

TIOGA JUNIOR HIGH

Title I Parents' Right-to-Know

August 10, 2026

Dear Parent/Guardian,

At Tioga Junior High School, we are very proud of our teachers and feel they are ready for the coming school year to provide your child with a high-quality education. As a Title I school, we must meet federal rules related to teacher qualifications as defined in the Every Students Succeeds Act. These rules allow you to learn more about the training and credentials of your child's teachers. We are happy to provide this information to you. At any time you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching.
- Whether the teacher received an emergency or conditional certificate through which the state qualifications were waived.
- What undergraduate or graduate degrees the teacher holds, including graduate certificates, additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's assignment to a teacher or a paraprofessional, please contact me at (318) 640-9412 or david.montiel@rpsb.us.

Respectfully,

David Montiel, Tioga Junior High School Principal
