Emergency Closing of School / Early Dismissal

When weather or other situations require the closing of school or early dismissal, News 12 will carry the news of the closing. We will also notify parents through the Connect Ed telephone system. Please make sure we have the most recent preferred telephone numbers and email address on file for this purpose.

Attendance

Attendance is required every school day. Excused attendance is defined as an absence, tardiness, or early departure from class or school due to personal illness, illness or death in the family, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, approved internship programs, or other such reasons designated by the parent and accepted by the Superintendent. Please call our attendance officer, Sean Brennan, extension 115 when your child is absent. A note explaining the absence is required on the day your child returns to school.

Visitors

Visitors must enter the building through the Lobby, where they will be buzzed in. Visitors are required to present a photo ID to the receptionist. The photo ID will be scanned and the visitor will receive a photo visitor tag that must be worn for easy identification. The receptionist at the front desk will arrange for the delivery of lunch, money, sneakers, homework, etc., when parents bring such items for their children.

Use of School Facilities

If your organization would like to use the school facilities, you can pick up a Facilities Use Form from Jacki Dunning in the District Office or print one from the school website — www.shelterisland.k12.ny.us under Resources/Public Use. The fully completed form with a Certificate of Insurance should then be returned to Ms. Dunning for the Superintendent’s approval.

Working Papers

Working papers are issued from the Guidance Office. Students may obtain an application from Mrs. Meghan Lang or Mrs. Lindsay Rando.

The Shelter Island School District is attempting to locate any students between the ages of 3-21 who may reside within the district boundaries who may require special education services. A student may have a physical, mental, emotional, medical or developmental disability, which would require special education programs or services. If you have any knowledge of a student who may meet these criteria, please contact Mrs. Jennifer Rylott, the Committee on Special Education Chairperson at (631) 749-0302, extension 143.

Parent Right to Request Teacher Qualifications

In compliance with federal law, we are notifying you that you have the right to know the professional qualifications of the teacher(s) and paraprofessional(s) who instruct your child. Upon your request, the District will provide the following in a timely manner:

- Whether your child's teacher has met NYS qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether your child's teacher is teaching under emergency or other provisional status through which the NYS qualification or licensing criteria have been waived;
- Whether your child's teacher is teaching in the field of discipline of certification of the teacher; and
- Whether your child is provided services by any instructional aides or similar paraprofessionals and, if so, their qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he or she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals meet applicable New York State requirements.

Directory Information

From time to time, the District may release directory information of students for use in District-generated publications such as; school newspapers, athletic programs, yearbook, District Facebook page and the District website. Directory information may or may not include the following information: name of student, date of birth, dates of attendance, enrollment status, participation in school activities or sports, height and weight of members of athletic teams, photographs and honors or awards. Parents who do not desire release of any of the above directory information must make a specific written request to the Superintendent of Schools on or before September 15th of each school year. Failure to make such a request shall be deemed consent to release, provide or publish the directory information. A Directory Information Opt Out Form is located on the Final Forms website.

The district may disclose students' records without parental consent in certain situations, such as to other school officials who have "legitimate educational interests" and certain other State and Federal officials. School records are subject to inspection by court order or pursuant to any law-issued subpoena, provided that parents and students are notified by the school district in advance of compliance with the court order or the subpoena.

General Information

Student Records Privacy Act

Parents and individual students 18 years of age or older have the right to inspect and review any and all official records, files, and data directly related to the student's Education. These records include: cumulative folders, standardized achievement test scores, attendance records, results of standardized intelligence, aptitude and psychological tests, Interest Inventories, health data, family background, teacher or counselor ratings, written observations, and verified reports of serious or recurrent behavior.

Parents and students are entitled to a hearing to challenge the content of such records. This is to ensure that they are not inaccurate, misleading, or otherwise in violation of the privacy or other rights of students, and to provide an opportunity for the correction or deletion of any such inaccurate, misleading or otherwise inappropriate data contained therein. Any questions concerning the procedure to be followed in requesting such a hearing should be directed to the Superintendent.

Student records, and any material contained therein which are personally identifiable, are confidential and may not be released or made available to persons other than parents or students without the written consent of such parents or students. There are a number of exceptions to this rule, such as the other school employees and officials and certain State and Federal officials who have a legitimate educational need for access to such records in the course of their employment.

Release of Information to Military Recruiters

Congress has passed the Elementary and Secondary Education Act, an amendment called the "No Child Left Behind Act of 2001." Pursuant to this act, be advised that "directory information," including names, addresses and telephone numbers are released by the Shelter Island School District to military recruiters upon request. A parent has the right to NOT disclose "directory information" on their child but MUST NOTIFY the Shelter Island School District. A "No Child Left Behind/Military Recruitment Opt Out Form" is located in Final Forms for all Juniors and Seniors to complete in the beginning of each school year. If an Opt Out Request Form is not on file, the school district cannot refuse the military recruiters' requests and they may contact students.

The Shelter Island Union Free School District's Civil Rights Compliance Officers will be responsible for coordinating the District's efforts to comply with and carry out its responsibilities regarding non-discrimination and anti-harassment, including investigations of complaints alleging discrimination, harassment, or the failure of the District to comply with its obligations under relevant non-discrimination and anti-harassment laws and regulations (e.g., the Americans with Disabilities Act, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973).

Surveillance Cameras

The District uses surveillance cameras on District property including in school buildings, school facilities, as well as on school buses, when necessary. These surveillance cameras will help to assist in maintaining the overall safety and welfare of the District's students, staff, property, and visitors, as well as to deter theft, violence, and other criminal activities. Further, surveillance cameras will only be placed in public or common areas, such as stairwells, hallways, cafeterias, parking lots, or playgrounds, and not in private areas such as locker rooms, bathrooms, or other areas in which individuals have a reasonable expectation of privacy. Audio recordings will not be utilized by the District officials, however, this prohibition may not preclude the use of audio recordings by law enforcement officials in accordance with their official duties or as otherwise authorized by law.

Sex Offender Notifications

In order to provide parents/guardians and residents with information concerning convicted sex offenders who are living or working in our district, we are now benefiting from a no-cost sex offender email alert notification program. If you have not already registered to receive current or future sex offender notifications please contact the Parents for Megan's Law Helpline at 631-689-2672 or visit their website, www.parentsformeganslaw.org and click on the "Sex Offender Email Alert Registration Program" link on the home page.
