

SHARING OUR VISION 2026

THE MISSION OF CATHOLIC HIGH SCHOOL IS TO FORM YOUNG MEN IN THE GOSPEL BY PROVIDING A SANCTUARY COMMITTED TO HOLISTIC EDUCATION ROOTED IN RELIGIOUS VALUES, PERSONAL ATTENTION, FRIENDLY DISCIPLINE, AND ACADEMIC EXCELLENCE, ACCORDING TO CATHOLIC TRADITION AND THE CHARISM OF THE BROTHERS OF THE SACRED HEART.

AMETUR COR JESU
Loved be the Heart of Jesus

OUR PHILOSOPHY

The educational tradition of the Brothers of the Sacred Heart is focused on a holistic approach to education, rooted in religious values, structured through friendly discipline, nurtured by personal attention, and committed to academic excellence.

We address the religious, academic, social, psychological, physical, and cultural development of the young people in our school and believe that a young person learns from his total experience of the school setting.

Ultimately, we judge our school as successful if students graduate with a strong belief that God loves them. That belief is instilled in them to the extent that they experience that love through the pillars of a Brothers of the Sacred Heart education.

The most important aspect of any Catholic education is the development of religious values and the transmission of Catholic heritage. Faith permeates our school environment. From campus ministry programs to religious activities to symbols of our faith throughout our school facilities, Christian values are at the heart of our community.

We emphasize friendly discipline which corrects behavior and, at the same time, teaches and encourages. We advocate for discipline that is respectful of the dignity of the individual, is consistent, and is fair.

We provide personal attention by being actively present and attentive to students and responding with appropriate compassion and encouragement as they go through adolescence.

We view academic excellence as the development of each student to his fullest potential. We establish a demanding curriculum, provide captivating lessons, and adapt methodologies to meet the changing needs of our students and our world. We are committed to helping our students become the persons that God has created them to be.

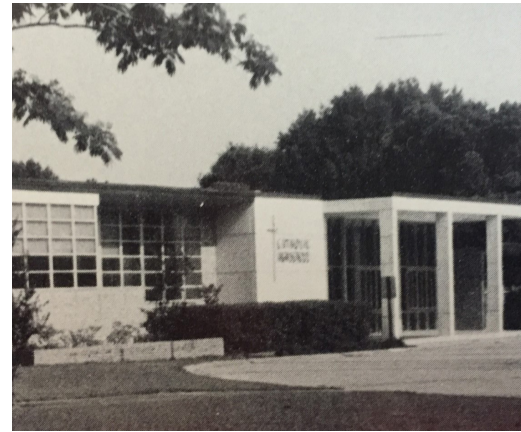

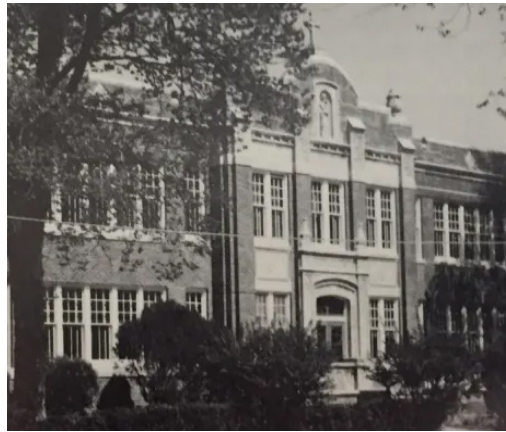

OUR HISTORY

Catholic High School has set the standard for excellence in education in the Baton Rouge area for 132 years. Founded in 1894 by the Brothers of the Sacred Heart, CHS is an all-male college preparatory school for grades 8-12, dedicated to providing opportunities for the development of the spiritual, moral, intellectual, social, and physical growth of each young man.

One of the school's greatest assets is the outstanding achievement of its graduates. Many prominent leaders in the Baton Rouge area were students nurtured through their crucial adolescent years by the Brothers of the Sacred Heart and dedicated lay partners at Catholic High School. CHS graduates are part of an extensive brotherhood that provides essential leadership in areas that include government, business, the arts, medicine, engineering, and education.

Because of the consistent commitment to providing outstanding education, Catholic High School has been named a National Blue Ribbon School of Excellence six times by the U.S. Department of Education.

INSTILLING RELIGIOUS VALUES

Catholic High School's overall program of faith formation is designed to form young men to live their lives for others in the spirit of the Gospel.

