WELCOME TO THE 2026-2027 SCHOOL YEAR!

Welcome to our annual SPASD calendar. We are proud to partner with you as we begin the 2026-2027 school year.

This calendar is more than a collection of important dates and information. It reflects who we are as a district and the work we do each day to support every scholar.

I am absolutely thrilled to kick off the new school year with you. Whether you're returning to SPASD or joining our community for the very first time, I know you'll find a place where students feel supported, families feel connected, and everyone is encouraged to grow—the Sun Prairie Way.

Thank you for trusting us with your scholar's education. We look forward to supporting your family throughout the year and celebrating all that our students accomplish, both in and beyond the classroom.

Here's to a wonderful 2026-2027 school year!

Sincerely,

Dr. Antoine Reed
Superintendent

OUR MISSION

Futures depend on us to inspire and prepare every child, every day, by providing relevant, engaging, and innovative learning experiences in and out of the classroom.

OUR VISION

To be a high-performing district of choice that reflects the cultures of our diverse community.

AT THE SUN PRAIRIE AREA SCHOOL DISTRICT, WE STAND BY OUR STUDENTS, STAFF, AND FAMILIES.

The Mission of the Sun Prairie Area School District is to inspire and prepare every child, every day, by providing relevant, engaging, and innovative learning experiences in and out of the classroom.

The SPASD celebrates and values our diverse community. We support and are inclusive of all students, staff, families, and community members of all races, ethnicities, faiths, national origins, home language(s), socioeconomic status, immigration status, political viewpoints, abilities, sexual orientations, and gender identities.

In order to realize our Mission, we are committed to changing the foundational inequities that we acknowledge exist in our system, and we unequivocally state as follows:

We stand by our Black and Brown students, staff, and families. We will continue to speak and act swiftly against statements of bigotry, social injustice, discrimination, racism, and hate that may plague members of our community. We are committed to developing and implementing strategies and best practices that dismantle racism, bigotry, and ethnic oppression within all aspects of our schools and School District.

We stand by our immigrant students, staff, and families. All are welcome and safe in our schools regardless of immigration status.

We stand by our students, staff, and families with disabilities. We will continue to staunchly protect the rights of people of all abilities and create educational environments in which all educators collaborate for high educational outcomes for all students.

We stand by our LGBTQIA+ students, staff, and families. We take seriously our responsibility to provide safe, nondiscriminatory, and inclusive environments for people of all orientations and identities, as they reflect our diverse community.

We stand by our students, staff, and families of lower socioeconomic status. We will do all we can to meet the nutritional, physical, and emotional needs of all students regardless of their economic status.

**ALL CHILDREN WILL BE SAFE AND LOVED IN OUR SCHOOLS.
... EVERY CHILD, EVERY DAY.**

WE ARE LISTENING!

Communication between families and schools helps students succeed.

We believe parents and caregivers are experts in their child's experience. Good two-way communication helps everyone stay on the same page and support student success.

Want to share a compliment or general feedback? Use our **We Are Listening form** on the District website.

Be on the lookout for opportunities to join **District task forces or committees**—we value your voice! Get involved with your school's **School Community Organization (SCO)** to help build a strong school community.

If you have a **concern or complaint**, start by talking to the staff member, teacher, administrator, or coach involved. Most problems can be solved where they started. Complaints are not permitted to progress to the next level until an effort is made to resolve the concern at the appropriate lowest level. Any concerns or complaints that move to the next level must be submitted in writing. Learn more about the process on our website:

We are here to listen—because your voice matters!
