UNIONVILLE ELEMENTARY SCHOOL

AUGUST 1, 2026

Welcome back students and families! A new school year brings so many exciting opportunities to learn, grow, and build wonderful friendships. Mark your calendars, Wednesday, August 5th is our official first day of school. I can't wait to fill our halls with energy and smiles!

To help our students build confidence and ensure a smooth, safe start for everyone, I ask that families say their sweet goodbyes at the entrance, as parents will not be walking students to their classrooms. Don't worry, staff will be stationed around the school with big smiles ready to make sure every child gets to their classroom safely and feels supported. Thank you for partnering with us to keep our school safe.

Students, bring your curiosity and let's make this our best year yet!

Mrs. Jakubik