THE CHS FAITH FORMATION PROGRAM INCLUDES:

Daily Religious Education and Classroom Prayer

Because of the essential role of prayer in the formation of a personal relationship with God, students participate in varied and regular experiences of prayer through daily school-wide prayer, classroom prayer, and retreats.

Eucharistic Liturgies and the Sacrament of Reconciliation

Eucharistic liturgies are held monthly on the CHS campus. Involvement of many school groups in planning liturgies helps make the celebrations more meaningful to students. Students are strongly encouraged to participate in the Sacrament of Reconciliation, which is offered at school each semester. Active involvement at the parish level is recommended as an excellent introduction to the greater Church.

Student Ministry Team

The Student Ministry Team is composed of juniors and seniors who serve as mentors to the 8th and 9th grade students. Once a month, student ministers meet with 8th and 9th grade students in their religion classes to discuss life issues relevant to high school students in a Catholic school. Student ministers also lead several prayer and support groups open to all students, becoming valuable extensions of the overall campus ministry program.

Yearly Class Retreats

Each October, seniors participate in an overnight retreat which provides them the opportunity to grow closer to God and to one another. Students in grades 8, 9, 10, and 11 participate in a full day retreat, with special attention given to the needs of each age group.

School Chapel

The CHS Chapel, located in the former Brothers Residence, is used for Mass, reciting of the Rosary, adoration, religion class visits, and student prayer services.

Service

Serving others is an essential part of our call to follow Jesus Christ. Thus, the CHS service program is an integral part of religion courses within each student's curriculum. Students are required to perform a designated number and type of service hours each year.

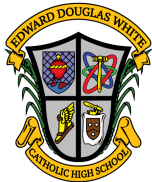

School-Wide Projects/Extracurricular Service

Catholic High participates in several school-wide projects designed to help the less fortunate. In connection with Catholic High School's extracurricular program, students are involved in community activities such as blood drives, toy drives, food collection, Operation Rice Bowl, and Habitat for Humanity.

Honor Code

The Honor Code and the Honor Board at Catholic High School were created and installed in 1997 as a result of a student initiative. All members of the Board are elected by students. The Honor Code is a commitment from each student to uphold the ideals of Catholic High School and the Brothers of the Sacred Heart.

A BROTHERS OF THE SACRED HEART SCHOOL SINCE 1894

Father André Coindre, filled with compassion for the suffering of young people of his time, established a religious institute in 1821 to serve their needs and provide for their well-being. A group of men, initially 10 in number, took vows in the Institute of the Brothers of the Sacred Hearts of Jesus and Mary, and dedicated their community to these young people. Today, Coindre's charism thrives in the eleven Brothers of the Sacred Heart schools in the Province of the United States.

Though separated geographically and culturally, these schools share a common vision of education: the evangelization of young people. As genuine partners in mission, the Brothers and lay men and women who work in these schools strive to embody Coindre's charism in various educational settings while recognizing that local circumstances demand creative adaptation, not mere imitation.

A special year for the Brothers of the Sacred Heart was 2021 when the partners in mission celebrated the 200th anniversary of the founding of the Brothers in Lyon, France. The bicentennial celebration at Catholic High honored Father André Coindre's wisdom, sacrifice, compassion, and vision in his founding of the Brothers of the Sacred Heart and paid tribute to the Brothers who have responded to the call to carry out his mission over the past two centuries. More than 200 years later, Catholic High School strives to be a sanctuary for the students on our campus, dedicated to forming young men according to Catholic tradition and the charism of the Brothers of the Sacred Heart.

