

AUGUST IMPORTANT DATES

OCPS will be conducting Lockdown drills at all school sites prior to the end of the month. These drills will include all students in grades 1st through 12th. Pre-K and Kindergarten students will not participate in this drill. The drills will involve activation of our Centegix crisis response system and PA announcements to the entire building. Local law enforcement participates in these drills, so do not be alarmed if you see a police presence at any of our buildings in the coming days. When the drill is conducted in our building, you will receive a notification at its conclusion.
