---

Dear Pennsauken Families, **Welcome to the 2026–2027 school year!** Pennsauken Public Schools is committed to ensuring that every student has access to nutritious meals that support learning, health, and success. As we begin the new school year, we are asking families to review and, when applicable, complete the **2026–2027 School Meals and Summer EBT Application**.

**Why Is This Application Important?**
Completing the application helps determine whether your child may qualify for:

- **Free or reduced-price school meals**
- **Summer EBT benefits** to help eligible families purchase food when school is not in session
- Other benefits and resources for which household income information may be used to determine eligibility

**How to Apply**
Families who need to apply should complete **one application per household**, listing all household members. You may:

- Complete the application **online through the Food Services section of the Pennsauken Township Public Schools website**, or
- Complete a **paper application**, which will be available through your child's school.

Families may submit an application at any time during the school year if their household circumstances change.

**Some Families May Already Be Eligible**
Some students are automatically eligible for meal benefits based on participation in qualifying programs or other eligibility categories and may not need to submit an application. If you are unsure whether your household needs to apply, please contact the Food Services Department for assistance.

We encourage families to review this information as soon as possible so that eligible students can receive the benefits available to them. For applications, meal information, menus, and additional resources, please visit the **Food Services** section of the Pennsauken Township Public Schools website. Please note that submitting a new application **does not remove, reduce, or adjust an existing student meal account balance**. If you have questions or need assistance completing the application, please contact:
**Pennsauken Township Public Schools**
**Food Services Department**
856-662-8500, Ext. 5259

Thank you for your attention to this important beginning-of-year information and for your partnership in supporting the health and success of our students.