A Brothers of the Sacred Heart School Since 1894

BROTHERS OF THE SACRED HEART

SHARING OUR VISION

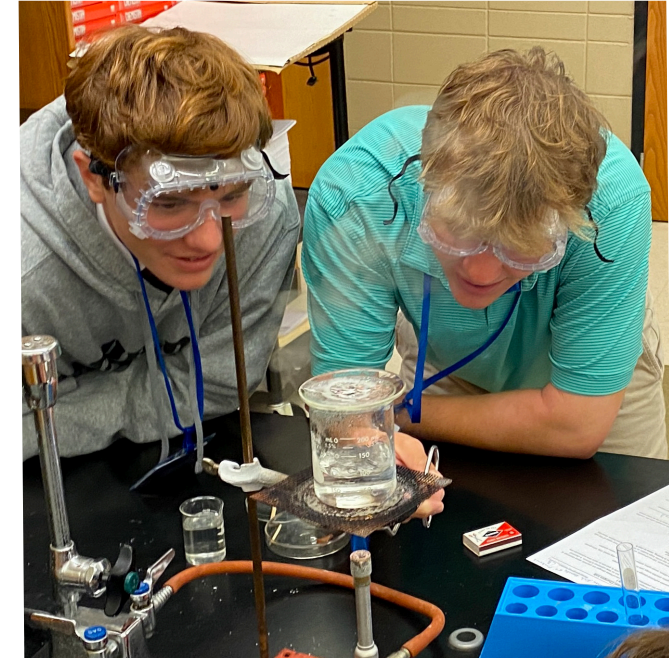

COMMITTED TO ACADEMIC EXCELLENCE

Consistent with Father Coindre's values, we view academic excellence as the development of each student to the maximum of his or her potential. We commit ourselves to this goal as a means of helping students become the whole and complete persons that God created them to be. To accomplish this, we pursue our own ongoing professional development, establish a demanding curriculum that emphasizes command of the basics, work at presenting well prepared and interesting classes, and continually adapt our curriculum and methodologies to meet changing needs.

Because all of creation, history, and culture are means God has chosen to reveal truths about Himself, we believe in making efforts to motivate students to appreciate the value of learning as a good in itself. What motivates all Catholic education is the belief that knowledge of the created world leads to knowledge of God and of human potential. The ultimate goal regarding motivation is for each student to accept responsibility for lifelong learning and self-motivation. In addition to providing students with a curriculum that is valued in the workplace and that opens options for them in higher education, the school should nurture in students the habit of lifelong learning and ground them solidly in traditional Christian values.

-Partners in Mission

CHARACTERISTICS OF A CATHOLIC HIGH SCHOOL ACADEMIC PROGRAM

- Rigorous, college preparatory four-year high school program.
- Eighth grade program.
- Students earn a minimum of 27 academic credits in grades 9-12, including four credits each in math, science, English, and religion.
- Honors and AP classes offered in a variety of subjects.
- One-to-one laptop program, promoting proficiency with emerging technology.
- Rich variety of elective classes, including some classes shared with St. Joseph's Academy.
- STREAM curriculum and certificate (focused on science, technology, religion, engineering, arts and mathematics).

Six-Time Blue Ribbon School of Excellence

1989 | 1993 | 1998 | 2003 | 2014 | 2020

The Blue Ribbon Schools Program was established by the U.S. Department of Education in 1982 to recognize outstanding public and private schools across the nation. Blue Ribbon Schools are honored for their excellence in leadership, teaching, curriculum, achievement and parent involvement.

“Catholic High sets the bar high. Being a student here motivates me to strive to reach that bar. The teachers are here to help and are with us every step of the way.”

-HAYES ROUSSEL '29

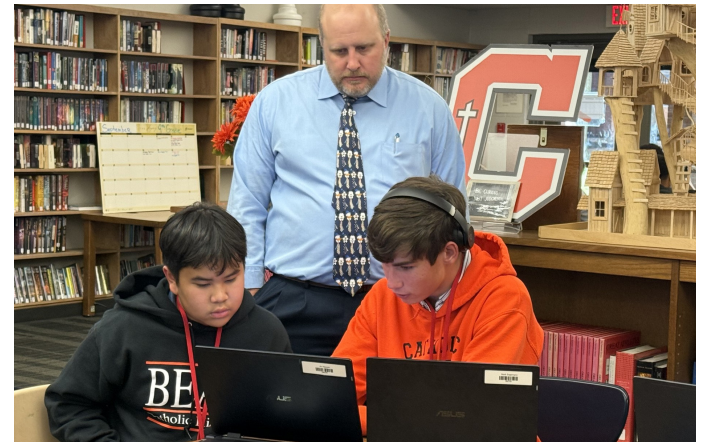

SETTING THE STANDARD OF **EXCELLENCE**

STANDARDIZED TEST PREP

Catholic High School includes a standardized test preparation program as part of its basic curriculum for all students. Prior to standardized testing, students attend five sessions each semester taught by CHS teachers. Designed to provide students with the skills and strategies necessary to maximize their results, these test prep sessions are in addition to our standard college preparatory curriculum.

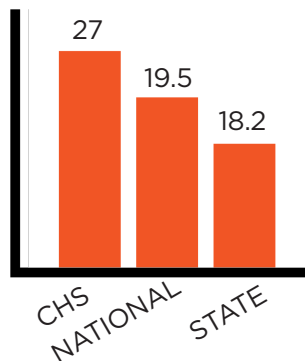

Every student receives 40+ hours over their four/five years at CHS of standardized test prep during the school day at no additional cost to his family. Test prep is customized for each student based on the results from his previous tests.

