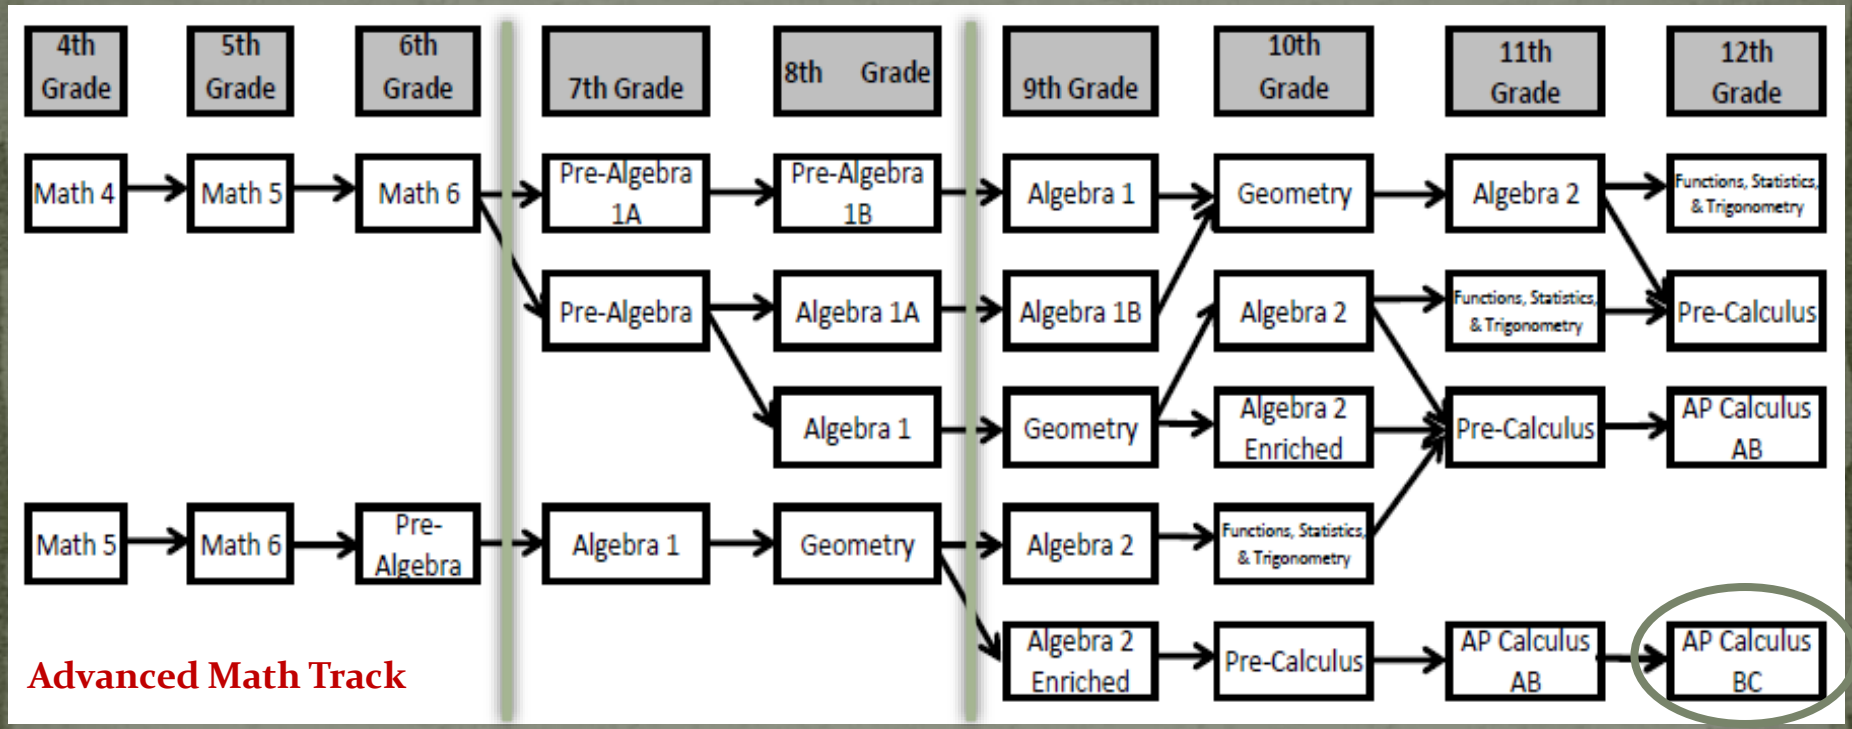
# Open Communication

- Please let me know your concerns, as well as your happy moments.

