WHAT IS A SCHOOL-PARENT COMPACT?

This school-parent compact contains the agreements we make as a Condit community to contribute to the continued academic achievement of our scholars. We value all Condit families, students, and staff and the unique contributions they make to our school. Our staff and parents promise to ensure our students get what they need to learn and progress. We do all we can to help every student thrive.

JOINT DEVELOPMENT

The parents and staff of Condit Elementary School meet annually to discuss potential school-wide goals based on current grade-level data and staff, student, and parent survey results. Our school-parent compact is revised based on this discussion. Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate, or help with our school activities, please contact our front office at 713-295-5255. We are happy to answer any questions or direct you to the associated staff member.

STUDENT GOAL-SETTING

Students and teachers meet at the beginning of the academic year to discuss ways students can succeed in school and show growth in their learning. Some student goals include:

- Personal reading goals
- Growth between BOY, MOY, and EOY NWEA assessments
- Progress in digital resources to improve Math, Reading, Writing, and Science skills

Students maintain a leadership binder to track goals throughout their time at Condit Elementary.

STUDENTS AGREE TO...

- Complete assignments on time doing best work. Ask for help when needed.
- Set daily goals. Follow routines and expectations for work and behavior at home and school.
- Be on time to class and bring all needed materials.
- Use I-messages and reflective listening when dealing with peer conflict.
- Listen to others and attempt to understand everyone's point of view.
- Embrace diversity, show respect, and practice patience and kindness.

COMMUNICATION ABOUT LEARNING

Condit Elementary is committed to frequent two-way communication with families about children's learning. Some of the ways we communicate throughout the school year are:

- Wednesday homework folders
- Parent Square messages
- Week-at-a-Glance messages
- Grades posted on PowerSchool
- Parent conferences/phone calls

Students, Teachers, Parents/Guardians: Working Together for Success!

TEACHERS AGREE TO:

- Increase academic achievement by using high quality instructional materials.
- Provide small group instruction for extension or support.
- Communicate to families the learning goals for the week.
- When conflict arises, use restorative practices to help students understand the impact of their actions on others.
- Communicate with families to learn more about their child, discuss the student's strengths and needs and set goals throughout the school year.

FAMILIES AGREE TO:

- Check agendas, Wednesday folders, and grades.
- Monitor communications from school and teachers.
- Establish routines and expectations at home, schedule time for learning, and define a physical space to study.
- Make sure child(ren) arrive at school by 7:40am ready to learn. Motivate them to do their best and encourage mistakes as opportunities to learn.
- Remind child(ren) to get along with others, including those who are different from them.
- Communicate with teacher about child(ren) and participate in their goal development.

OUR GOALS FOR STUDENT ACHIEVEMENT

DISTRICT GOALS

Houston Independent School District strives to provide every student with a high-quality education that meets their needs and prepares them for life beyond the classroom. To fulfill this mission, HISD focuses on providing strong instruction, supporting effective teachers, developing school leaders, and fostering a culture of high expectations.

SCHOOL GOALS

Condit Elementary School seeks to develop well-rounded global leaders who are self-reliant and can work well with others. Condit implements the Leader in Me philosophy and restorative practices to provide a safe learning environment in which students are challenged and empowered by a high-level, thought-provoking, and integrated curriculum that addresses the needs of the whole child: physical, mental, social-emotional, and spiritual (body, brain, heart, and soul).
