
School District Mission

The mission of Mapleton Public Schools, a diverse learning community passionately committed to the unique potential of each student and built on a legacy of continuous innovation, is to equip all students to achieve their dreams and contribute enthusiastically to their community and the world through an education system characterized by:

- An unyielding commitment to academic success and personal growth;
- Learning opportunities that empower students to develop their talents and pursue their interests;
- Highly skilled, compassionate staff who make a difference in each student's life;
- Safe environments of unwavering support where relationships ensure personal achievement; and
- A responsive, adaptable, and reflective community working together to ensure no obstacle shall impede a student's success.

Shared Values

Mapleton's shared values are foundational to the pursuit of the Mission and to our commitment to excellence:

- **Equity** – We believe everyone can achieve at high levels, and each person should receive what they need in order to reach their full potential.
- **Belonging** – We welcome and include others, making everyone feel safe, valued, and respected for their contributions.
- **Integrity** – We do what is right, keep our word, and follow the highest professional standards.
- **Authenticity** – We are honest, real, and true to ourselves and others. We create a place where people can accept mistakes and celebrate success, while feeling safe to grow and do their best.
- **High Expectations** – We work Towards success together by creating a culture of growth, achievement and accountability.