# Class Pacing & Curriculum

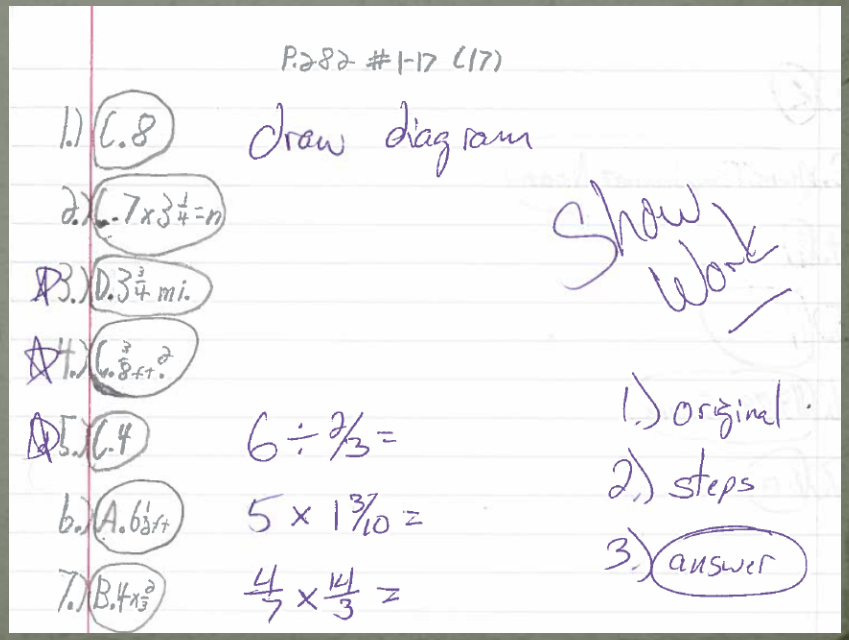
| 4TH grade | | | 5TH grade | | | 6TH grade |
|---|---|---|---|---|---|---|
| 4A | 4B | 5A | 5B | 6A | 6B | 7th grade Pre-Algebra |

# Future Math classes at TCA



# Classroom Expectations

- Homework – HW
  - Monday – Thursday
  - Around 14-20 problems
  - About 20-35 minutes
  - Can be done IN the Workbook ("WB"), but sometimes on paper with heading
  - 6th grade – all assignments on paper
  - Scoring (2 pts)
    - No Name – 1.5
    - Wrong Assignment – 1.5
    - More than ½ wrong – 1.5
    - No Work Shown – 1
    - Incomplete – 1
    - Late – 1
    - Missing - 0



# Classroom Expectations

- Work Habits
  - Original – Show Work – Answer
  - Participate with partners
  - Journals
  - Assignments turned in on time
  - Study & Prepare for tests
- Tests
  - Complete as directed
  - Show Work
  - Return with corrections *(separate sheet of paper)* & parent signature

Maintain an overall grade of at least 88%

# Classroom Basics

- Bell Procedures
  - Daily board
  - Homework board
- Behavior
  - Respectful
  - Obedient
  - Hard Working
- Lessons / Textbook
  - HW Review & Corrections
  - LESSON
    - THINK Question
    - Key Concept Ideas (journals)
    - Practice
  - TEXTBOOKS will usually remain in the classroom, unless needed to go home for special purposes.

# Classroom Basics

- Absences
  - Advanced Notice
    - If and when at all possible, please give me at least **1 week.**
    - Email me directly – the system DOES NOT notify me automatically, nor do HR teachers.
  - Sickness
    - Day 1 – no worries, students can make up the next day - please do not ask for it the day of.
    - Day 2 – I will put together and SEND work. You will need to come pick up materials.

- Make-Up Work *(example next slide)*
  - Due Date is a "goal" – I am reasonable – but also need to stay on track.
  - Classwork is REQUIRED. Students should spend about 40 minutes of completing the THINK, LEARN, DO sections as directed in their journals.
  - THEN, they do homework which is an additional 30-40 minutes.
  - **6th Grade Students** – it is YOUR responsibility to check the BLOG for our assignments and homework.

# Absences – MAKE UP Work 4th & 5th grades

## Math Make-Up Work

*for Mr. Winter*

Name: **Name L.** class/book: AM4 – B13

absent: Thursday 2/9 – Friday 2/10

**DUE: Wednesday 2/15** **Parent Initials: _____**

*Please complete the following missed work and return it by the DUE date. Remember to complete the classwork (THINK, LEARN, DO) in your journal with labels and problem numbers for easy checking.*

**CLASSWORK: Lesson 15.2 "Measuring Angles", pp.177-181**

1.) Complete the THINK question in your journal using a Protractor.

2.) Study the LEARN section: Be able to identify the parts of a protractor and know how to use it.

3.) Read & Mentally think through DO #1

4.) Practice DO #3-4 Record these answers in your journal

**HOMEWORK: WB p.135 #1-5**

# Thank you!

## I look forward to serving you and your math student this year.
