Encourage your early learner's love of art! This fall, YR introduces drawing lessons designed to build fine motor skills and a love for creativity. Our friendly Llama drawing will introduce students to the wonderful world of drawing as they learn basic shapes, line control, and simple composition. Seasonal favorites like Apple Trees and Acorns help reinforce pattern, color recognition and foundational art vocabulary in a way that is exciting. Each lesson is carefully crafted to nurture creativity while strengthening important developmental skills. There's no better time than NOW to enroll your child in a Young Rembrandts class and watch their confidence bloom!
