The Holiday Season

*Oh the Holiday season is here at last, there's a twinkle in the air!
Celebrate the future, celebrate the past, there is gladness everywhere!
Bells are ringing and folks are singing everybody's filled with good cheer!
It's the season of love, it's a season of light! Oh the Holiday season is finally here! *(last time to Coda)*
Oh the Holiday season is here tonight, look the snow is coming down!
Celebrate the wonder, celebrate the light, there is joy all over town!
Bells are ringing and folks are singing everybody's filled with good cheer!
It's the season of love, it's a season of light! Oh the Holiday season is finally here!
I can always here it, I know just when it starts-I can feel the spirit dancing in my heart! **
(Coda) The Holiday season is fin-ally, The Holiday season is finally here!

Once Upon a December

Dancing Bears, painted wings, things I almost remember.
And a song someone sings Once Upon a December.
Someone holds me safe and warm, horses prance through a silver storm.
Figures dancing gracefully across my memory.
Someone holds me safe and warm, horses prance through a silver storm.
Figures dancing gracefully across my memory.
Far away, long ago, glowing dim as an ember.
Things my heart used to know, things it yearns to remember.
And a song someone sings…Once Upon a De-cem----ber.

Just Chillin'

Just Chillin' Just Chillin' We're Chillin' and everything is cool as frozen ice
Hangin' with my bro's, its just as good as it can get.
Ice is on my nose but we've no need to break a sweat
Everything on hold we're waiting for the fun to start.
Never mind the cold, I got my friends to warm my heart! Whoh--ooo x2
Snow is on the sidewalk, and the frost is getting thick.
Slippin' and a slidin' 'cause the streets are wet and slick.
We're in this together, hope that winter never ends.
We don't mind the weather when we're chillin' with our friends!
Chill, chill, chillin'. Chill, chill, chillin'. Chill, chill, chillin'. Cool as frozen ice.
Chill, chill, chillin'. Chill, chill, chillin'. Chill, chill, chillin'. You should chill out too!

E'en so here below, below Let steeple bells be swungen, And io, io, io! By priest and people sungen.
Glo~~~~~~~~ria, Hosanna in excelsis! Glo~~~~~~~~ria, Hosanna in excelsis!
Pray you, dutifully prime Your matin chime, ye ringers May you beautifully rime Your eve-time song, ye singers.