As a result of this preparation and our rigorous college preparatory curriculum, CHS standardized test scores are consistently above state and national averages. Our students have been accepted at over 155 colleges and universities and the class of 2026 earned over 34 million dollars in merit based scholarships.

“In my opinion, we have some of the best teachers in the state, which means we get the best education in the state—that opens up opportunities for us to get into the colleges of our choice.”

-MICHAEL SCHOEN '28

FOSTERING PERSONAL ATTENTION

COUNSELING CENTER

The Counseling Center is comprised of five grade-level counselors, plus two college counselors dedicated to assisting our students through every step of the college planning process. Each student meets with his grade-level counselor on an individual basis, in addition to group/classroom meetings. Individual meetings are designed to guide the student academically, socially, personally, and vocationally, as well as evaluate his progress in school. Counselors are available if a student encounters difficulty in the classroom or at home, offering a caring and compassionate environment that allows students to feel known, valued, and treasured. Counselors work in partnership with the parents to ensure that their son is being cared for at a level that allows him to mature, make decisions, and grow into the young man that God has called him to be.

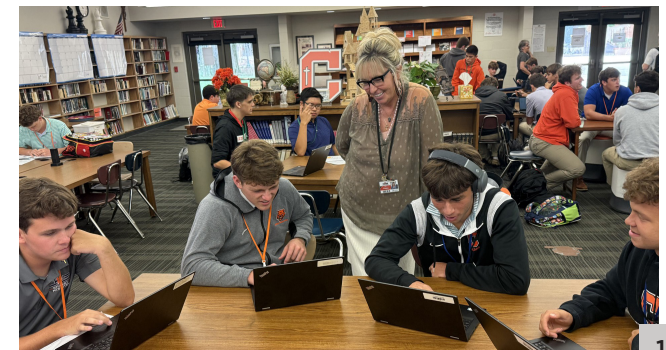

STUDENT MENTORING PROGRAM

Our Student Mentoring Program adds an important dimension of personal attention to each student's experience at Catholic High School. Through this program, every student is paired with a faculty member who serves as his mentor for the duration of his time at CHS. Mentors meet with their group of students each month and also hold individual meetings during the school year. Designed as an additional support service, the program expands opportunities for students to form positive peer relationships and to have a significant adult presence in their lives beyond their teachers, coaches, club moderators, and counselors. While not a replacement for the Counseling Center or academic support initiatives, the program ensures that every student has one more adult on campus who can address his needs and serve as his advocate.

“THE HEARTH” STUDENT SUCCESS CENTER

Our newly established Student Success Center, known as “The Hearth,” is a dynamic hub designed to create a holistic experience for every student at CHS. This student-focused space offers a welcoming environment where learners can make up missed tests in a quiet, supervised setting, receive personalized peer tutoring, and attend specialized math lab sessions tailored to reinforce key concepts. Beyond subject-specific support, the center provides targeted resources to help students strengthen executive functioning skills such as organization, time management, self-reflection, perseverance, attention to detail, task initiation and self-control. Staffed by dedicated educators and trained peer mentors, the Student Success Center fosters a culture of collaboration, resilience, and growth—ensuring that every student has the tools and guidance they need to thrive across all disciplines.

THE CATHOLIC HIGH SCHOOL

CHS offers a wide variety of extracurricular activities as another component of our holistic formation of students. Such a variety of offerings gives students ample opportunities to discover and experience their own unique gifts and talents, while allowing students to engage in activities with their peers and our faculty. Quality extracurricular programs develop students' pride in their school and in themselves, increase their receptivity to formation, and promote their success in all aspects of school life.

A Brothers of the Sacred Heart School Since 1894

JOURNEY

“ We believe that our schools should have a wide variety of quality extracurricular activities as a way of enhancing our holistic approach to education. The purpose of such variety is to give ample opportunity to students to develop their skills and to make the school a stimulating and inviting place. Quality extracurricular programs develop students’ pride in their school and in themselves, increase their receptivity to formation, and promote their success in all aspects of school life. ”

SHARING OUR VISION

PARTNERSHIP WITH PARENTS AND ALUMNI

PARENTS

Catholic High School considers faculty, staff, and administration as partners with parents in the formation of young men. CHS offers many opportunities for parents to become involved in activities with their sons and to serve and support the school.

