SCHOOL ATTENDANCE MATTERS

Dolphins swim together, dolphins win together.
Dive into school every day!

Attendance Matters Incentives Start This Week!

Being at school every day helps our students learn, grow, and build great habits. To celebrate and encourage good school attendance, we are kicking off our attendance incentives this week.

Here is how we will be celebrating our students who show up ready to learn:

- Best Weekly Attendance:
 - The students in the classroom with the best weekly attendance will choose a book from the Book Vending Machine!
 - The classrooms with the 2nd and 3rd best attendance will receive special school pencils.
- Best Monthly Attendance:
 - The classroom with the highest overall attendance for the month wins a special game time with Mr. Tinsman! This month, our daily winners will get to play a fun beach ball game.
- Dolphin of the Day:
 - Every student has a chance to be Dolphin of the Day, you just have to be present at school to win!

Help your child build winning attendance habits by setting up a consistent bedtime routine and packing backpacks the night before!

Once again, thank you for your support.
