Back-to-school season is bursting with creativity at YR! During this session, students will explore a fascinating world of characters, patterns, texture and vibrant color. Appetites don't stand a chance against the realistic Pizza drawing our students will create as they focus on proportion, detail, and shading techniques. Our adorable Baby Sloth will help students practice expression and character design, while our art history portrait of Hiawatha introduces cultural appreciation and portrait composition just in time to celebrate the fall season. Each lesson blends imagination with strong art fundamentals. All this and more await your child in a Young Rembrandts classroom — sign up today!
