

Shelton Elementary School Improvement at a Glance

Overview

The purpose of Shelton Elementary's School Improvement Plan is to provide a clear and focused roadmap for academic growth and school-wide success. Grounded in our mission to nurture, engage, and challenge all students, this plan aligns our efforts to support learning, strengthen instruction, and foster a positive and inclusive school culture. Below is a snapshot of our plan, designed to give families and our school community an overview of our goals and the direction we're taking to ensure success for every child.

Mission

The mission of Shelton Elementary School is to nurture, engage, and challenge all our students.

Vision

The vision of Shelton Elementary School is to inspire all students to become responsible, confident, and lifelong learners.

Goals

English Language Arts (ELA)

- Increase the percentage of third through fifth grade students scoring proficient or higher on Georgia Milestones by 5%

Mathematics

- Increase the percentage of third through fifth grade students scoring proficient or higher on Georgia Milestones by 5%

Our Plan in Action

What does this mean for my child?

To ensure every student is successful, our teachers work together every week to plan high-quality instruction and respond to student learning. Through this collaborative planning process, we will:

- Plan engaging, standards-aligned lessons using high-quality instructional materials and strategies
- Review student learning to celebrate growth and identify next steps
- Provide targeted support when students need additional help and meaningful enrichment when they are ready for more
- Make instructional decisions based on student progress to ensure every child continues to learn and grow

Our School Community

Shelton Elementary proudly serves 926 students in kindergarten through fifth grade. Our school community is diverse and welcoming, with approximately 50% White, 24% Black, 13% Hispanic, 7% Multiracial, and 6% Asian or Pacific Islander students. We value the unique backgrounds, experiences, and perspectives of every child and remain committed to providing a safe, supportive, and engaging learning environment where all students can thrive.