Traditionally, the CHS Men's Club and the CHS Mothers' Club have provided outstanding support for the students, the faculty, and the school. Membership in the Men's Club is open to fathers, alumni, and friends of Catholic High. Membership in the Mothers' Club is open to mothers of students currently enrolled in CHS.

As a support to parents, Catholic High holds a drug use and awareness meeting that is mandatory for all new parents to the school. The focus of the program is to educate parents in ways to help their children deal with dangers present in the culture in which we live, especially related to teenage substance abuse and other risk factors in society that students may face.

CHS also offers other opportunities for parents to become involved, such as Back-to-School Afternoon, school Masses, and parent-teacher collaboration events. Parents are invited to pray with us, serve with us, and provide feedback on the advancement efforts of Catholic High School.

Parents of students who participate in athletics, band, cheer, and other extracurriculars have numerous opportunities to get involved and assist these groups.

ALUMNI

The CHS Alumni Association and the Office of Alumni Relations continue to foster the relationship between Catholic High School and the more than 10,000 men who graduated from our school. CHS currently has 42 alumni faculty and staff members. To keep the relationship strong, the Alumni Association provides opportunities for alumni and friends to reunite, to support and celebrate CHS, and to help the greater Baton Rouge community. The Alumni Association and the Office of Alumni Relations host the following events, among others, for alumni and friends to enjoy:

- Golf Classic
- Monthly service at St. Vincent de Paul
- Grizzly Greats Athletic Hall of Fame Induction
- Alumni Homecoming Tailgate
- Clay Shoot
- Gumbo Jam
- 50 Year Reunion and Class Reunions
- Fishing Rodeo

A Brothers of the Sacred Heart School Since 1894

“To be a CHS Bear is to not
only be intelligent, but to also
have a heart of Christ.”

-MINH-QUAN NGUYEN '28

CELEBRATING THE PAST EMBRACING THE FUTURE

Father André Coindre's charism and the rich tradition of the Brothers of the Sacred Heart are a precious gift for Catholic High School, the Baton Rouge community, thousands of alumni, and future generations of students. The dedicated Brothers and lay colleagues who work as partners in the mission of CHS are committed to continuing that gift through dynamic adaptation to changing times and needs.

Fr. André Coindre, a young parish priest in Lyon, France, founded the Brothers of the Sacred Heart to give hope to young people and eventually lead them to faith.

A new school building, gym and Brothers' residence were opened in January 1929 on North Street at Fourth Street. At that time, the school became known as Catholic High School.

The "C" Club is established and later reorganized as the CHS Men's Club.

The Fine Arts/Computer Center opened in 1985 as a major addition to the school plant. The facility consists of a computer classroom and lab, chorus and band rooms, ensemble rooms, art room, drafting room, and additional classrooms.

Catholic High School celebrates its 100 year anniversary with the dedication of the Centennial Courtyard and the installation of the sculpture "Dialogue of the Heart"

STREAM curriculum is implemented at CHS, providing students an interdisciplinary approach to learning and problem-solving.

Catholic High School opened the doors to its new Grizzly Greats Strength and Conditioning Center.

1821 1894 1929 1930 1938 1957 1985 1989 1994 2005 2015 2020 2021

Founded in 1894 as St. Vincent's Academy in honor of the St. Vincent dePaul Society.

Enrollment is 106 students.

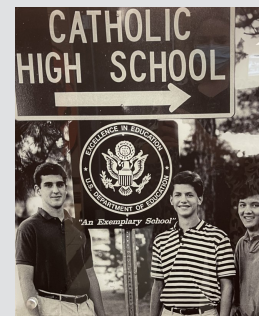

Catholic High School relocates from downtown Baton Rouge to its Hearthstone Drive Campus.

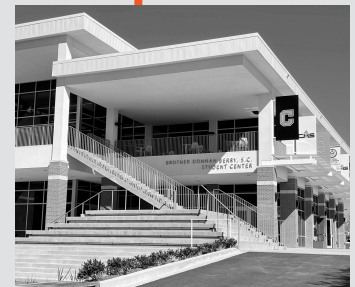

The CHS Mothers' Club is established.

Catholic High School receives its first National Blue Ribbon of Excellence from the U.S. Department of Education.

Catholic High School dedicated the new Science Center. Named for a legendary Brother of the Sacred Heart, Brother Gordian Udinsky, the center is a 10-classroom structure that provides state-of-the-art facilities and equipment for use in instruction of the sciences.

Catholic High School opens the Brother Donnan Berry, S.C. Student Center in October of 2020. This 32,000 square-foot facility created a dynamic learning environment where students dine, socialize, and interact with faculty.

