

Roy W. Martin Middle School

Dear Roy W. Martin Middle School Community,

As we reflect on the progress of our school, I am proud to share the remarkable accomplishments of our students and staff. Through hard work, perseverance, and a collective commitment to academic excellence, our students demonstrated measurable academic growth in both Mathematics and Science. These achievements are a testament to the dedication of our teachers, the support of our families, and the determination of our students to continuously improve.

There is a timeless saying that reminds us of the power of working together: "It takes a village to raise a child." At Roy W. Martin Middle School, we believe that student success is built through strong partnerships among our families, educators, businesses, community organizations, and dedicated volunteers.

We invite you to become a part of our village by sharing your time and talents with our students. Whether you provide student and teacher incentives and school supplies, volunteer in classrooms, mentor a student, assist at school events, support extracurricular activities, or lend your expertise to special projects, your involvement makes a lasting impact on the lives of our children.

Together, we can inspire curiosity, build confidence, and create opportunities that help every student thrive academically, socially, and emotionally. Your presence sends a powerful message to our students—that their community believes in them and is invested in their future.

We hope you will join us this school year as we continue working together to ensure every Colt has the opportunity to learn, grow, and succeed.

Because when we work together, our village grows stronger, and so do our students.

With gratitude,

Deborah Thaggard, Ed.D.
Principal
