guide](#)). You can sign up for any of the sports at this time, however our two fall sports are Girls Volleyball, and Boys and Girls Cross Country. Practice will begin Wednesday, September 2, 2026, after school from 3:40pm - 4:40pm.

The following information is required before students can participate:

- **Middle School Co-Curricular Participation and Physical Form**
 - By signing up on Infinite Campus, this gives your student permission to participate and states that you and your student athlete agree to all academic and behavioral expectations and important district policies and information on concussions and sudden cardiac arrest as outlined.
 - The only form not completed on Infinite Campus that you need to email to emjohns@sunprairieschools.org is a record of a current sports physical. This gives your child medical clearance to participate. This is a requirement before any student can participate in athletics.
 - Physicals completed April 1-December 31 are good for the remainder of the existing school year & the following 2 school years (i.e. physical dated May 1, 2025 is good until June 2027)
 - Physicals completed January 1-March 31 are good for the remainder of the school year & the following school year (i.e. physical dated March 3, 2026 is good until June 2027)
 - **A physical before 03/31/25 is expired.**
 - A physical dated on or after April 1, 2025, is considered "current" for the 2026-2027 school year only.
 - If your most recent physical is dated before April 1, 2025 or you have not had a physical completed, you need to schedule a physical with your doctor. This should be done quickly. Have your doctor complete/sign the sports physical form before you leave your appointment.
- **Participation Fee**

There is a \$20 fee per sport. This fee can be paid with your other registration fees (recommended) and must be paid online. The fee must be paid prior to the first day of practice. If you are eligible for a fee waiver, the participation fee is also waived ([click here for more information on a fee waiver](#)).
- **Fall Welcome Meeting: August 25, 2026**
- 7th and 8th grade families are invited to attend our Girls Volleyball & Boys & Girls Cross Country Athletics meeting on **Tuesday, August 25, 5-5:30pm**. This meeting will provide important information about the upcoming sports season, including expectations, schedules, eligibility, and opportunities to ask questions.