INVEST IN **YOUR FUTURE**

IN KEEPING WITH THE EDUCATIONAL TRADITION of the Brothers of the Sacred Heart, no student is refused admission or asked to leave Catholic High School solely because of his family's inability to pay tuition.

ADMISSION CRITERIA

IN ADMITTING STUDENTS, we look for young people who can profit from and contribute to the religious and educational mission of the school. While accepting the fact that there is a limit to what any one institution can do, we believe that the school is to serve a broad cross section of students with regard to both academic ability and socioeconomic status. Promoting and maintaining a diversity of students within the school community is a positive value, consistent with the tradition of the Brothers of the Sacred Heart. Therefore, in the admission of students, high priority is given to those whose families have supported our schools and Catholic schools in general, and great care is taken to ensure that the school does not become available only to the social, academic, or athletic elite.

In keeping with the philosophy of education of the Brothers of the Sacred Heart, Catholic High School seeks to create a diverse student body. Therefore, we reserve the right to accept a limited number of students who may not be Catholic and/or who may not be attending Catholic schools. Such students must satisfy the academic and behavioral expectations in order to be considered for admission.

While an offer of admission to Catholic High School is never automatic for any applicant, special consideration is given to students whose families have a history of attending schools staffed by the Brothers of the Sacred Heart, to students attending Catholic schools, and to minority students.

Typically, the students offered admission to the 8th, 9th, 10th, or 11th grades of Catholic High School:

- had conduct grades of As and Bs
- had academic grades of As, Bs, and Cs
- had good attendance and discipline records

For additional information, contact Director of Admissions, Mr. Collin Ford '98 at cford@catholichigh.org.

FINANCIAL INFORMATION

- Tuition for 2026-2027 is \$14,241. Registration for new students is \$550. Registration for returning students is \$500.
- Installment tuition payments are interest-free and require no bank financing.
- Tuition can be paid monthly, semi-annually or annually. All payments are made through electronic drafts of checking, savings, credit or debit card accounts.
- Tuition assistance is available for students whose families have financial need.

NON-DISCRIMINATORY POLICY

Catholic High School admits students of any race, color, national, or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on any national, ethnic or religious basis in administration of the school's education policies, scholarship and financial aid programs, athletics or any other school-administered activities.

HOPES FOR OUR GRADUATES

Father Coindre's charism is rooted in faith in Jesus Christ as the model of unconditional, self-sacrificial love, and the source of true life. His faith gave him hope that transformation is always possible and inspired him to see young people in need as opportunities to share God's love, compassion, and healing presence.

Schools, in the tradition of the Brothers of the Sacred Heart, carry forward this mission by creating supportive communities grounded in prayer, service, respect, and compassion. They seek to develop the whole person—spiritually, academically, socially, and physically—while encouraging students to recognize their potential and respond to God's love.

At the heart of this education is hope: the belief that growth, transformation, and redemption are never beyond God's power. Through their experiences, graduates are becoming well-rounded, faith-filled, self-disciplined, compassionate, and academically prepared men who respond to God's love.

We hope our graduates become self-aware, well-rounded, and compassionate adults who recognize their strengths and limitations, remain committed to lifelong growth, and respond faithfully to God's call.

We hope our graduates know they are loved by God, deepen their relationship with Him, integrate faith into daily life, live with compassion and justice, serve others, understand the teachings and traditions of the Catholic Church, and engage meaningfully in their own faith communities.

We hope our graduates become self-disciplined, compassionate, and respectful adults who build relationships grounded in fairness, trust, responsibility, and cooperation.

We hope our graduates genuinely care for others, recognize the unique dignity of every person, and build positive relationships that strengthen their communities.

We hope our graduates are intellectually curious, prepared for college and work, committed to reaching their full potential, and generous in using their gifts to serve others.

Like Father Coindre, we seek to put our trust completely in God's Providence. The work of educating and forming young people is ultimately God's work, not ours. We merely seek to be his faithful instruments by acting with dynamic fidelity to the charism given by God through the Holy Spirit to Father André Coindre.

We recognize that the needs of young people are immense and we know that we will always remain frail and flawed instruments. However, in God's hands and in fidelity to Father Coindre's charism, we can confidently proclaim, "Good is constantly being done." Along with Father Coindre, "Courage and Trust" should be our motto.

“Teachers got to know me not as just another number, but as a true person. During my four years, my teachers have always been understanding, open-minded, and most of all, always instilled the thought that God loves us. Catholic High School has been an essential part of my growth into the man I am today.”
