Prospective Fordham Prep Student
Permission to Release Records (For Use in Fall 2026)

Dear Parent/Guardian,

Fordham Prep requires both a final 7th grade report card and the first report card from 8th grade in order to make an admissions decision.

Parents, please submit this form to your current school in November, 2026, so that schools will send both years' report cards ***at the same time***.

Please note that Catholic schools in The Archdiocese of New York and the Diocese of Brooklyn will upload grades automatically after the TACHS exam, provided you included Fordham Prep as one of your three choices. You need NOT give this form to a Catholic grammar school if you are taking the TACHS exam.
